Real Life Scary Kids:

Real-life Scary Kids Tracey E. Dils, 1996 Horrifying Children Lauren Stephenson, Robert Edgar, John Marland, 2024-03-07

Horrifying Children examines weird and eerie children's television and literature via critical analysis memoir and autoethnography. There has been an explosion of interest in the impact of children's television and literature of the late twentieth century. In particular the 1970s, 80s and 90s are seen as decades that shaped a great deal of the contemporary cultural landscape. Television of this period dominated the world of childhood entertainment drawing freely upon literature and popular culture like the *Garbage Pail Kids* and *Stranger Things* and much of it continues to resonate powerfully with the generation of cultural producers: fiction writers, screenwriters, directors, musicians and artists that grew up watching the weird, the eerie and the horrific: the essence of 21st century Hauntology. In these terms this book is not about children's television as it exists now but rather as it features as a facet of memory in the 21st century. As such it is the legacy of these television programmes that is at the core of *Horrifying Children*. The haunting of adults by what we have seen on the screen is crucial to the study. This collection directly addresses that which scared us in the past inasmuch as there is a correlation between individual and collective cultural memory with some chapters providing an opportunity for situating existing explorations and understandings of Gothic and Horror TV within a hauntological and experiential framework.

My Sensitive Child Chi-hyun Choi, 2022-11-17

Sensitivity Is a Special Gift A child psychiatrist's guide to parenting a sensitive child. 13 parenting strategies to reduce anxiety and boost inner strength in susceptible children. My son jumps at the slightest noise. He hates strangers and unfamiliar places. My daughter gets anxious and worries about things that haven't happened yet. She repeatedly washes her hands even though they're clean. Sensitive kids are a source of worry for many parents. Indeed caring for these delicate, fragile as glass children can be overwhelming. How should parents raise these sensitive souls born with a unique temperament that challenges the notion of a difficult child? A trained child psychiatrist, the author outlines several principles all parents should know when raising a sensitive child. Pulling out the common traits in susceptible kids who have come to him for treatment, he distills his findings into 13 key strategies. The author refrains from complex jargon, terms and writes in an easy-to-read style using detailed examples and comparisons to deliver the essential information needed to support sensitive children. For many parents wrestling with information overload, this book will offer clear practical guidelines as well as friendly advice that will help put their worries to rest. When kids face a new set of challenges each day, they naturally develop a defense mechanism against the unfamiliar which could result in heightened sensitivity. Whether these children grow up to be selfish adults or highly attuned, unique individuals will depend on how they learn to control this sensitive temperament, an area in which parents can play an immense role. This book will show parents how to nurture the exceptional talent within their susceptible child and help ease anxiety the parents and their kids may have about sensitivity.

My True Love (The Steeles at Silver Island #2) Love in Bloom Contemporary Romance Melissa

Foster, 2021-03-31 Can a man who resents the hand he's been dealt and a woman who spends her days grateful for every little thing find true love in each other's arms or are their differences stronger than both of them? Find out in this funny, sexy, heartfelt romance and fall in love with Grant and Jules on the sandy shores of Silver Island, home to coffee shops, boat races, and midnight rendezvous. My True Love is a Wall Street Journal and USA Today bestseller. Even war heroes need a little help sometimes. After spending years fighting for his country and too damn long learning to navigate life with a prosthetic leg, Grant Silver returns to Silver Island to figure out a future he couldn't fathom without fatigue and a gun in his hand. He'd almost forgotten how a man could suffocate from the warmth and caring community in which he'd grown up, and if that weren't bad enough, his buddies' beautiful and far too chipper younger sister won't stop flitting into his life, trying to sprinkle happy dust everywhere she goes. As a cancer survivor, Jules Steele knows better than to count on seeing tomorrow. She doesn't take a single moment for granted, and she isn't about to let a man who used to be charming and full of life waste the future he's been blessed with. She's determined to get through to him, even if it takes a few steamy kisses. More Steeles at Silver Island are coming soon. TEMPTED BY LOVE, Jock, MY TRUE LOVE, Jules, ALWAYS HER LOVE, Levi, CAUGHT BY LOVE, Archer, WILD ISLAND LOVE, Leni, ENTICING HER LOVE, Sutton. Discover the magic of New York Times bestseller Melissa Foster's writing and see why millions of readers have fallen in love with the Love in Bloom big family romance collection.
