BEYOND NARNIA Ray Baker, 2021-04-28 Lewis was an amazing author who has impacted the

faith of millions of people around the world Unfortunately most people never read anything by C S Lewis other than The Chronicles of Narnia This is good as far as it goes but what a shame if that s all one ever reads of this genius Although some may go on to read Mere Christianity or even The Screwtape Letters Miracles or The Problem of Pain very few have ever mined the riches that are to be found in Lewis s collected essays or had their longing for the numinous stirred by hauntingly brilliant Dymer and The Pilgrim s Regress It is my desire in this book to show that Lewis is more than just Narnia Beyond Narnia The Theology of C S Lewis is an in depth analysis of the most important themes in the work of C S Lewis including the sensation of joy or longing as signposts to God his view of the Bible as both myth and the Word of God his defense of miracles against Hume s famous critique his insightful observations on the problem of pain and his often misunderstood but groundbreaking thoughts on hell This book provides an accessible and thorough introduction to C S Lewis for undergraduate students and Lewis fans who want to go deeper in their understanding

Agnes Sanford and Her Companions William L. De Arteaga,2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century Among her achievements were the discovery and development of the inner healing ministry the development of a theology of the light of God missing in Western theology and the first ever theology of nature prayers as in stilling storms She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches In spite of these achievements she is largely ignored and unrecognized today This work examines her career and shows why her theology though deeply biblical was unacceptable to orthodox critics Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church They had to confront the erroneous established theology of cessationism which affirmed that the healing ministry of the church was past
