Representing Rape Susan Ehrlich, 2003-08-27 Representing Rape is the first feminist analysis of the language of sexual assault trials from the perspective of linguists Susan Ehrlich argues that language is central to all legal settings specifically sexual harassment and acquaintance rape hearings where linguistic descriptions of the events are often the only type of evidence available Language does not simply reflect but helps to construct the character of the people and events under investigation The book is based around a case study of the trial of a male student accused of two instances of sexual assault in two different settings a university tribunal and a criminal trial This case is situated within international studies on rape trials and is relevant to the legal systems of the US Canada Britain Australia and New Zealand She shows

how culturally dominant notions about rape percolate through the talk of sexual assault cases in a variety of settings and ultimately shape their outcome Ehrlich hopes that to understand rape trials in this way is to recognize their capacity for change By highlighting the underlying preconceptions and prejudices in the language of courtrooms today this important book paves the way towards a fairer judicial system for the future

Rape in Period Drama Television Katherine Byrne, Julie Anne Taddeo, 2022-02-21 Rape in Period Drama Television considers the representation of rape and rape myths in a number of the most influential recent television period dramas Like the corset has become a shorthand for women's oppression in the past Sexual violence has long been and still is commonplace in television period drama often used to add authenticity and realism to shows or as a sensationalist means of chasing ratings However the authors illustrate that the depiction of rape is more than a mere reminder that the past was a dangerous place for women and some men In these series they argue rape functions as a kind of anti heritage device that dispels the nostalgia usually associated with period television and reflects back on the current cultural moment in which the MeToo and Timesup movement have increased awareness of the prevalence of sexual abuse but in which legal and political processes have not yet caught up In doing so Rape in Period Drama Television sets out to explore the assumptions and beliefs which audiences continue to hold about rape rapists and victims
