Paintings and Photographs 1848-1918

An impressionist painting of a vast field filled with red flowers, possibly poppies, in the foreground. In the middle ground, two figures are visible: a person wearing a hat and a dark coat, and another person further back. The background features a line of trees and a small building under a sky with soft, white clouds. The overall style is characteristic of Impressionism, with visible brushstrokes and a focus on light and color.
