British films of the 1970s Paul Newland, 2015-11-01 British films of the 1970s offers highly detailed and insightful critical analysis of a range of individual films of the period This analysis draws upon an innovative range of critical methodologies which place the film texts within a rich variety of historical contexts The book sets out to examine British films of the 1970s in order to get a clearer understanding of two things the fragmentary state of the filmmaking culture of the period and the fragmentary nature of the nation that these films represent It argues that there is no singular narrative to be drawn about British filmmaking in the 1970s other than the fact that these films offer evidence of a Britain and ideas of Britishness characterised by vicissitudes While this was a period of struggle and instability it was also a period of openings of experiment and of new ideas Newland looks at many films including Carry On Girls O Lucky Man That'll be the Day The Shout and The Long Good Friday *A Dictionary of Film Studies* Annette Kuhn, Guy Westwell, 2020-04-28 A Dictionary of Film Studies covers all aspects of its discipline as it is currently taught at undergraduate level Offering exhaustive and authoritative coverage this A Z is written by experts in the field and covers terms concepts debates and movements in film theory and criticism national international and transnational cinemas film history movements and genres film industry organizations and practices and key technical terms and concepts Since its first publication in 2012 the dictionary has been updated to incorporate over 40 new entries including computer games and film disability ecocinema identity portmanteau film Practice as Research and film in Vietnam Moreover numerous revisions have been made to existing entries to account for developments in the discipline and changes to film institutions more generally Indices of films and filmmakers mentioned in the text are included for easy access to relevant entries The dictionary also has 13 feature articles on popular topics and terms revised and informative bibliographies for most entries and more than 100 web links to supplement the text

Popular Cinema of the Third Reich Sabine Hake, 2010-01-01 Too often dismissed as escapist entertainment or vilified as mass manipulation popular cinema in the Third Reich was in fact sustained by well established generic conventions cultural traditions aesthetic sensibilities social practices and a highly developed star system not unlike its Hollywood counterpart in the 1930s This pathfinding study contributes to the ongoing reassessment of Third Reich cinema by examining it as a social cultural economic and political practice that often conflicted with contradicted and compromised the intentions of the Propaganda Ministry Nevertheless by providing the illusion of a public sphere presumably free of politics popular cinema helped to sustain the Nazi regime especially during the war years Rather than examining Third Reich cinema through overdetermined categories such as propaganda ideology or fascist aesthetics Sabine Hake concentrates on the constituent

elements shared by most popular cinemas famous stars directors and studios movie audiences and exhibition practices popular genres and new trends in set design the reception of foreign films the role of film criticism and the representation of women She pays special attention to the forced coordination of the industry in 1933 the changing demands on cinema during the war years and the various ways of coming to terms with these filmic legacies after the war Throughout Hake s findings underscore the continuities among Weimar Third Reich and post 1945 West German cinema They also emphasize the codevelopment of German and other national cinemas especially the dominant Hollywood model

Popular Cinema in Bengal Madhuja Mukherjee,Kaustav Bakshi,2020-06-09 Popular Cinema in Bengal marks a decisive turn in studies of Bengali language cinema by shifting the focus from auteur and text based studies to exhaustive readings of the film industry The book covers a wide range of themes and issues including generic tropes like comedy and action iconic figurations of the detective and the city female stars such as Kanan Bala Sadhana Bose and Aparna Sen intensities of public debates subjects of high and low cultures taste viewership gender and sexuality print cultures including posters magazines and song booklets cinematic spaces and trans media and

trans cultural traffic By locating cinema within the crosscurrents of geo political transformations the book highlights the new and persuasive research that has materialised over the last decade The authors raise pertinent questions regarding regional cinema as a category in relation to national cinema models and trace the non linear journey of the popular via multiple media trajectories They address subjects of physicality sexuality and its representations industrial change spaces of consumption and cinema s meandering directions through global circuits and low end networks Highlighting the ever changing contours of cinema in Bengal in all its popular forms and proposing a new historiography Popular Cinema in Bengal will be of great interest to scholars of film studies and South Asian popular culture The chapters were originally published in the journal South Asian History and Culture

Film Theory Philip Simpson, Andrew Utterson, Karen J. Shepherdson, 2004 This major new collection identifies the critical and theoretical concepts which have been most significant in the study of film and presents a historical and intellectual context for the material examined Classical Masculinity and the Spectacular Body on Film D. O'Brien, 2014-10-29 The muscle bound male body is a perennial feature of classically inflected action cinema This book reassesses these films as a cinematic form focusing on the depiction of heroic masculinity In particular Hercules in his many incarnations has greatly influenced popular cultural interpretations of manliness and the exaggerated male form

Realisms in Contemporary Culture Dorothee Birke, Stella Butter, 2013-08-01 Realism is a pervasive term in discussions of contemporary developments in the cultural sphere By drawing on different theories of realism the authors explore how the term may be used as a helpful concept in order to analyse and evaluate current trends in cultural production and in turn how cultural production changes our understanding of what counts as realism The contributions deal with realism in narrative fiction drama and audiovisual media film television news within the context of national traditions examples drawn on in the case studies range from Africa Britain Germany Iceland Russia Turkey to the United States While the authors take their cues from media specific realisms focusing especially on narrative fiction the volume also highlights continuities and intersections between notions of realism in different genres and media With its original essays this collection invigorates the transdisciplinary engagement with forms and socio political functions of realism in contemporary culture *Cultural History of Modern India* Dilip M. Menon, 2006 Cultural History Of Modern India Edited By Dilip M Menon Definitely Qualifies For Interesting Reading Or How A Nineteenth Century Housewife Comes To Pen The First Autobiography By An Indian Woman Calendar Art Reflecting Deeper Notions Of Religion And Community Or How An Idea Of Pure Classical Music Faces The Challenge Of Technology These Essays Show How Ideas Of Self Community And Art Are Formed Within A Larger Politics Moreover Culture Far From Being A Refuge From The Political Is Also The Space Within Which Politics Comes To Be Worked Out *Building a New China in Cinema* Laikwan Pang, 2002-05-01 Building a New China in Cinema introduces English readers for the first time to one of the most exciting left wing cinema traditions in the world This unique book explores the history ideology and aesthetics of China s left wing cinema movement a quixotic film culture that was as political as

commercial as militant as sensationalist Originating in the 1930s it marked the first systematic intellectual involvement in Chinese cinema In this era of turmoil and idealism the movement's films were characterized by fantasies of heroism intertwined with the inescapable spell of impotency thus exposing the contradictions of the filmmakers underlying ideology as their political and artistic agendas alternately fought against or catered to the taste and viewing habits of a popular audience Political cinema became a commercially successful industry resulting in a film culture that has never been replicated Drawing on detailed archival research Pang demonstrates that this cinema movement was a product of the era's social economic and political discourses The author offers a close analysis of many rarely seen films richly illustrated with over eighty stills collected from the Beijing Film Archive With its original conceptual approach and rich use of primary sources this book will be of interest not only to scholars and fans of Chinese cinema but to those who study the relationship between cinema and modernity
