Realities The Miracle Of God:

The Holy Word for Morning Revival - Living in the Reality of the Kingdom of God Witness Lee, Watchman Nee, 2024-12-06 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word. At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Warsaw Poland on October 4-6, 2024. The general subject of the training was Living in the Reality of the Kingdom of God Through intimate contact with the Lord in His word; the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ. God, Purpose, and Reality John Christopher Bishop, Kenneth J. Perszyk, 2023 John Bishop and Ken Perszyk argue that it is reasonable to reject the standard conception of a personal omni-God. They present an alternative view: euteleology: reality is inherently purposive and the universe exists ultimately because its overall end, which is the supreme good, is made concretely real within it. *The Idea of God and the Reality of Evil* R. W. K. Paterson, 2010-12-01 The Idea of God and the Reality of Evil is the perfect book for readers who have a broad interest in fundamental religious issues. It offers a balanced, clear and non-technical view of the religious problem of evil, which often forms an insurmountable barrier to faith. For Atheists, the existence of evil is categorical proof that a higher omnipresent and omnipotent creator cannot exist. This book takes a fresh look at the arguments of the Atheists and re-examines their perspective that a perfect being implies a perfect world and offers a rational answer to the apparent conflict between faith and an imperfect reality. Paterson's treatment of the problem of evil is clear. He offers readers a balanced look at all the conflicting views in this book, which will appeal to Christians, Humanists and members of many other faiths. *A Young Man's Search of the Reality of a God* Kingsley B. Garrison Ph.D., 2023-03-15 So God showed up in my life in a mighty way just when I needed Him most. I had no money but I had a need. He met my need and provided more. The Lord had already put in place a plan to deliver me, to bless me before I even felt the first clue of a problem. Occasionally when I forget, the Spirit reminds me what He said: I will never leave you or forsake you. That's what this book is about: my search for God and the truth, not my parents' truth, not my church's truth, but the truth according to the Bible. *The Reality of God and the Problem of Evil* Brian Davies, 2006-10-11 An important new book on how we can still believe in a God of love and confront the problem of evil in the world. Probably the most important book on the subject since John Hick's book *Evil and the God of Love*. Professor Davies says we should tackle this problem by attending to the basics by asking whether there is a God and then: What is God? He starts by summarizing the arguments so far, from Seneca to the present day. He then moves to what he describes as the basics, see above, and demonstrates that much of what has been written about the topic of evil is in fact irrelevant or just plain wrong. This is a lively book on a tricky subject, written at all times with humour and much practical example.
