

# Reality

I held an egg, then realized,

how fragile life must be.

To see the life of a baby chick,

taken away so easily.

Here it is in my hand,

a simple crack away.

A baby chick, could have been sitting

here this sunny July day.

Oh well, back to breakfast.

*Melvina Germain*

# Reality Poems

**Wonna Elam Cornelson**

## **Reality Poems:**

**Reality Poems** Isabella George, 2016-09-06 Reality Poems 2016 is the revised edition of Isabella George's first e-book Reality Poems of the Modern Day 2014. The title has been shortened but content increased. In this revision, the poems are presented as more intense in depth and reveal an enriched ever-evolving awareness and determination to address issues more explicitly without trepidation or regard to criticism. Reality Poems is a body of work that is now a collection of 70 short stories and poems of controversial issues relevant to modern culture. Each poem is a short story that creates mood and movement in a rhythmic lyrical contempo cadence aptly called Versery Rhymes; some poems are written in an urban vernacular. Many stories in the collection of political and social issues are not usually topics of discourse in traditional poetry. These stories in atomic words are a clear and concise commentary on controversial issues not usually considered to be poetic. A range of poignant topics in the collection includes credit card entrapment, drug trafficking, interracial lovers, 9/11 conspiracy, and other theories, the horrors of factory farming, death row, psychotic episodes, cigarette smoking, Lucifer, Prince of the Air, strippers, the blues, ghosts, Frankenfood, baptism, the death of one's mother, civil rights struggle of the 60s, sea level rise, Miami, and the Everglades, smoking weed, imagining the New World Order, aging cougars. Less poignant topics include teenage love, crushes, forgetfulness, boys and their frogs, Barbie dolls, fashionistas, Hot Wheels, puppies, parakeets, heartbreak, Kool Aid, the Brazilian Samba, gremlins, island living, and many other topics of life.

### **Reality Poems of the Modern Day**

Isabella George, 2014-06-04 Is a politically and socially courageous eclectic collection of short stories and poems of contemporary predicaments and issues that often escape mainstream sensibility. Each poem is a compelling short story versified in a style of poetry I have tagged as Versery Rhymes, which is contempo lyrical verse with a bit of urban vernacular dialogue. A range of poignant topics in this collection pertain to credit card entrapment, drug trafficking, lesbian lovers, prostitution, factory farming, death row, psychotic episodes, cigarette smoking, smoking weed, the Prince of the Air, the blues, ghosts, etc. The list goes on. A bit less poignant topics are of teen-age love affairs, boys and frogs, the rain, Barbie dolls, fashionistas, hot wheels, puppy's, parakeets, baptism, death, forgetfulness, and much much more. This just names a few. As Langston Hughes penned Poetry is the human soul entire. Squeezed like a lemon or a lime. Drop by drop into atomic words. The reality of truth in atomic words that are direct commentary on issues is what this work is about.

### **Poems of Reality**

Tony Gorman, 2014-01-31 The Pebble I am a pebble dropped into the water. Spreading my ripples to all those around. Each little wave bringing hope to the needy. Easing their worries, bringing smiles, not a frown. Spreading and rippling to far distant boundaries. Drawing in help with its tidal display. And they too will drop pebbles, creating more ripples. Lending a hand to the needy as they go day to day. The lesson from this is to help one another. And don't be afraid to spread yourself around. And be like the pebble causing all of those ripples. As those that are dormant are the ones on the ground. I hope my poems were like the pebble and caused ripples of peace and joy in your life as you turned each page. Many thanks to those who have bought

my book Tony Gorman      **Reality Poems** Vera Gregory,2016-12-13 Reality Poems is a collection of poems is based on everyday happenings Some information is mingled among the lines The author hopes readers will find this book worth reading Vera Gregory was born in Jamaica      **Echoes of Reality** Wonna Elam Cornelson,2013-01-03 Echoes of Reality speaks not so much to the beauty of nature as the agony of the soul Behind the luscious rose theres the prickly thorns of reality like the wisdom revealed in these parabolic poems Within are poems that tell a story metaphoric poems villanelles and free verse and a couple of prose poems Several pieces of W Cornelsons artwork is included as well 1 Corinthians 10 13 NKJV No temptation has overtaken you except such as is common to man but God is faithful who will not allow you to be tempted beyond what you are able but with the temptation will also make the way of escape that you may be able to bear it We all go through similar trials This is part of the message I want to convey Her poems evoke emotions and images Wonderful S U Swopes Administrative Los Angeles Community College District evokes the reader to reflect on their own soul struggles a thoughtful and compelling collection of written art Mrs Tammy Hendricks MHR Published Award Winning Artist      **Reality Poems (2nd Edition)** Vera Gregory,2017-03-07 Reality Poems is a collection of poems is based on everyday happenings Some information is mingled among the lines The author hopes readers will find this book worth reading Vera Gregory was born in Jamaica      **All Occasion Inspirational Poems of Reality** Audrey M. Virges,2020-04-30 This book is a collection of inspirational poems of all occasions throughout the year The reader will receive a wonderful blessing in reading this book because the poems are loving and heartfelt They can be read or recited at many different functions or programs      **Poems of Reality** Yolanda Kinlock,2016-06-14 Poems of Reality The Experiences of Life expresses real life experiences in the form of poetry It will take you to a place where you never thought you could go Some people may feel different emotions while others can relate to the experiences of life translated through poems of reality Some people may feel the betrayal and reminisce on their trials and tribulations While others may transcend to a level where they can feel the pain passion compassion and fear in a different light We have all loved and lost But can we all say that we have all learned and grown from our experiences The messages delivered in Poems of Reality The Experiences of Life will make most people see things through a very different perspective      **Caged** Uptowne with Hagin King,1998-05-01      **Poets of Reality** Joseph Hillis Miller,1992      *Field Guide to Reality and Other Poems* Lee Robertson,2009-12-21 Field Guide to Reality is the tale of a year in the life of an artist living in the backwoods of the Ozark hills The day to day life of the forest the remembrance of things past and the poignance of the present are all here      *Reverie and Reality* Yanning Wang,2013-12-18 This is a study of Chinese gentry women s poems on the theme of travel written during the late imperial period ca 1600 1911 when Chinese women s literature and culture flourished as never before It challenges the clich d image of completely secluded and immobile women anxiously waiting inside their prescribed feminine space the so called inner quarters for the return of traveling husbands or other male kin The travel poems discussed in this book while not necessarily representative of all of

the women writers of this period point to the fact that many of them longed to explore the world through travel as did so many of their male counterparts Sometimes they were able to actualize this desire for travel and sometimes they were forced to resort to imaginary armchair travel In either case women writers often used poetry as a means of recording their experiences or delineating their dreams of traveling outside the inner quarters and indeed sometimes far away from the inner quarters With its promise of adventure and fulfillment and above all a broadening of one's intellectual and emotional horizons travel was an important and until now understudied theme of late imperial women's poetry

*Reality Poetry* Christopher Gelson, 2006-12 Reality poems are 100% real life They take you on a journey through life's personal tragedies and triumphs This book of Reality Poetry allows you to walk with the writer through a range of life's seasons You will laugh you will cry you will find sadness you will find joy You may feel loss you may find hope You will find nothing but what happens in real life These poems will take you on a journey through life's different seasons through unique rhythmic expression and beautiful imagery

*Conceptions of Reality in Modern American Poetry* L. S. Dembo, 1966

*Myth and Reality in Irish Literature* Joseph Ronsley, 2006-01-01 Myth and Reality in Irish Literature offers a rich collection of essays covering a wide spectrum of Irish literature from the early medieval saints and scholars to twentieth century writers such as Joyce and Beckett Lady Gregory Synge Yeats O'Casey and Myles na Gopaleen are among the poets playwrights critics and authors treated in the book The essays are written from both a personal and a scholarly perspective Contributors to the volume include the Irish authors Denis Johnston Thomas Kilroy Kate O'Brien and Thomas Kinsella and scholars David Greene Denis Donoghue Ann Saddlemyer and Shotaro Oshima Of interest to students of English Literature as well as observers of the Irish scene this book is of particular value to students of Irish heritage and literature

*Realist Poetics in American Culture, 1866-1900* Elizabeth Renker, 2018-05-28 The terms poetry and realism have a complex and often oppositional relationship in American literary histories of the postbellum period The core narrative holds that realism the major literary movement of the era developed apace in prose fiction while poetry stuck in a hopelessly idealist late Romantic mode languished and stagnated Poetry is almost entirely absent from scholarship on American literary realism except as the emblem of realism's opposite a desiccated genteel twilight of the poets Realist Poetics in American Culture 1866-1900 refutes the familiar narrative of postbellum poetics as a scene of failure and it recovers the active and variegated practices of a diverse array of realist poets across print culture The triumph of the twilight tale in the twentieth century obscured minimized and flattened the many poetic discourses of the age including but not limited to a significant body of realist poems currently missing from US literary histories Excavating an extensive archive of realist poems the volume offers a significant revision to the genre exclusive story of realism and by extension to the very foundations of postbellum American literary history dating back to the earliest stages of the discipline

**Progress of Reality of Insanity the Second Coming** Ron McIntyre, 2021-04-08 The mind excited with blazes of fiery thoughts flashes forth wonders of amazement far past the imaginable somewhere in the far out extremes

beyond non existence somewhere God is frightened to wander around I have seen him tip toe across the stars and stroll around in the sky like he owned them And command the lightning where to strike His powers of wonderment cause hysterical raptures of ecstasy He can transport a man s mind from reality into oblivion His frenzied mind teeters on the brink of infinity his thinking is so complex he had to invent new words to explain them He can force the trumpets of the seventh heavenly plague to blast before their appointed time and confuse the armies in heaven to where they do not know whose command to follow Lightning and voices and thunders exist only by his permission He commands the powers in heaven the angels fall at his feet the sun no longer sheds light and the moon turns to blood and the stars fall from the sky Who is this The Almighty The Only Begotten or the Third in Command no though some think so this is the author Ron McIntyre      **Figures of Reality** Roger Cardinal,2025-05-01 Figures of Reality 1981 may be described as a polemic against those who feel poetry to be remote from normal life an abstruse and empty game The author argues from a contrary perspective shared by many poets in the Romantic and Surrealist tradition in which poetry is viewed as being vitally related to our awareness of reality This penetrating discourse on the roots of poetry in the imagination suggests that the fascination of an illusory image lies precisely in our consciousness of its deflection from reality Poets can take hold of and manipulate these moments they are adept in the construction of unreality The deliberate cultivation of such states of awareness has been a preoccupation of many poets and literary theorists among them Coleridge De Quincy and Rimbaud Roger Cardinal s commentaries on the writing of these men as well as other texts drawn from nineteenth and twentieth century European poetry argues that poems have meaning for us to the extent that we recognise the relationship of the figure of speech on the page to the figure of reality as shaped by our perception of the world around us In this way the book uniquely develops an original and subtle theory of the role of imagination in poetry      **The Higher Life. Its Reality, Experience, and Destiny** James Baldwin Brown,2025-09-21 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      *Experiences in Reality* GC Bryant,2013-03-13 My name is Georgia known as Sista My hometown is Augusta Georgia a private person is how I choose to be I have a family of three plus me My writings are a blessing from God who I have dedicated my life to serve I pray you are given the vision to see some of my experiences through words My poetic poems are my way of communicating some of the obstacles I have faced instead of a long writing about me I prefer hearing about your obstacles while journeying this race My journey has not been easy but I know I m not alone God before me and encouraging friends my journey has been strong Mr Tyrone Russell the only best male friend of mines felt something in reading my poems supported and invested his time Ms Helen Alexander is like a sister to me she also felt these were poems that the world should see God Bless
