**Reality and Illusion** Robert Perry, 2002-09 A Course in Miracles is a spiritual path which focuses on the forgiveness of others and the release from guilt and fear Despite this practical focus the entire path rests on a very lofty vision of ultimate reality The foundation of the Course consists of its answers to age old questions What is real Does God exist What is our essential nature Why are we here How did we get here The Course s answers are profound but often hard to understand This book attempts to organize the Course s metaphysics into a coherent understandable picture Part I presents the Course s view of reality Part II then talks about illusion telling of our primordial break from reality which resulted in this illusory world of separated existence Book jacket [Handbook of Religion and the Authority of Science](#) James R. Lewis, Olav Hammer, 2010-11-19 The present collection examines the many different ways in which religions appeal to the authority of science The result is a wide ranging and uniquely compelling study of how religions adapt their message to the challenges of the contemporary world **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **The Emerging Network** Michael York, 1995 The 1980s saw the emergence of New Age and neo paganism as major new religious movements In the first book length study of these movements Michael York describes their rituals and beliefs and examines the similarities differences and relationships between them He profiles particular groups including the Church Universal Triumphant Nordic pagans and the Covenant of Unitarian Pagans and questions the adequacy of existing sociological categories for describing these largely amorphous phenomena *Paperbound Books in Print 1995* Reed Reference Publishing, R5ference Reed, 1995-12 **Encyclopedia of Aesthetics: Jazz-Play**, 1998 [Arts & Humanities Citation Index](#), 1997 *Demonstratives* Palle Yourgrau, 1990 The aim of this series is to bring together important recent writings in major areas of philosophical inquiry selected from a variety of sources mostly periodicals **Paperbound Books in Print**, 1992 **The Reality Illusion** Ralph E. Vandeman, 2010-03 If this is reality why is there so much unhappiness in the world How do we know that what we see is reality How do we know we re not asleep and dreaming If the world is a dream whose dream is it And what power do we have in the dream To find lasting happiness and peace let alone awaken from the dream we must surrender everything we believe about reality about life and most definitely about ourselves Advanced praise for Reality Is But a Dream The notion of flowing one way time is perhaps the most basic illusion that exists and is a major cause of human suffering and the fear of death and annihilation Reality Is But a Dream is an invitation to give up this illusion in favor of a more fulfilling accurate version of reality Larry Dossey MD Author The Power of Premonitions A
