## **Reality Of The Second Coming Of Christ:**

**AD 2036 Is The End** Christian Jacobsen,2008-03 Did you know that the exact year of Jesus crucifixion was predicted over five hundred years before His birth Did you know that a similar prophecy predicts the exact year of Jesus return to earth In fact the timing of the Second Coming of Christ is foreshadowed in no less than eleven places in the scriptures These timelines all point to the end of human history within this generation Although the Bible teaches that no one knows the day or hour when these things will happen Mark 13 32 it says nothing about not knowing the year Faithful Christians most certainly won't be surprised when the day of the Lord comes 1 Thessalonians 5 4 rather they will see the day approaching Hebrews 10 25 This book reveals that the Glorious Day will occur within three and a half years of AD 2036 CHRIST HAS DIED CHRIST IS RISEN CHRIST WILL COME AGAIN

**The Nature of Consciousness, the Structure of Reality** Jerry Davidson Wheatley,2001 This book describes how understanding the structure of reality leads to the Theory of Everything Equation The equation unifies the forces of nature and enables the merging of relativity with quantum theory The book explains the big bang theory and everything else New Realities of the Twenty-first Century, Part 1 Prophet

Wildman,2017-02-07 New Realities of the Twenty first Century Part 1 by Prophet Wildman The psychic parapsychic experience in the supernatural is one that is not readily understood or accepted by the masses After enjoying the gift of psychic future predictive awareness for more than fifty years Prophet Wildman had a deep understanding of the psychic and parapsychic experience However it wasn't until 2008 when he began receiving Holy subject Tribulation awareness as a precognitive psychic medium that he really began to delve deeper into this relatively unknown subject and explore psychic and parapsychic experiences as they related to the supernatural and Christianity Prophet Wildman wows his readers with first hand experiences both from the perspective of being Christian and of being a psychic medium while also providing a comprehensive dissection and decoding of the Tribulation event as it relates to the prophecy Wildman's deeply personal experiences along with factual statements and others first hand experiences provide the reader with a comprehensive read that will strengthen one's faith in Christ and Christianity while opening up rarely explored doors to the supernatural psychic and parapsychic worlds Explore the unknown with Prophet Wildman as he weaves his unwavering Christian beliefs with everything from extraterrestrials and ultraterrestrials to vampires U F Os and government cover ups An open mind and a strong religious conviction are all that's needed to begin searching and discovering some of the biggest mysteries of our time

**The End** Wanda Watkins,2013-03-01 The End Experiencing the Second Coming of Christ is a compelling inspiring account of the second coming of Jesus Christ The author Wanda Watkins uses her imagination supported by the Holy Bible to heighten the reader's awareness regarding the divine promise of this celestial occasion This book begins with the writer's resurrection from the dead an imagined occurrence that brings the reader fully into the reality of her experience For this reason Wanda considers it a fictional account entrenched in and underscored by biblical references that support its

credibility Throughout her experience Wanda informs the reader of her emotions upon beholding her awaited Savior and shares all of what she feels what she says what she hears what she sees and even what she thinks As Wanda informs she also ruminates about the challenges obstacles and trials that peculiarly served as such beautiful catalysts for this glorious occasion Concurrently she imparts spiritual insight and wisdom into the biblical truths that accompany the certainty of the appointed day that Christ will return As she is raised higher and higher toward Heaven Wanda the created educator continues to teach persuade encourage and inspire To further elaborate The End is a captivating literary work that truly allows scriptural references about God s second coming to transfer the reader into the event s truths Since the second coming of Christ is a reality that has been long awaited many no longer think about it some no longer believe it and others are indifferent Not only that but much of what some do consider about Christ s second coming is clouded by false teachings regarding the subject Many have accepted certain rumors myths and or fables about what will happen or the date that it will take place This informative book or account includes facts that endorse its credibility and compels the reader to either respond by faith or react according to self will Its thorough candor erases doubt and replaces it with the insight that transforms the occasional interest in Christ s return from a possibility to a certainty The experience of reading it is a magnet that draws one into both the beauty of Christ returning for His Bride as well as the dismay of the unprepared Regardless of the reader s response to The End the book is unforgettable

**The Little While of the Saviour's Absence and the Prospect of His Speedy Return** John Dunmore Lang, 1872      *Walk with Jesus Christ, the Truth I'* 2008 Ed. (maturing in Jesus Christ) ,      The Gospel Truth Of The Bible: The Other Sheep Maurice Caines, 2017-05-04

As we look to the Bible for all the answers we need I discovered that there are two distinct laws which has caused confusion to almost the whole world throughout Christendom These two laws are 1 the Holy Law of God and 2 the Ceremonial laws of Moses Scriptures revealed that God gave Moses the instruction to write the Ceremonial laws that were in a book But God wrote his Holy Law the Ten Commandments with his fingers on two tables of stones Then God s Law was place inside the Ark of the Covenant Moses laws were on the outside of the Ark of the Covenant also within the Most Holy Place of the tabernacle on earth This earthly tabernacle was a replica of the Heavenly Sanctuary Moses laws were contained in the hand writings of ordinances as obtained in commandments which consists of sabbath days feasts days holy days and new moon None of which had anything to do with the nature of God s Holy Law that also contains God s holy Sabbath Day which was designed for us in the atmosphere of worship at creation It s these ceremonial laws of Moses that did not make anything perfect These are the same laws which were nailed to the cross and were abolished by Christ death on the cross They were taken out of the way through the recompense of the consequence of sin Eph 2 15 Heb 7 19 Col 2 14 16 Lev 1 1 3 Deut 31 24 26 Not only is the Holy Law of God eternal holy perfect just and good it will stand fast forever and ever It is called the Royal Law Christ did not destroy it but provided it with magnification of its divine purpose God s Law will continue to give the knowledge of sin

because without it there can be no grace Therefore the lingering presence of sin will always be the result of transgressing God's Holy Law James 2:8 Rom 3:20-7:7 Matt 5:7 Heb 9:4 Psalms 19:7-111:7-8 And this is the Gospel Truth of the Bible **A Second Look at the Second Coming** T. L. Frazier, 2005-05-25 Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days The Rapture Bill Vincent, 2023-04-03 Unfortunately most of our modern day teachings on this most important doctrine are misleading to say the very least Bill Vincent has studied for years and now is releasing his findings in this book The Rapture A careful scrutiny of the Scriptures will reveal the truth about the second coming of Christ which we generally refer to as the rapture In The Rapture he has set out to correct the most obvious errors of the pre tribulation doctrine and to establish the basic foundation for understanding the truth of the matter Great care is taken to follow the guidelines of Scripture and the Biblical basis of doctrinal interpretation precept upon precept and line upon line This is the only method of interpretation used in the pages of The Rapture Since God Himself revealed His method of understanding doctrine it is believed by the author to be the best method to use Therefore with Bible in hand follow along with the Scriptures quoted and see if you don't find truth within its pages In The Rapture Bill answers questions that many do not know the answers to Be open and allow this page turner to open up the biggest controversial subject of the rapture of Jesus Christ If you are a lover of truth you will enjoy this very basic presentation of Biblical facts concerning the doctrine of the gathering together of Christ's saints unto Himself THE TRUTH OF THE ORIGIN OF THE UNIVERSE Sabrie Soloman, 2024-06-12 In a world filled with scientific explanations and theories it can be easy to lose sight of the ultimate truth of our existence The truth is that the universe with all its intricate complexities did not come into being by mere chance or a random explosion It was carefully designed and orchestrated by a higher power a Creator who holds everything together When we look up at the night sky and see the countless stars and galaxies stretching out into infinity we cannot help but be in awe of the sheer magnitude and beauty of it all The heavens declare the glory of God as it says in the Bible and remind us of the greatness of the one who made it all The theory of the Big Bang which posits that the universe began as a singular point and expanded over billions of years is a flawed explanation for the origin of the universe It fails to account for the intricate design and order that we see in the cosmos as well as the existence of life on earth The marvel of our planet Earth with its perfect conditions for sustaining life points to a Creator who had a purpose and a plan in mind when he made it The countless galaxies and stars that we observe in the universe are a testament to the power and creativity of God They show us that we are part of a vast and wondrous creation one that was made by an intelligent designer who had a vision for it all The theory of evolution put forth by Charles Darwin is another flawed explanation for the diversity of life on earth It fails to explain the intricate complexities of living organisms and their unique design as well as the existence of the human soul It is clear that we are not the product of blind

chance or random mutations but rather the handiwork of a loving and powerful Creator The truth of the origin of the universe points to a Creator who holds everything together and has a purpose and a plan for it all God stretches out the heavens and allows light to reach us here on earth showing us his care and provision for his creation We are not the product of random chance or blind evolution but rather the cherished creation of a loving God who made us in his image Let us never forget the marvel and wonder of the universe and the greatness of the one who made it all     The Second Coming of Christ Charles William Bridwell,1915     *The Truth about Rapture* Olatunde Olaniyi Ola-Daniel,2023-02-12 Discover all you need to know about the biblical truths about the rapture In the last few years the world has witnessed unprecedented events that were difficult to imagine However the Bible has not left us in darkness concerning all these happenings Unfortunately many Christians are in darkness about the next sets of events coming Gladly the Bible is not silent about the future either The event of Rapture is one of such matters Though Christians are divided about the actual timing of the rapture the Bible is clear on the exact timing The timing of rapture as the Bible puts it has been painstakingly searched out and written in this book Order your copy now and you won t be left with an iota of doubt about the timing of the coming of Christ     One Way, One Truth, One Life Lorne W.P Vanderwoude,2016-06-24 With so many doctrines in the Christian world today finding the truth can be daunting In this collection of personal meditations on several biblical doctrines Lorne W P Vanderwoude seeks to reveal key themes shared by different doctrines and in the process heal the church He challenges readers to study the Bible for themselves and ask the Holy Spirit for direction and reminds us that there is only one truth one way and one life it comes through one person Jesus Christ Jesus can inspire people to grow their own faith rather than live the faith of others One Way One Truth One Life invites readers of Christian and non Christian faith who have the desire to join in the journey and hear the story of Christ     Herald of Truth ,1836     **Dispensational Truth** Clarence Larkin,2021-07-27 Dispensational Truth is the Rev Clarence Larkin s famous book on dispensationalism with his beautifully drawn black and white charts A must have book for any student of dispensationalism the book contains more than 115 charts maps and drawings The result of thirty years of study Dispensational Truth is a gold mine of information on prophetic truth for the busy pastor evangelist Bible teacher and everyone who loves God s Word In fact Larkin s charts have been called the gold standard of pre tribulation knowledge A trained draftsman Larkin diagrammed what he read during his Bible studies From his drawings and charts the study of God s Word has enriched generations of those who seek illumination and clarification regarding history prophecy and the future of mankind This book has sold thousands of copies since it was first published in 1920

Dispensational Truth Larkin, Clarence, DISPENSATIONAL TRUTH OR GOD S PLAN AND PURPOSE IN THE AGES BY CLARENCE LARKIN This edition reproduces the numerous illustrations maps and linked charts in full size so that all text is legible There are two sets of charts one in the book and another that is linked to the web Rev Clarence Larkin 1850 1924 was an American Baptist pastor Bible teacher and author whose writings on Dispensationalism had a great impact on

conservative Protestant visual culture in the 20th century His intricate and influential charts provided readers with a visual strategy for mapping God's action in history and for interpreting complex biblical prophecies Larkin's major publications were *Dispensational Truth or God's Plan and Purpose in the Ages* *Rightly Dividing the Word* *The Book of Daniel* *Spirit World* *Second Coming of Christ* and *A Medicine Chest for Christian Practitioners* a *Handbook on Evangelism* *Dispensational Truth or God's Plan and Purpose in the Ages* contains dozens of charts and hundreds of pages of descriptive matter He spent three years designing and drawing the charts and preparing the text which remains in print It is a thoroughgoing defense of premillennialist dispensationalism that draws on the major themes found in the works of figures like C I Scofield William Eugene Blackstone and John Nelson Darby Because *Dispensational Truth* had a large and wide circulation the first edition was soon exhausted It was followed by a second edition and then realizing that the book was of permanent value Larkin revised it and expanded it printing it in its present form of over 300 pages Larkin followed this with other books *Rightly Dividing the Word* *The Book of Daniel* *Spirit World* *Second Coming of Christ* and *A Medicine Chest for Christian Practitioners* a handbook on evangelism Like C I Scofield he postulated seven separate dispensations the current being the Dispensation of Grace Church Dispensation Ecclesiastical Dispensation or Parenthetical Dispensation This position held that the church age filled a gap in the timeline of biblical prophecy

**The Quest For Truth** Michael Dedivonai,2012-08 This book is for the reader who takes interest in an age old issue that remains contemporary with every succeeding generation When how and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate Free from the shackles and bias imposed by the various schools of religious scientific and philosophical thought the examinations offered herein are rooted in systematic analyses of the scientific philosophical ethical social and finally the religious which in turn allows for the explanation and justification of concepts that enable the reader to adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions Our age is accurately referred to as the age of advancement and technology and for good reason The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence As a result of the significant expansion of the sciences the desire for an understanding of self and simply of why has in many ways been diluted thus negating the never ending questions that once tugged at man s conscious in the middle of the night for thousands of years Today s amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations however coupled with that are the problems of population explosion which in the not too distant future will give rise to serious concerns We have the ability to harness the power of the atom yet along with it comes the ability to destroy all that we hold sacred Taking into consideration the advanced age we live in how does one account for the remarkable complexity extant throughout the known universe Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to random chance alone The law of causation deals with the need for a preceding event leading to the outcome and despite the fact that this scientific age has left its handprint on every facet of life today it has failed to satisfy the innate question of simply why

**THE EXCITING TRUTH ABOUT THE END-TIMES** B. Vincent Shelton,2014-10-29 The prophets of old warned that certain key end time prophecies wouldn t be revealed until the time of the end For centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events Hence much of our teaching about the latter days is not strongly supported by scripture Well finally the the time of the end has come Today we can scripturally prove the answers to questions like Will the

Rapture of the Church occur before during or after The Great Tribulation Period Will the Beast really be a man Will the Door of Salvation still be open when the tribulation period ends Who or what are the two hundred million killer horsemen in John s vision Is our interpretation of end time prophecy emotionally obscured The scripturally sound answers to these questions will likely surprise you      *Schnell Astronomy* Albert Frederick Schnell,1909
