Pas,2006-01-13 Taoism the set of philosophical teachings and religious practices rooted in the understanding of the Chinese character Tao or The Way was founded by the Chinese philosopher Laozi in the 6th Century BCE whose work the Tao Te Ching The Book of the Way and its Virtue laid the philosophical foundation for the religion s beliefs This volume starts as it should with a detailed chronology of Taoism and its relationship both to China and other teachings The introduction inserts it further in this basic context Then the dictionary section consisting of several hundred cross referenced entries provides a more detailed treatment of significant persons nonpersons gods and demons concepts practices rituals scriptures and schools The bibliography suggests further reading      **Art and Architecture of the World's Religions** Leslie D. Ross,2009-06-04 Two abundantly illustrated volumes offer a vibrant discussion of how the divine is and has been represented in art and architecture the world over Beginning with the ancient worlds of Mesopotamia Egypt Greece and Rome and moving forward through time Art and

Architecture of the World's Religions explores the major faiths from countries and continents around the globe helping readers better understand the creations their beliefs have inspired After tracing the history and development of a religion the book provides a general overview of its principal beliefs and key practices It then offers specific examples of how works of art architecture reflect that religion's values The focus of each chapter is on the temples churches and religious buildings statues paintings and other works of art and architecture created by believers Each representative work of art or architecture is examined in terms of its history materials symbols colors and patterns as its significance is explained to the reader With extensive illustrations these volumes are the definitive reference work on art and architecture of the world's religions

**Spirits in Transcultural Skies** Niels Gutschow, Katharina Weiler, 2014-11-26 The volume investigates the visualization of both ritual and decorative aspects of auspiciousness and protection in the form of celestial characters in art and architecture In doing so it covers more than two and a half millennia and a broad geographical area documenting a practice found in nearly every corner of the world Its transcultural approach aims at gaining insights into cultural dynamics and consistent networks and defining new historical mindmaps it examines reciprocal effects and aspects of interwovenness in art and architecture with a view to reconceptualizing their established realms The collection opens a window on a phenomenon in the history of art and architecture that has never before been considered from this perspective The book focuses on a transcultural iconography of aerial spirits goddesses and gods in art history pursuing a methodologically innovative approach in order to redefine and develop the practice of identification and classification of motifs as a means to understanding meaning and attempting to challenge the categories defined by academic disciplines

*China's Living Houses* Professor and Chairman Department of Geography Ronald G Knapp, Ronald G. Knapp, 1999-01-01 It has been said that for the Chinese a house is a living symbol one endowed with meaning and the result of conscious action China's Living Houses is the first book in any language to explore comprehensively the extraordinarily complex links among folk beliefs and household ornamentation across time space and social class Well written and copiously illustrated it reveals dwellings as dynamic entities that express the vitality of Chinese families as each journey through life

*The Fountainhead of Chinese Erotica* Charles R. Stone, 2003-03-31 The Lord of Perfect Satisfaction Ruyijun zhuan a short work of fiction from the early sixteenth century tells the story of the Tang dynasty's notorious Wu Zetian the only woman to rule as emperor of China It is famous not for the history it relates but for its graphic sexual descriptions the first ever in a Chinese novel purportedly given from a woman's point of view Despite its renown and unmistakable influence on later writing the origins and significance of the Ruyijun zhuan have never been explored in any language and until now it has never been translated Its date of composition is unknown its author unidentified One of its earliest appraisals written by a contemporary scholar known for his conservatism maintains that the Ruyijun zhuan is a moral work notwithstanding its sexual content Combining a complete translation with a detailed and far ranging study of the text The Fountainhead of Chinese Erotica places this important

cultural document into historical context and offers possibilities on its meaning      **The World of Khubilai Khan** James C. Y. Watt, 2010 Published in conjunction with an exhibition held at the Metropolitan Museum of Art New York Sept 28 2010 Jan 2 2011      Historical Dictionary of Taoism Julian F. Pas, 1998-06-04 Taoism is often described as the smallest and least known of China's historical Three Teachings which also include Confucianism and Buddhism This book provides a readable overview while simultaneously giving sufficient detail about the intricate and beautiful complexities of Taoism A lengthy introduction deals with the historical development of Taoism including its current situation within the world It outlines the basic teachings concepts and writings and also describes their historical significance It also presents viewpoints on the crucial debate concerning whether Taoism is a religion a philosophy or both The dictionary section of the book presents the concepts persons rituals beliefs and historically significant events of Taoism in great detail The entries move fluidly between current teachings in Taoism and their historical antecedents Also included is a helpful chronology of Taoist history as well as notes on the romanization of Chinese This book should not be overlooked by those who want a full study of this influential philosophical system      Chinese Art in Detail Carol Michaelson, Jane Portal, 2006 Drawing on the British Museum's extensive collection this book explores the traditional hierarchy of materials and techniques reaching back as far as the Han Dynasty in the third century BC In the history and character of the works under scrutiny this sumptuously illustrated book conveys an understanding of Chinese art in all its great variety      Inventing Afterlives Regina M. Janes, 2018-07-31 Why is belief in an afterlife so persistent across times and cultures And how can it coexist with disbelief in an afterlife Most modern thinkers hold that afterlife belief serves such important psychological and social purposes as consoling survivors enforcing morality dispensing justice or giving life meaning Yet the earliest and some more recent afterlives strikingly fail to satisfy those needs In *Inventing Afterlives* Regina M. Janes proposes a new theory of the origins of the hereafter rooted in the question that a dead body raises where has the life gone Humans then and now in communities and as individuals ponder what they would want or experience were they in that body From this endlessly recurring situation afterlife narratives develop in all their complexity variety and ingenuity Exploring afterlives from Egypt to Sumer among Jews Greeks and Romans to Christianity's advent and Islam's rise Janes reveals how little concern ancient afterlives had with morality In south and east Asia karmic rebirth makes morality self-enforcing and raises a new problem how to stop re-dying The British enlightenment Janes argues invented the now widespread wish-fulfilling afterlife and illustrates how afterlives change She also considers the surprising afterlife of afterlives among modern artists and writers who no longer believe in worlds beyond this one Drawing on a variety of religious traditions contemporary literature and film primatology cognitive science and evolutionary psychology Janes shows that in asking what happens after we die we define the worlds we inhabit and the values by which we live
