The Tibetan Book of the Dead Graham Coleman, Thupten Jinpa, 2008-11-06 The acclaimed English translation of this masterpiece of world literature prepared with the participation of the Dalai Lama. One of the greatest works created by any culture and one of the most influential of all Tibetan Buddhist texts in the West. The Tibetan Book of the Dead has had a number of distinguished translations but strangely all of these have been partial abridgements. Now the entire text has not only been made available in English but in a translation of quite remarkable clarity and beauty. A comprehensive guide to living and dying. The Tibetan Book of the Dead contains exquisitely written guidance and practices related to transforming our experience in daily life, on the processes of dying and the after death state, and on how to help those who are dying. As originally intended, this is as much a work for the living as it is for those who wish to think beyond a mere conventional lifetime to a vastly greater and grander cycle. Extraordinary, this work will be a source of inspiration and support to many. His Holiness the Dalai Lama. **Cosmologies of Pure Realms and the Rhetoric of Pollution** Yohan Yoo, James W.

Watts, 2021-05-30 This collaboration between two scholars from different fields of religious studies draws on three comparative data sets to develop a new theory of purity and pollution in religion, arguing that a culture's beliefs about cosmological realms shape its pollution ideas and its purification practices. The authors of this study refine Mary Douglas's foundational theory of pollution as matter out of place using a comparative approach to make the case that a culture's cosmology designates which materials in which places constitute pollution. By bringing together a historical comparison of Ancient Near Eastern and Mediterranean religions, an ethnographic study of indigenous shamanism on Jeju Island, Korea, and the reception history of biblical rhetoric about pollution in Jewish and Christian cultures, the authors show that a cosmological account of purity works effectively across multiple disparate religious and cultural contexts. They conclude that cosmologies reinforce fears of pollution and also that embodied experiences of purification help generate cosmological ideas. Providing an innovative insight into a key topic of ritual studies, this book will be of vital interest to scholars and graduate students in religion, biblical studies, and anthropology. **"He Descended to the Dead"** Matthew Y. Emerson, 2019-12-24

The descent of Jesus Christ to the dead has been a fundamental tenet of the Christian faith, as indicated by its inclusion in both the Apostles' and Athanasian Creeds. But it has also been the subject of suspicion and scrutiny, especially from evangelicals. Led by the mystery and wonder of Holy Saturday, Matthew Emerson offers an exploration of the biblical, historical, theological, and practical implications of the descent. Peros,2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him **The**
