Street Church, Dundee.)**

## **Reason And Revelation:**

**Reason and Revelation. Being an Examination into the nature and contents of Scripture Revelation as compared with other forms of truth** William HORNE (Minister of Lindsay Street Church, Dundee.),1876      **Reason and Revelation** William Horne,1876      **Revelation and Reason** Emil Brunner,1946 To many people both inside the Church and outside it what goes on in the Church is either routine or irrelevant Consequently what the Church has to say is not very meaningful Why should people listen to what the Church has to preach and think about it No one is better qualified to answer this question than Professor Emil Brunner Dr Brunner is a teacher of theology in the University at Zurich Switzerland and one of the clearest and most constructive religious thinkers of our day Any book of his is an event because he succeeds so well in combining sound learning with persuasive and readable analysis and because he is thoroughly acquainted with both American and Continental ways of thinking In this book Dr Brunner sets the claim of the widespread intellectual relativism of contemporary culture He seeks to show that both Catholic and secular thought misunderstand the relations between reason and revelation because revelation is always subordinated to reason Brunner reverses the position He goes back to the Bible and the Reformers and maintains that when reason is subordinated to revelation the preaching of the Gospel is at once true to itself and intelligible Here is a forceful and thorough volume which helps both believers and unbelievers to understand themselves Publisher      **Revelation and Reason in Christian Theology** Christopher C. Green,David I. Starling,2018-07-11 Do revelation and reason contradict Throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist's words In your light we see light Ps 36 9 The light of faith does not obscure truth rather it enables us to see truth      **Reason and Revelation** Robert Milligan,1868

Arberry,2013-02-01 The Scholastic Problem was the focus of much debate in Islam for some centuries before it became the chief crux of learned discussion in medieval Christianity When originally published in 1957 this volume was the first survey of the subject to appear in English It reviews the conflict within Islam between Revelation and Reason and examines the attempts made by theology philosophy mysticism and authoritarianism to resolve the dilemma      **Reason and Revelation** William Horne,2017-05-20 Excerpt from Reason and Revelation Being an Examination Into the Nature and Contents of Scripture Revelation as Compared With Other Forms of Truth Tm difficulty attending any investigation of the question regarding the mode in which spiritual truth is what is termed revealed to man cannot be exaggerated It has been maintained on the one hand that there has been spiritual truth among men apart from what many are in the habit of regarding as a special revelation of it and on the other it is asserted that all such spiritual knowledge is derived by tradition from some original special revelation possibly from the Jewish There are facts that have been held as countenancing both theories In the remains of ancient mythologies as well as in present religions other than the Christian points of elevation rising apparently to the height of genuine spiritual insight into spiritual truth have been reached by seemingly independent means While again mingled with these are to be found striking resemblances to many narrative portions of the Jewish and Chris tian revelations forcibly suggesting to many minds some actual connection of the one with the other But a more painstaking investigation of primitive forms Of\_ thought especially by means of comparative religion and comparative philology has overthrown much that was formerly considered to give likelihood to both explanations About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Reason and Revelation, Or, The Province of Reason in Matters Pertaining to Divine Revelation Defined and Illustrated, and the Paramount Authority of the Holy Scriptures Vindicated** Robert Milligan,1975      *Reason & Revelation* John Richardson Illingworth,1903      **Reason and Revelation** ,2020-04-16      **Leo Strauss and the Theologico-Political Problem** Heinrich Meier,2006-12-25 This book by one of the most prominent interpreters of Leo Strauss s thought was the first to address the problem that Leo Strauss himself said was the theme of his studies the theologico political problem or the confrontation with the theological and the political alternative to philosophy as a way of life In his theologico political treatise which comprises four parts and an appendix Heinrich Meier clarifies the distinction between political theology and political philosophy and reappraises the

unifying center of Strauss's philosophical enterprise The book is the culmination of Meier's work on the theologico political problem It will interest anyone who seeks to understand both the problem caused by revelation for philosophy and the challenge posed by political religious radicalism The appendix makes available for the first time two lectures by Strauss that are immediately relevant to the subject of this book and that will open the way for future research and debate on the legacy of Strauss

*Reason and Revelation* R. Milligan, 2015-07-09 Excerpt from Reason and Revelation Or the Province of Reason in Matters Pertaining to Divine Revelation Defined and Illustrated and the Paramount Authority of the Holy Scriptures Vindicated It is painful to see the popular indifference that is everywhere manifested for the Word of God I do not mean to say with some that this indifference is increasing or that it is even as great now as it was a hundred years ago I am fully persuaded that it is not Indeed I feel entirely confident that the Holy Scriptures had never before so great an influence over the masses of mankind as they have at present But nevertheless their influence is very little in comparison with what it ought to be Very few persons seem to believe the Bible with their whole hearts And hence but few tremble at its solemn precepts and warnings very few seem to feel and to acknowledge its paramount claims and authority Most unconverted men have of course but little regard for it and even in the Church its laws and its institutions are by many treated with more indifference than the petty rules and regulations of a borough police About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving
