The Professionalization of Pastoral Care T. Dale Johnson Jr.,2020-07-21 When the organization and structure of the church in America was altered in the early 1900s to meet modern demands the role of the pastorate became more specialized to adapt to the burdens of the new efficient structure In 1920 Gaines Dobbins utilized the business efficiency model at Southern Baptist Theological Seminary to formulate a distinct ecclesiology Discontent with traditional methods of instruction in theological education Dobbins sought to implement theories and methodologies from modern educationalists He adopted a psychologized educational methodology and utilized the psychology of religion as an empirical measure of the soul human nature and human behavior Use of the social sciences seemed to grant Dobbins as a practitioner academic respectability within the realm of theological education Both the professionalization that resulted from Dobbins s efficiency standards and a working theory of human nature derived from psychological models were synthesized into a specialized system of pastoral care Dobbins followed the new shape of pastoral theology in America adopting Clinical Pastoral Education CPE as the model for pastoral training As a result CPE became an integral part of the curriculum at Southern Baptist Theological Seminary for over sixty years and spread to influence many other SBC entities **Basic Types of Pastoral Care & Counseling** Howard Clinebell,2011-08-01 Basic Types of Pastoral Care and Counseling remains the standard in pastoral care and counseling This third edition is enlarged and revised with updated resources methods exercises and illustrations from actual counseling sessions This book will help readers be sensitive to cultural diversity ethical issues and power dynamics as they practice holistic growth oriented pastoral care and counseling in the parish **Theology and Pastoral Counseling** Deborah van Deusen Hunsinger,1995 This volume lays out an important new interdisciplinary approach to the relationship between theology and psychology in the work of pastoral counseling setting forth a method emerging from a Barthian theological perspective

Moore,2025-03-04 Why is marriage so challenging for many couples The answer to this loaded question is not merely emotional in nature it is developmental Most marriage improvement books focus on the need to change behaviors to change the relationship However what is usually lacking is the emphasis on personal transformation that is required for lasting progress Marriage and Maturity seeks to fill that gap by offering a new perspective on the missing link in marital fulfillment Topics include understanding marital maturity vs immaturity trauma healing and marital distress caveats regarding pastoral counseling challenging the happy wife happy life principle why adultery is not a sufficient basis for divorce and strategies for developing marital maturity Marriage and Maturity is sure to challenge views on the traditional approaches to this coveted relationship This book is for everyone who is hoping to get married is already married or is counseling married couples Real Reasons Rulers Resist Replacement Emmanuel Oghenebrorhie,2011-05-02 This is the first of a two part series which outlines the real reasons rulers would not readily subscribe to giving up their positional power authority and relevance Only those who are honest and had occupied such positions would understand the plight of the acclaimed bad ruler whom citizens insist must quit It is one of the most difficult things for the human nature to comprehend and agree to implement at his expense All those clamouring for the replacement of the ruler know their heart hidden reasons above the tenable reasons they give and defend stoutly for such insistence Rather than rubbish them rulers under pressure to quit or who have even quit should be pitied because they are living a nightmare every minute they spend outside the throne which they once enjoyed Most times ousted rulers feel better dead than alive to adjust to regular lifestyle in the same domain in which they once ruled and reigned Enjoy a happy reading Solution-Focused Pastoral Counseling Charles Allen Kollar,2010-06-15 This groundbreaking book now updated and expanded furthers its original effective time saving approach that benefits pastors overtaxed by counseling demands Dr Charles Kollar presents a departure in pastoral counseling showing that counseling need not be long term or depend on psychological manipulation to produce dramatic results In most cases the solution lies with the counselees themselves Using the tested methods found in Solution Focused Pastoral Counseling pastors apart from counselors will be well equipped to help their counselees discover a solution and put it in motion speedily and productively SFPC is short term typically one to five sessions in which the counselor seeks to create solutions with not for the counselee The focus is on the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive The goal is healthy change sooner rather than later by helping the counselee see and work on the solution with God s activity already present in his or her life The solution focused approach does not require the counselor to be a highly trained psychological expert It requires biblically based sensitivity and common sense Yet this approach also recognizes its

limitations and understands that there are situations in which other professional and or medical help is required
