Reasonable Christianity:

Reasonable Christianity John Rendle-Short,1991 Dr John Rendle Short writes When I was a student I could talk to fellow students about Christianity and assume their basic viewpoints were much the same as mine They believed in God and in goodness and badness But that whole scenario is past gone finished never to return Now when presenting Christianity to twentieth century men and women we can no longer assume they have any knowledge of God Jesus or the Bible Yet Christianity is reasonable in the basic popular sense of the work it is intensely practical and satisfying to the mind Everything has its correct place All the shapes fit into the puzzle This book is addressed firstly to atheists and agnostics to outline for them the essentials of Christianity I assume nothing no beliefs just an open mind Secondly the book is for Christians so that they may understand the reason for the hope that is in them and pass it on to their no Christian friends Dr John Rendle Short sets out to demonstrate that Christianity is reasonable i e not past the limit of reason and his aim is achieved Highly recommended The Messenger The author has done a very good job of reaching thinking people not just academics but many others who are prepared to face issues objectively I recommend this work highly [A Reasonable Christianity](#) Laurentine Hamilton,1881 **Reasonable Christianity** Henry Hammond,C. Matthew McMahon,2015-07-27 The Christian must have an intellectual handle on everything that comes up against the Christian faith in order to glorify Jesus Christ as a faithful witness to the truth The Christian must be able as St Peter exhorts to give an answer for the faith which lies within him That means he must be aware of arguments against the Christian faith to some extent and have some knowledge on everything that comes against Christian truth So how ready are you The goal of this apologetical work by Henry Hammond is very simple It was written to show the rationality of the Christian religion against the accusations that Christianity is irrational Atheists in every age believe that Christianity is irrational and that Christians just believe things on blind faith To the atheist blind faith believes in fairy tales for the sake of believing in fairy tales Here is where Hammond s arguments are astoundingly helpful and will allow the Christian to arm themselves with some of the best Biblical material in print to overthrow atheism This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions [The Reasonableness of Christianity](#) Douglas Clyde Macintosh,1925 [Reasonable Faith \(3rd edition\)](#) William Lane Craig,2008-06-09 Perfect as a textbook yet excellent for lay readers this updated edition builds a positive case for Christianity by applying the latest thought to core theological themes J Gresham Machen once said False ideas are the greatest obstacles to the reception of the gospel which makes apologetics that much more important Wanting to engage not just academics and pastors but Christian laypeople and seekers William Lane Craig has revised and updated key sections in this third edition of his classic text to reflect the latest work in astrophysics philosophy probability calculus the arguments for the existence of God and Reformed epistemology His approach that of positive apologetics gives careful attention to crucial questions and concerns including the relationship of faith and reason the existence of God the problems of historical

knowledge and miracles the personal claims of Christ and the historicity of the resurrection of Jesus He shows that there is good reason to think Christianity is true As Craig says If you have a sound and persuasive case for Christianity you don't have to become an expert in comparative religions and Christian cults A positive justification of the Christian faith automatically overwhelms all competing world views lacking an equally strong case

A Reasonable Response William Lane Craig, Joe Gorra, 2013-09-01 Followers of Jesus need not fear hard questions or objections against Christian belief In A Reasonable Response renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed including Why does God allow evil How can I be sure God exists Why should I believe that the Bible is trustworthy How does modern science relate to the Christian worldview What evidence do we have that Jesus rose from the dead Utilizing real questions submitted to his popular website ReasonableFaith.org Dr Craig models well reasoned skillful and biblically informed interaction with his inquirers A Reasonable Response goes beyond merely talking about apologetics it shows it in action With cowriter Joseph E Gorra this book also offers advice about envisioning and practicing the ministry of answering people's questions through the local church workplace and in online environments Whether you're struggling to respond to tough objections or looking for answers to your own intellectual questions A Reasonable Response will equip you with sound reasoning and biblical truth

The Enlightenment Dorinda Outram, 1995-09-28 This major new textbook introduces both the concepts and the contexts of the Enlightenment to students of eighteenth century history

The Trinity Roger E. Olson, Christopher Alan Hall, 2002 The premier volume in an exciting new series of guides to the core beliefs of the Christian faith The Trinity provides beginning theology readers with a basic knowledge of the doctrine of God's triune nature Concise nontechnical and up to date the book offers a detailed historical and theological description of the doctrine of the Trinity tracing its development from the first days of Christianity through the medieval and Reformation eras and into the modern age Special attention is given to early church controversies and church fathers who helped carve out the doctrine of the triune God as well as to its twentieth century renaissance The second half of the book contains a detailed annotated bibliography of all major books written about the Trinity

A Reasonable Faith Rubens Ruba, 2011-03-18 Christians are often accused of having blind faith Looking at various questions relating to apologetics the author attempts to make the case that Christianity is unique and stands the test of rational and reasonable arguments There is no conflict between faith and

reason He answers objections relating from Science the reliability of the Bible to the arrogant accusation that Christ is the only way Whether you are investigating Christianity for the first time or whether youre a Christian whos wondering how to respond to objections skeptical friends raise this book gives helpful guidance **Christianity and agnosticism: reviews of some recent attacks on the Christian faith** Henry Wace,1895 The First Christian Historian Daniel Marguerat,2002-09-05 As the first historian of Christianity Luke s reliability is vigorously disputed among scholars The author of the Acts is often accused of being a biased imprecise and anti Jewish historian who created a distorted portrait of Paul Daniel Marguerat tries to avoid being caught in this true false quagmire when examining Luke s interpretation of history Instead he combines different tools reflection upon historiography the rules of ancient historians and narrative criticism to analyse the Acts and gauge the historiographical aims of their author Marguerat examines the construction of the narrative the framing of the plot and the characterization and places his evaluation firmly in the framework of ancient historiography where history reflects tradition and not documentation This is a fresh and original approach to the classic themes of Lucan theology Christianity between Jerusalem and Rome the image of God the work of the Spirit the unity of Luke and the Acts **Handbook of Global Contemporary Christianity** ,2015-03-20 The Handbook of Global Contemporary Christianity Themes and Developments in Culture Politics and Society maps the transformations as well as the continuities of the largest of the major religions engaging with the critical global issues which relate to the faith in a fast changing world International experts in the area offer contributions focusing on global movements regional trends and developments Christianity the state politics and polity and Christianity and social diversity Collectively the contributors provide a comprehensive treatment of health of the religion as Christianity enters its third millennium in existence and details the challenges and dilemmas facing its various expressions both old and new The volume is a companion to the Handbook of Contemporary Global Christianity Movements Institutions and Allegiance Christian Examiner and Theological Review ,1861 Between Secularization and Reform Anna Tomaszewska,2022-08-22 Between Secularization and Reform Religion in the Enlightenment provides a critical reappraisal of the idea that the Enlightenment is at the headwaters of secularization Contributors analyze early modern religious controversies the significance of faith in national contexts clandestine philosophy varieties of rational religion and the intermingling of heterodoxy with unbelief in the writings of key thinkers and less famous figures The volume encourages revisiting descriptions of the Age of Lights that use such categories as moderate radical and religious secular Picturing the deep transformation undergone by religion in the Enlightenment it draws a thin line between religious reforms and attempts to eliminate religious faith from the public sphere and individuals lives Contributors Jeffrey D Burson Dominic Erdozain Hasse H m l inen Wojciech Kozyra Ian Leask Diego Lucci Gianni Paganini Stephen R Palmquist Mathias Sonnleithner Anna Tomaszewska Damien Tricoire and Wiep van Bunge *Piety and Humanity* Douglas Kries,1997 The nature of the relationship between early modern political philosophy and revealed religion has been

much debated The contributors to Piety and Humanity argue that this relationship is one of dissonance rather than concord They claim that the early modern political philosophers found revealed religion especially Christianity to be a threat to the modern political project and that these philosophers therefore attempted to transform revealed religion so that it would be less of a threat and possibly even an aid Each essay is devoted to a particular work by a single political philosopher the thinkers and works discussed include Machiavelli s Exhortation to Penitence Francis Bacon s New Atlantis Spinoza s Theologico Political Treatise and Locke s Reasonableness of Christianity Each essay is followed by a brief selected bibliography This book will be of great importance to philosophers political theorists and scholars of religion and early modern European history *Being a Christian in Sri Lanka* Leonard Pinto,2015-07-14 Most people know something about their own religions That knowledge is usually restricted to what is going on at the present time When it comes to how their religions developed in their countries their knowledge is on shakier grounds As for religion in foreign lands well for many that information is nonexistent Author Leonard Pintos *Being a Christian in Sri Lanka Historical Political Social and Religious Considerations* is a critique based on the observations and experience of a Sri Lankan Christian Pinto shares the history and importance of religion in his native land Youll learn about Portuguese Dutch and British rule in the country formerly known as Ceylon and how each affected religion there Pinto dispels popular views about how ruling countries dealt with Christianity and other religions and with those who practiced them Youll learn how religion is practiced today from someone who lives it firsthand Pintos book goes beyond the boundaries of Sri Lanka in assessing the problems faced by Christianity from the corrosive effects of the Age of Enlightenment In *Being a Christian in Sri Lanka Historical Political Social and Religious Considerations* Pinto comes to the conclusion Sri Lanka would benefit from a Sri Lankan national identity for all its citizens Hegemony based on ethnicity and religion is dissuaded Youll also find Pintos conclusions relevant to other countries **The Christian Religion** P. Gardner-Smith,F. C. Burkitt,C. E. Raven,2014-10-23 Originally published in 1930 this book contains the last of three volumes on the origin and progress of the Christian faith from its origins in Judaism until the early twentieth century Volume three reviews the current status of Church doctrine and methods of worship particularly in England and examines the Church s on going tasks in the world with particular reference to other religions This book will be of value to anyone with an interest in the history of Christianity and the Church s role in the lives of its devotees **Handbook of the Early Christian Fathers** Ernest Leigh-Bennett,1920 **Edinburgh Critical History of Nineteenth-Century Christian Theology** Daniel Whistler,2017-10-23 Bridges the gap between Plutarch Studies and Achaemenid Studies through analysis of key texts
