into congregational life I recommend this book for pastors as well as other church leaders Tom Ascol PhD executive director Founders Ministries Christians in America today especially evangelicals suffer from a damaging lack of connection to the cloud of witnesses who have preceded us in Christian history I am happy to commend Dr Dayton Hartman's readable introduction to church history for pastors who will surely be the key players in teaching Christians about the riches of the church's past Thomas S Kidd PhD professor of history Baylor University Over the past decade I have taught church history to over a thousand seminarians and college students Many of them have raised questions about whether or not church history is really useful for pastors and other ministers While I make regular pastoral application in the classroom I have yet to find a good book to point students to that weaves church history and practical ministry I'm grateful that pastor historian Dayton Hartman has written this book it fills an important gap and answers many of the questions my students are asking I hope Church History for Modern Ministry is widely read and leads more pastors and other ministry leaders to mine the depths of Christian history for contemporary spiritual flourishing Nathan Finn PhD dean of the School of Theology and Missions Union University All pastors and Christian teachers can greatly benefit from a solid knowledge of church history And the best place to start is with Dayton Hartman's book Church History for Modern Ministry This helpful book presents the key content of church history in a clear concise and careful manner Yet the book is also distinct in reflecting careful theological ideas in a readable and sometimes humorous way I endorse this book and its author to all readers Kenneth R Samples senior research scholar Reasons to Believe Church History for Modern Ministry is a lighthearted yet serious look into the value of Christian history for contemporary ministry Knowing the past helps ministers respond to future events with practical wisdom and theological depth Hartman frames historical and theological developments with the expertise of a historian and the disposition of a pastor while introducing us to saints of old along the way Walter Strickland II special advisor to the president for diversity instructor of theology Southeastern Baptist Theological Seminary Cloaked in skinny jeans coiffed with a faux hawk and possessed by a sense of humor and engaging style Dayton Hartman invites his tribe pastors to visit the foreign country that is the church's past An able guide Hartman gives an introductory tour that will surely inspire his group to visit again and again and to appreciate value and dialogue with church history as they press on to lead the people of God today Edward L Smither PhD dean of the College of Intercultural Studies Columbia International University author of Augustine as Mentor This book is like most of my favorite books short enjoyable and surprisingly practical Hartman has provided an easy to read primer on the need and relevance of church history for our modern day ministry This book is anything but dry and Hartman writes in a way that is relatable refreshingly accessible and immediately helpful I was challenged by my own distance from the church of the past and encouraged to close that gap as a result of this work Read it enjoy it and put these exhortations to use for the glory of God and the good of His church Brian Davis hip hop artist God's Servant Lamp Mode Recordings pastor church planter Risen Christ Fellowship Philadelphia PA **Not Just Science** Zondervan, 2009-08-30 This

book argues that it is possible for our study of the natural world to enhance our understanding of God and for our faith to inform and influence our study and application of science Whether you are a student someone employed in the sciences or simply an interested layperson Not Just Science will help you develop the crucial skills of critical thinking and reflection about key questions in Christian faith and natural science The contributors provide a systematic approach to both raising and answering the key questions that emerge at the intersection of faith and various disciplines in the natural sciences Among the questions addressed are the context limits benefits and practice of science in light of Christian values Questions of ethics as they relate to various applied sciences are also discussed The end goal is an informed biblical worldview on both nature and our role in obeying God s mandate to care for his creation With an honest approach to critical questions Not Just Science fills a gap in the discussion about the relationship between faith and reason This is a most welcomed addition to these significant scholarly conversations Ron Mahurin PhD Vice President Professional Development and Research Council for Christian Colleges Universities **The Christian Librarian** ,1995
