In God's Arms is a true story of a woman who suffered abuse shame and low self esteem but miraculously overcame by searching for a God who loved her a God who loved her and never gave up on her She gives practical ways in a refreshing honest approach on what you can do to be free of the pain from your past and have unbelievable joy beyond all understanding a joy that never leaves you or forsakes you through Jesus Christ Her heart wrenching story shows us that no matter what life has brought you you can overcome because In God's Arms you find His love and healing power *God Gave Rock and Roll to You* Leah Payne,2024-01-04 An entertaining history of the soundtrack of American evangelical Christianity Few things frightened conservative white Protestant parents of the 1950s and the 1960s more than thought of their children falling prey to the menace to Christendom known as rock and roll The raucous sounds of Elvis Presley and Little Richard seemed tailor made to destroy the faith of their young and in the process undermine the moral foundations of the United States Parents and pastors launched a crusade against rock music but they were fighting an uphill battle Salvation came in a most unlikely form Well maybe not that unlikely the long hair the beards the sandals but still a far cry from the buttoned up conservative Protestantism they were striving to preserve Yet when a revival swept through counterculture hippie communities of the West Coast in the 1960s and 1970s a new alternative emerged Known as the Jesus Movement and its members more colloquially as Jesus freaks the revival was short lived But by combining the rock and folk music of the counterculture with religious ideas and aims of conservative white evangelicals Jesus freaks and evangelical media moguls gave birth to an entire genre known as Contemporary Christian Music CCM By the 1980s and 1990s CCM had grown into a massive multimillion dollar industry Contemporary Christian artists were appearing on Top 40 radio and some most famously Amy Grant crossed over into the mainstream And yet today the industry is a shadow of what it once was In this book Leah Payne traces the history and trajectory of CCM in America and in the process demonstrates how the industry its artists and its fans shaped and continue to shape conservative mostly white evangelical Protestantism For many outside observers evangelical pop stars interpretive dancers puppeteers mimes and bodybuilders are silly expressions of kitsch Yet Payne argues that these cultural products were sources of power meaning and political activism Throughout she draws on in depth interviews with CCM journalists publishers producers and artists as well as archives sales and marketing data fan magazines merchandise everything that went into making CCM a thriving subculture Ultimately Payne argues CCM spurred evangelical activism in more potent and lasting ways than any particular doctrine denomination culture war or legislative agenda had before **Walk** Mark Moring,2003 Well known artists share Bible based advice with devotional addresses about topics such as weight grades and points to Scripture for answers *The Billboard Guide to Contemporary Christian Music* Barry Alfonso,2002 Chronicling the amazing rise of this genre from its gospel roots to today's diverse musical sound this guide offers a complete capsule encyclopedia of Contemporary Christian artists as well as an introduction to the music form 40 illustrations *The Shelter of God's Promises Bible Study Participant's Guide* Sheila Walsh,2011-02-07 In a world of

uncertainty pain and struggle where do you find solid assurance and unshakeable truth In The Shelter of God s Promises a ten session small group Bible study gifted Bible teacher and inspiring speaker Sheila Walsh searches Scripture for what God has promised us what God s promises mean and how those promises provide the foundation for daily confidence joy and hope Through vulnerable storytelling and powerful in depth teaching Sheila offers a life changing study on ten bedrock promises of God to help you gain a trust in Him that will sustain you for a lifetime The Shelter of God s Promises Participant s Guide includes individual and group activities between session personal studies and additional material that will enhance your experience of the video sessions Sessions include The Promise of Jesus The Promise of Provision The Promise of Peace The Promise of Confidence The Promise of Love The Promise of Grace The Promise of Hope The Promise of Strength The Promise of More The Promise of Home Designed for use with The Shelter of God s Promises DVD 9780529110398 sold separately

J. Gardner,2011-07-28 Even though they are immersed in sex saturated society millions of teens are pledging to remain virgins until their wedding night How are evangelical Christians persuading young people to wait until marriage Christine J Gardner looks closely at the language of the chastity movement and discovers a savvy campaign that uses sex to sell abstinence Drawing from interviews with evangelical leaders and teenagers she examines the strategy to shift from a negative just say no approach to a positive one just say yes to great sex within marriage Making Chastity Sexy sheds new light on an abstinence campaign that has successfully recast a traditionally feminist idea my body my choice into a powerful message but one that Gardner suggests may ultimately reduce evangelicalism s transformative power Focusing on the United States her study also includes a comparative dimension by examining the export of this evangelical agenda to sub Saharan Africa
