THE REBEL'S BRIDE Christine

Flynn,2011-07-15 The Whitaker Brides SHE D BROUGHT TROUBLE TO TOWN The citizens of Leesburg were aghast Sweet peaceable Lindsey Hayes had up and invited a new carpenter to town And not just any carpenter but scandalous Caleb Whitaker renegade brother of Leesburg s richest rancher Why not even Lindsey could mend fences between these men Yet Lindsey sensed the painful secrets behind Cal s rebellion Felt a kinship and a craving she couldn t deny And once Cal branded her with his callused touch she ached to make this bitter outsider belong In Leesburg And in her arms Can three sisters tame the wild hearts of three Texas brothers Find out in THE WHITAKER BRIDES **The Agents of Little Woods**

Bill Spann,2005-03-14 The Agents homeland lay in the greenest of all the valleys where the bluest of blue waters flowed This was Little Woods a place in the southernmost region of the Great Forest Yet it was far removed so far in fact the journey would take many weeks to travel from the Northern Lands of the Great Forest Little Woods was flanked on all sides by high impassable mountains with only one closely guarded secret way in This land flourished in secrecy unknown to the rest of the Great Forest Fire was unknown and so were wars and treachery But one day a stranger happened upon Little Woods He was on a mission This mission would include a band of Agents from Little Woods sworn to save the peace of the Great Forest Although untrained in the art of warfare they would become the greatest warriors of the Great Forest with the help of the ancient Jakarian s magical armor *The A to Z of Fantasy Literature* Brian Stableford,2009-08-13 Once upon a time all

literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **A Literate**

Sacred Contracts Caroline Myss, 2013-09-04 Caroline Myss author of the New York Times bestsellers *Anatomy of the Spirit* and *Why People Don't Heal and How They Can* presents an exciting highly original program in this long awaited book Based on her internationally popular workshop of the same name *Sacred Contracts* is a brilliant synthesis of psychology healing guidance and spiritual insight As a medical intuitive Myss has found that people often don't understand their purpose in life which has led to a spiritual malaise of epidemic proportions This metaphysical disease in turn leads to depression anxiety fatigue and eventually physical illness But our purpose our individual Sacred Contract is often difficult to apprehend For this reason Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung Plato and contemporary thinkers She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages She then examines the lives of the spiritual masters and prophets Abraham Jesus the Buddha and Muhammad whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own With her signature motivational style and stories Myss explains how you can identify your particular spiritual energies or archetypes the gatekeepers of your higher purpose and use them to help you find out what you are here on earth to learn and whom you are meant to meet In coming to know your archetypal companions you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest in fact your divine potential In this process you learn how to see your life and the lives of others symbolically allowing you to manage your personal power without getting caught up in emotional drama You will also learn how to fulfill your Sacred Contract what you and only you are here on earth to do Finally Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas Both visionary and practical *Sacred Contracts* is a completely unique process of self discovery and spiritual archaeology and a bold powerful work of spiritual wisdom
