Rebel Harvest:

Rebel Harvest Pauline Bentley,1992-01-01 **Rebel's Harvest. [A Novel.]**. Therese Browne,1948 *The Rebel* Albert Camus,2012-09-19 By one of the most profoundly influential thinkers of our century The Rebel is a classic essay on revolution that resonates as an ardent eloquent and supremely rational voice of conscience for our tumultuous times For Albert Camus the urge to revolt is one of the essential dimensions of human nature manifested in man s timeless Promethean struggle against the conditions of his existence as well as the popular uprisings against established orders throughout history And yet with an eye toward the French Revolution and its regicides and deicides he shows how inevitably the course of revolution leads to tyranny Translated from the French by Anthony Bower **The Rebel Captain's Royalist Bride** Anne Herries,2014 Orphaned and without protection Babette Harvey must suffer in silence when her uncle gives shelter to a band of Rebels though her Royalist blood boils But other dangerous passions must also be quieted including those aroused by the handsome and commanding Rebel leader Captain James Colby When Babette s talent for herbal medicine attracts suspicions of witchcraft she has nowhere to turn save to Colby her honorable enemy And with the captain determined to claim her as his bride Babette must choose which to betray her principles or her heart **Rebel Harvest** Julian A. Maddox,1961

Postharvest Disease Development Elazar Fallik,2021-03-19 Postharvest losses of fresh produce have always been an obstacle in agriculture About one third of global fresh fruits and vegetables are lost because their quality has dropped below an acceptance limit The postharvest quality and shelf life of fresh produce are also determined before harvest However postharvest quality is also affected by many practices during and after harvest such as temperature management controlled and modified atmosphere coatings physical treatments biocontrol and more This Special Issue on Postharvest Disease Development Pre and or Postharvest Practices gathers papers that deal with preharvest and postharvest factors that affect and maintain fresh produce quality after harvest **Rebel in the Soul** Bika Reed,1997-04 This controversial text speaks to us with intriguing relevance to the problems of today Taking the form of a dialogue between a man and his soul this sacred text explores the inner discourse between doubt and mystical knowledge and deals with the rebellion and despair of the intellect at a crucial stage of spiritual development **What Rebels Want** Jennifer M. Hazen,2013-03-15 How easy is it for rebel groups to purchase weapons and ammunition in the middle of a war How quickly can commodities such as diamonds and cocoa be converted into cash to buy war supplies And why does answering these questions matter for understanding civil wars In What Rebels Want Jennifer M Hazen challenges the commonly held view that rebel groups can get what they want when they want it and when they most need it Hazen s assessments of resource availability in the wars in Sierra Leone Liberia and C te d Ivoire lead to a better understanding of rebel group capacity and options for war and war termination Resources entail more than just cash they include various other economic military and political goods including natural resources arms and ammunition safe haven and diplomatic support However rebel groups rarely enjoy continuous access to

resources throughout a conflict Understanding fluctuations in fortune is central to identifying the options available to rebel groups and the reasons why a rebel group chooses to pursue war or peace The stronger the group s capacity the more options it possesses with respect to fighting a war The chances for successful negotiations and the implementation of a peace agreement increase as the options of the rebel group narrow Sustainable negotiated solutions are most likely Hazen finds when a rebel group views negotiations not as one of the solutions for obtaining what it wants but as the only solution

Special Report ,1989 *Alien Rebel's Fake Bride* Miranda Martin,2021-06-30 Crystal Truth be told I ve always been a little jumpy but being kidnapped by aliens shoved my anxiety into high gear They buy and sell us Earth girls like chattel Stealing us from our dying planet and keeping us on lockdown until they re ready to trade us away When my fellow humans and I are rescued by the savage Draconian Warriors things get better but we re not free So the other women leverage me into mating one of the Draconians in a grand scheme to take over the ship I m nothing if not a team player but why did it have to be the huge scarred one who s as socially awkward as I am Deceiving these brutal warriors seems like a really bad idea the kind that could cause a small human like me to wind up dead or worse desperately in love with a massive winged and tailed alien Drake I live for nothing more than starting a revolution among my Draconian brethren I will set us free at long last from the misery of our Draconian Queens who have been driven insane by a parasite I don t have time or desire to rescue the human Queens but my brother insists When one of them lays claim to me I m suspicious She panicked at the mere sight of me during the rescue and only hours later she selected me for her mate I m no fool She s a wily one talking and squirming her way past my defenses She s soft beautiful and scents like a goddess but I can t let her ruin my people s only chance at freedom Somehow I have to make her my Queen and set my people free *Sessional Papers* Great Britain.

Marginality and Subversion in Korea Sun Joo Kim,2013-11-01 In the history of Korea the nineteenth century is often considered an age of popular rebellions Scholarly approaches have typically pointed to these rebellions as evidence of the progressive direction of the period often using the theory of class struggle as an analytical framework In Marginality and Subversion in Korea Sun Joo Kim argues that a close reading of the actors and circumstances involved in one of the century s major rebellions the Hong Kyongnae Rebellion of 1812 leads instead to more complex conclusions Drawing from primary

sources in Korean Japanese and classical Chinese this book is the most extensive study in the English language of any of the major nineteenth century rebellions in Korea Whereas previous research has focused on economic and landlord tenant tensions suggesting that class animosity was the dominant feature in the political behavior of peasants Sun Joo Kim explores the role of embittered local elites in providing vital support in the early stages to spur social change that would benefit these elites as much as the peasant class Later however many of these same elites would rally to the side of the state providing military and material contributions to help put down the rebellion Kim explains why these opportunistic elites became discontented with the state in the scramble for power prestige and scarce resources and why many ultimately worked to rescue and reinforce the Choson dynasty and the Confucian ideology that would prevail for another one hundred years This sophisticated groundbreaking study will be essential reading for historians and scholars of Korean studies as well as those interested in early modern East Asia social transformation rebellions and revolutions
