An ancient Toad ritual is being held in the sinister Deeping Fen and if Merry doesn't rescue Teddy before it's finished she'll lose him forever. But the Toadmen have been keeping dangerous secrets and so has Caraway. The farther Merry travels into Deeping Fen's foul waters the more she wonders if she's truly come to save her friend or if she's walking straight into a trap. There's nothing the Toadmen love more than a damsel in distress. **The Triumph of the Moon** Ronald Hutton, 2001-02-15

Ronald Hutton is known for his colourful and provocative writings on original subjects. This work is no exception for the first full scale scholarly study of the only religion England has ever given the world that of modern pagan witchcraft which has now spread from English shores across four continents. Hutton examines the nature of that religion and its development and offers a microhistory of attitudes to paganism, witchcraft and magic in British society since 1800. Its pages reveal village cunning folk, Victorian ritual magicians, classicists and archaeologists, leaders of woodcraft and scouting movements, Freemasons and members of rural secret societies. We also find some of the leading figures of English literature from the Romantic poets to W.B. Yeats, D.H. Lawrence and Robert Graves as well as the main personalities who have represented pagan witchcraft to the world since 1950. Densely researched, *Triumph of the Moon* presents an authoritative insight into a hitherto little known aspect of modern social history. *Merchant Vessels of the United States*, 1971 *Mercenaries in Asymmetric Conflicts* Scott Fitzsimmons, 2013

Fitzsimmons argues that small mercenary groups must maintain a superior culture to successfully engage and defeat larger and better equipped opponents. *The Hand of the Sun King* J.T. Greathouse, 2021-08-05

An original fantasy filled with magic and culture, the story of a character torn between two names, two loyalties and two definitions of good and evil. Kevin J. Anderson, New York Times bestselling author of *Spine of the Dragon*. Wen Alder was born into two worlds. On his father's side, a legacy of proud loyalty and service to the god-like Sienese Emperor spanning generations. And it is expected that Alder too will follow this tradition by passing the Imperial exams, learning the accepted ways of magic and if he serves with honor, enhancing his family's prominence by rising to take a most powerful position in Sien, the Hand of the Emperor. But from his mother, he has inherited defiance from the Empire, a history of wild gods and magic unlike anything the Imperial sorcerers could yet control. It began when his spirited rebellious grandmother took Alder into the woods and introduced him to her ways. Ways he has never been able to forget. Now on the verge of taking the steps that will forge the path of his life, Alder discovers that the conflict between the Empire and the resistance is only the beginning of a war that will engulf both heaven and earth, gods and man, and he may be the key to final victory for whichever side can claim him as their own. Praise for *The Hand of the Sun King*: Sublime prose and pin sharp characterisation combine to produce a captivating epic of conflicted loyalties and dangerous ambition. Anthony Ryan, New York Times bestselling author. *The Hand of the Sun King* is a masterpiece. Alder Wen's growth as a character is supremely satisfying, his navigation of societal pressures and warring factions of an imperialist campaign captivating. J.T.'s writing is as smooth as silk, this is world class modern fantasy with delightful undertones of the classic fantasy epics. Scott Drakeford

author of Rise of the Mages The Hand of the Sun King is not the gentle story of a boy's rise to power instead it digs its fingernails into the layers of an empire that would consume and erase half that boy's identity Brilliantly told and immediately engrossing filled with magic mistakes and their merciless consequences Andrea Stewart author of The Bone Shard Daughter The Hand of the Sun King is an outstanding debut novel with very well conceived world building and an excellent original magic system and twists that will keep you reading late into the night and guessing until the very end Michael Mammay author of the Planetside series Well written thought provoking and enjoyable The Hand of the Sun King is an impressive debut novel that left me eager for more Lisbeth Campbell author of The Vanished Queen
