impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and
feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from
fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most
populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of
the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New
York City to rich farmland upstate and to the west Entries by experts chronicle New York s varied areas politics and
persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse
regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140
tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students

teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State **North Country Life** ,1958
