In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does Slaves, Masters, and the

Art of Authority in Plautine Comedy Kathleen McCarthy, 2009-01-10 What pleasures did Plautus heroic tricksters provide their original audience How should we understand the compelling mix of rebellion and social conservatism that Plautus offers Through a close reading of four plays representing the full range of his work *Menaechmi Casina Persa* and *Captivi* Kathleen McCarthy develops an innovative model of Plautine comedy and its social effects She concentrates on how the plays are shaped by the interaction of two comic modes the socially conservative mode of naturalism and the potentially subversive mode of farce It is precisely this balance of the naturalistic and the farcical that allows everyone in the audience especially those well placed in the social hierarchy to identify both with and against the rebel to feel both the thrill of being a clever underdog and the complacency of being a securely ensconced authority figure Basing her interpretation on the workings of

farce and naturalism in Plautine comedy McCarthy finds a way to understand the plays patchwork literary style as well as their protean social effects Beyond this she raises important questions about popular literature and performance not only on ancient Roman stages but in cultures far from Plautus Rome How and why do people identify with the fictional figures of social subordinates How do stock characters happy endings and other conventions operate How does comedy simultaneously upset and uphold social hierarchies Scholars interested in Plautine theater will be rewarded by the detailed analyses of the plays while those more broadly interested in social and cultural history will find much that is useful in McCarthy s new way of grasping the elusive ideological effects of comedy *The Huainanzi and Liu An's Claim to Moral Authority* Griet

Authority Stewart M. Hoover,2016-09-01 As the availability and use of media platforms continue to expand the cultural visibility of religion is on the rise leading to questions about religious authority Where does it come from How is it established What might be changing it The contributors to *The Media and Religious Authority* examine the ways in which new centers of power and influence are emerging as religions seek to brand themselves in the media age Putting their in depth incisive studies of particular instances of media production and reception in Asia Africa Latin America and North America into conversation with one another the volume explores how evolving mediations of religion in various places affect the prospects aspirations and durability of religious authority across the globe An insightful combination of theoretical groundwork and individual case studies *The Media and Religious Authority* invites us to rethink the relationships among the media religion and culture The contributors are Karina Kosicki Bellotti Alexandra Boutros Pauline Hope Cheong Peter Horsfield Christine Hoff Kraemer Joonseong Lee Alf Linderman Bah yyah Maroon Montr Aza Missouri and Emily Zeamer with an afterword by Lynn Schofield Clark **Your Spiritual Authority** Jemima Alara,2015-09-14 Every child of God is loaded

with Power and Authority However most Christians are not aware of their authority in Christ Jesus The authority that flows from the Cross of Calvary the Power that was released at Pentecost and made available to every Christian at Salvation when

they receive Jesus as Lord and Saviour Sadly to note that majority of Christians don't have a clue and are ignorant of this and they just wade through life without exercising their Spiritual Authority In this book you will discover how to unleash and walk in your Spiritual Authority Walking in your Spiritual Authority will make you walk in dominion and victory all the days of your life Also you will understand how the realm of the spirit works and you will gain control on how to wage war effectively and stand victorious always over principalities and demonic forces of darkness **Those Who Rebel** Dag

Heward-Mills, 2025-06-19 Rebellion is not a mere mistake Remember rebellion was the first sin ever recorded in the Bible Rebellion took an angel of light and transformed him into Satan That is the power of rebellion It is dangerous insidious and will corrupt you if you allow it to take root in you In this book you will discover how to recognize both the subtle and open forms of rebellion that can infiltrate your life or ministry Do not take lightly Drive it out from your midst Read this amazing book and learn how to combat this deadly spirit of rebellion Myth and Authority Alexander U. Bertland, 2022-10-01 Living

in a province dominated by powerful oligarchs Giambattista Vico 1668-1744 concluded that political philosophy should work to undermine aristocratic authority and prevent political devolution into feudalism Rejecting the possibility that the free market could successfully instill civil behavior he advocated for a strong central judicial system to work closely with citizens to promote stability and justice This study puts Vico in conversation with other Enlightenment thinkers such as Locke Rousseau and Mandeville to show how his alternative warrants serious consideration In contrast to scholars who read Vico's New Science as a defense of the imagination this study casts his account of poetic wisdom politically as an epistemological critique of the aristocratic mentality Myth and Authority argues that Vico's depiction of pagan religion is a refined attempt to explain how oligarchy maintains its stranglehold on power While Western civilization did not follow the path Vico suggested it may now be more relevant as concerns grow about the increasing influence of the wealthy on civil institutions A/AS
