Rebels And Informers:

History of the Rebellion in Bradley County, East Tennessee J. S. Hurlburt, 1866 History and Memory in Modern Ireland Ian McBride, 2001-11-08 Discussing the relationship between the past and the present in Irish society this 2001 title outlines the ways in which Irish identities have been shaped by oral tradition icons and images rituals and re enactments It examines pivotal moments in Irish history such as the 1798 rebellion the Famine the Great War and the Northern Ireland troubles investigating the ways in which they have been recalled commemorated and mythologised Beginning with the conviction that commemoration has its own history the essays address questions concerning the workings of communal memory How have particular political and social groups interpreted appropriated and distorted the past for their own purposes How are collective memories transmitted from one generation to the next Why does collective amnesia work in some situations and not in others What is the relationship between academic history and popular memory **The Edinburgh Review** ,1892 **The United Irishmen: The informer. Correspondence of the spies and informers, chiefly of 1798 and 1803, with their employer, Major Sirr. Extracts from the original précis book of the Kildare magistrates' proceedings. Manifesto of the provisional government. Report in manuscript of Robert Emmet's speech. The spy system. List of the names of persons included in the Fugitive bill and Banishment act. Religion professed by persons of eminence, or leading members of the United Irish society. Bibliography (p. 202-235) Chronological outline of Irish history. Index** Richard Robert Madden, 1916 **Muslim Rulers and Rebels** Thomas M. McKenna, 1998-08-10 Thomas McKenna has provided the first convincing explanation of a major insurgency that continued on its bloody course for nearly a quarter century Given the enormous complexity of the revolt the patchwork of ethnicities involved and the opaque quality of the literature McKenna's accomplishment is a considerable one Alfred W McCoy author of *The Politics of Heroin in Southeast Asia* Superb as both ethnography and social history offers significant new insights into the changing direction of Muslim politics in the Philippines and how to understand comparable movements elsewhere It will be a basic reference for those interested in the dynamics of ethnoreligious political movements in general Dale Eickelman author of *Knowledge and Power* *The Informers* Andrew Boyd, 1984 **"The Sham Squire," and the Informers of 1798** William John Fitz-Patrick, 1895 British Spies and Irish Rebels Paul McMahon, 2008 One of the Irish Times Books of the Year 2008 Rebellion partition and a messy peace settlement ensured that Ireland was a constant thorn in Britain's side after 1916 Britain was confronted by the bombs and bullets of militant republicans the clandestine intrigues of foreign powers and the strategic dangers of Ireland's wartime neutrality a final irrevocable step in the country's difficult transition to independence Using newly opened archives this book reveals for the first time how the British intelligence system responded to these threats It lifts the lid on the underground activities of Britain's secret agencies MI5 MI6 SIS and the Special Branch It puts secret intelligence in the context of the government's other sources of information and explores how deep rooted

cultural stereotypes distorted intelligence and shaped perceptions And it shows how for decades British intelligence struggled to cope with Ireland but then rose to the challenge after 1940 largely because the Dublin government began to share its secrets The author casts light on characters long kept in the shadows IRA gunrunners Bolshevik agitators Nazi agents Irish loyalists who acted as British spies His compelling book fills a gap in the history of the British intelligence community and helps explain the twists and turns of Anglo Irish relations during a time of momentous change PAUL MCMAHON gained his PhD from Cambridge University [The History of England from the Accession to the Decease of King George the Third](#) John Adolphus,1845 *The Informer's Winding-Sheet: Or, Nine Oaths for a Shilling.
