Epstein, 1971 **The Complete Films of Mae West** Jon Tuska, 1992 *Movies Magnificent: 150 Must-See Cinema Classics* John Reid, 2005-09-27 Few people would argue with the films selected for detailed notices and reviews in this book Many of the movies are award winners and most chalked up impressive figures at the box office Who would dispute the inclusion of Citizen Kane or Rebecca or The Best Years of Our Lives However along with The Yearling and Reap the Wild Wind and Hello Frisco Hello I've also included a few surprises A magnificent publication Rodney Bourke in International Movie Making April 2006 Hang 'Em High Bob Herzberg, 2013-08-29 For more than a century the Western film has proven to be an enduring genre At the dawn of the 20th century in the same years that The Great Train Robbery begat a film genre Owen Wister wrote The Virginian which began a new literary genre From the beginning both literature and film would usually perpetuate the myth of the Old West as a place where justice always triumphed and all concerned except the villains pursued the Law The facts however reflect abuses of due process lynch mobs and hired gunslingers rather than lawmen regularly pursued lawbreakers vengeance rather than justice was often employed and even in courts of law justice didn't always prevail Some films and novels bucked this trend however This book discusses the many Western films as well as the novels they are based on that illustrate distortions of the law in the Old West and the many ways most of them marked by vengeance in which its characters pursued justice The Complete Films of Laurence Olivier Jerry Vermilye, 1992 Laurence Olivier portrayed characters that were as diverse as they were memorable From Hamlet to Heathcliff from a Nazi dentist in Marathon Man to a cunning mystery writer in Sleuth his roles made him one of the most highly acclaimed actors of all time This book celebrates his career including casts credits synopses and production notes from every movie in which he appeared Photographs illustrate the text with rare candid shots borrowed from Olivier collectors **Catalog of Copyright Entries. The reader/viewer can study the script and finished images to compare film script with movie productions. *Cinema of the Philippines* Bryan L. Yeatter, 2007-01-01. Although Filipino cinema dates to the early silent era and shares many characteristics with Western film, it has frequently been ignored by Western critics and audiences. This book offers a rare study of cinema in the Philippines. The first half of the work presents a history. Chapters cover lost pre-World War II films, the postwar cinema boom, the Philippines' unique relationship with the United States and its manifestation on film, and Filipino cinema's decline. The second half of the book is the most comprehensive published filmography of Filipino cinema to date. *American Studies* Jack Salzman, American Studies Association, 1986-08-29. A major three-volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988.

The Costumes of Hollywood Coleen Scott, Larry McQueen, 2025-07-04. *The Costumes of Hollywood* details the design, creation, and influence of over 100 ensembles from some of the most iconic designers, films, and roles in Hollywood history, spanning the 1920s through the early 21st century. All costumes featured are from The Collection of Motion Picture Costume Design, one of the world's largest private collections, curated over thirty-five years by leading Hollywood costume historian and archivist Larry McQueen. The book presents full costumes on display, in addition to close-ups and rarely seen interior details of some garments. Iconic costumes, including many with Academy Award nominations, from *Some Like It Hot*, *Hello Dolly*, *Cabaret*, *Rear Window*, *Ben-Hur*, *Mildred Pierce*, *Angel*, *Masters of the Universe*, *The Piano*, *The Hunger Games*, and so many others are featured. This book gives the audience a rare and heretofore unpublished insight into what collecting, restoring, and reproducing entails and highlights differences between private collecting and museum-backed collections. *The Costumes of Hollywood* details the significance of the designer, costume, and wearer via thorough research, interviews, and Larry McQueen's behind-the-scenes knowledge of collecting and working as an archivist in Hollywood. Within the entertainment field, this book will be of interest to professional costume designers and technicians in film, theatre, and performance, as well as students of film production history and costume design and construction. *The Costumes of Hollywood* will also enrich and entertain anyone with an interest in costume design in film and collecting.

The Identity Crisis Theme in American Feature Films, 1960-1969 John Lenard Mason, 1977. *Showdown, Confronting Modern America in the Western Film* John H. Lenihan, 1980. *Showdown* is a study of America's oldest, most representative film genre, the Western movie, from the perspective of social allegory. It assesses scores of major and minor films to show how Westerns function as vehicles for contemporary social and political critiques of American life.

The Unabridged James Dean Randall Riese, 1991. James Dean's untimely death at age 24 inspired a cult which 36 years later spans generations worldwide. In celebration of his life and career, here is the most comprehensive, well-researched book on James Dean ever assembled: 175 photographs.

Masked Men Steve Cohan, 1997-12-22. The fifties marks the moment when a heterosexual/homosexual dualism came to dominate U.S. culture's thinking about masculinity. The films of

this era record how gender and sexuality did not easily come together in a normative manhood common to American men. Instead, these films demonstrate the widely held perception of a crisis of masculinity. *Masked Men* documents how movies of the fifties represented masculinity as a multiple masquerade. Hollywood's star system positioned the male actor as a professional performer and as a body intended to solicit the erotic interest of male and female viewers alike. Drawing on publicity, poster art, fan magazines, and the popular press as a means of following the links between fifties stars, their films, and the social tensions of the period, Cohan juxtaposes Hollywood's narratives of masculinity against the personae of leading men like Cary Grant, Humphrey Bogart, John Wayne, Charlton Heston, Yul Brynner, William Holden, Montgomery Clift, Marlon Brando, and Rock Hudson. *Masked Men* focuses on the gender and sexual masquerades that organized their performances of masculinity on and off screen.

When Frankie Went to Hollywood Karen McNally, 2015-04-20. This first in-depth study of Frank Sinatra's film career explores his iconic status in relation to his many performances in postwar Hollywood cinema. *When Frankie Went to Hollywood* considers how Sinatra's musical acts, television appearances, and public commentary impacted his screen performances in *Pal Joey*, *The Tender Trap*, *Some Came Running*, *The Man with the Golden Arm*, and other hits. A lively discussion of sexuality, class, race, ethnicity, and male vulnerability in postwar American culture illuminates Karen McNally's investigation into Sinatra's cinematic roles and public persona. This entertainment luminary she finds was central in shaping debates surrounding definitions of American male identity in the 1940s and 50s. [The New Orleans Review](#), 1984.

[The Left Side of the Screen](#) Bob Herzberg, 2014-01-10. In examining the careers of communist and liberal actors, screenwriters, playwrights, and directors in Hollywood from the late 1920s to the present, this book uses studio and PCA correspondence, FBI files, film and theater reviews, and other sources to reveal how all of these artists were concerned with and active in the cinema of social protest. It covers the works of those liberal stars and directors who collaborated with communist artists in New York and Hollywood, including John Garfield, Canada Lee, Frances Farmer, Paul Robeson, James Edwards, and Paul Muni; liberal filmmakers like Philip Dunne; and ex-communists and HUAC-friendly witnesses like Elia Kazan, Edward Dmytryk, and Robert Rossen. It also looks at the activities of the Communist Party in Hollywood and the far-reaching influence of the Soviet Union. [The New York Times Book Review](#), 1974.
