Deconstruction and Reconstruction in Yhwh's Universal Project Louismary Ocha, 2022-01-27 Taking its bearing from the mission statement in prophet Jeremiah s vocation narrative Jer 1 10 the book examines YHWH s events of deconstruction and reconstruction in Israel of the Old Testament Through the analysis of the six verbs namely pluck up pull down demolish destroy build and plant the book gives a different dimension to the common impression that Jeremiah is a prophet of woes and laments thereby limiting his prophecies to only oracles of destruction hence total annihilation Rather it investigates Jeremiah s prophecies as flying with two wings oracles of judgement and oracles of salvation In other words the oracles are not only against the nations but also for the nations With the exile of the Israelites and their restoration to the land in view

according to the book of Jeremiah YHWH continues His creative and restorative acts and depicts the divine full involvement and control of Israel's history In like manner the book portrays the abiding divine presence in the history of humankind in general Therefore Israel is only used to form a bridge of YHWH s concern for the nations hence the entire humanity As YHWH sets the history of Israel in motion so He performs for the rest of humanity The goal of which has always been for the good and salvation of humankind of which the culmination is in the person and advent of Jesus Christ <u>Divine Justice</u> Elianna Montgomery, 2025-06-26 Delve into the celestial realm with Prophecies and Divine Justice The Angels and the End of Days a groundbreaking exploration of biblical prophecy through the eyes of angelic witnesses This compelling work brings to life 15 prophetic visions each revealed by an angelic narrator offering readers a divine perspective on God s ultimate plan for the world Each chapter pairs a significant biblical prophecy with its modern day fulfillment narrated by an angel chosen to reveal the hidden truths of the divine plan From the rebirth of Israel to the rise of global authoritarianism from the explosion of knowledge to the final judgment this book illuminates the connections between ancient prophecies and the unfolding events of today Key Features Include Biblical Prophecy Deep insights into prophecies from Ezekiel Revelation Daniel and more Angel Perspectives Each chapter is told from the unique viewpoint of an angel offering divine reflections on justice mercy and human responsibility Modern Parallels Clear connections between the ancient prophecies and today s global and spiritual realities Climactic Revelations Powerful scenes that highlight the significance of prophecy in both the past and the present Theological Reflections Each chapter calls readers to reflect on the nature of justice and the moral choices we face in our own lives The journey begins with Gabriel opening the scroll of prophecy unveiling the divine narrative for the future of mankind From Michael's battle in heaven to Uriel's examination of the knowledge explosion each angelic guide helps us understand the prophecies that shape our world The epilogue synthesizes the themes of divine justice mercy and human accountability urging readers to remain vigilant and faithful as we approach the culmination of God's redemptive plan Prophecies and Divine Justice is a must read for anyone seeking deeper understanding of biblical prophecy spiritual truth and the ethical imperatives of living in the last days With celestial insight and timely reflections this book offers a unique perspective on the end of days and the divine justice that will ultimately set all things right The Watchman of **Israel** ,1920 As America Has Done to Israel John P. McTernan, 2008-03-04 Is America on a Collision Course with God There is a direct correlation between the alarming number of massive disasters striking America and her leaders pressuring Israel to surrender her land for peace Costing hundreds of lives and causing hundreds of billions of dollars worth of damage dozens of disasters have hit America and always within twenty four hours of putting pressure on Israel These disasters have included earthquakes raging fires hurricanes floods tsunamis and tornadoes What can you do as an individual and what can America do to change the direction of our country in relation to Israel and prevent the increasing number of calamities Evangelical Study Bible: Christ-centered. Faith-building. Mission-focused. (NKJV) Thomas Nelson, 2023-05-09 Be

refreshed by the power and beauty of faithful Christ centered teaching Engage the issues of today Build a firm foundation for this generation and the next To be an evangelical is to believe in life changing truth it is to believe that the Bible not only gives us the key to eternal life in Jesus but also the way to live today This is news worth sharing But how do we do this in a rapidly changing culture that appears to be shifting from a general disinterest in the gospel to a more active opposition to it When it feels like our faith is being challenged in every area how should we respond The Evangelical Study Bible will rejuvenate your faith through the unchanging truth of the gospel With verse by verse commentary and interesting sidebars that dig deeper into the historical and contextual background of Scripture it will help you grow in your understanding and appreciation of the life changing truths of the Christian faith Also included are more than fifty articles designed to help you better understand your faith and effectively share it with others Many of these articles address the most pressing issues of our day equipping you to engage others with confidence and laying a foundation of truth for the next generation Features include Commentary articles notes and word studies developed in partnership with scholars from Liberty University's School of Divinity Verse by verse commentary on the entire Bible for a better understanding of the passage being read Over 200 short articles on Christian teachings and doctrine for a systematic study of themes in God's Word 100 articles to equip readers to navigate the cultural engagement issues of today 100 cultural background notes help you relate to how people lived in Bible times 100 archeological notes draw attention to biblical places and related archeological discoveries 550 Word Studies to explore key terms of the Bible Biographies of 150 biblical figures give overviews of key men and women in the Bible Full color maps charts and family trees for a visual representation of concepts and where key events in the Bible took place Book introductions with outlines and reading plans provide a concise overview of the background and historical context of the book about to be read Topical indexes make it easy to find important topics in Scripture Extensive cross references drawing connections between texts Concordance provides an alphabetical listing of important passages by key words Large Print 10 5 point NKIV Comfort Print Israel, Rapture, Tribulation Michael Earl Riemer, 2021-05-23 Jesus is coming soon for all signs point to His arrival again The Last Days are upon us again The Great Tribulation is about to start again We will see the Lord coming in clouds of glory for we are the last generation again Even before William Miller pronounced these kinds of tidings for 1843 and when it didn t occur he assured his followers it would happen on October 22 1844 this refrain was common from Christians down throughout the ages However since the time of Miller and especially since 1948 when the nation of Israel was given birth the chorus of Christian voices proclaiming End Times and Last Days is a constant message The problem all those who have preached this since 70AD have been wrong always 100% of the time In the Revelation of Jesus given to Saint John he assures the seven Churches the time was near it was in fact at hand The letter closes with the assurance of that fact the Lord was coming soon for Jesus states Surely I come guickly Revelation 22 20 So that leaves us with two perplexing and bewildering conclusions Jesus was wrong about His soon coming and those who preach this have

also been preaching a tall tale a cock and bull story However the early Christians did not believe what is being taught across today s pulpits concerning this teaching They knew those events would happen in their lifetime not 2 000 years in the future they took Jesus at His word and it saved their lives In this book you will find the doctrine believed by early Christians and the reason the modern Last Days doctrine has always been wrong and how it was fulfilled You will also find the message taught by Jesus and presented throughout the Holy Scriptures hope and victory for Christ's Church Miracle Israel John Israel's Messiah in the Bible and the Dead Sea Scrolls Richard S. Hess.M. Daniel Carroll R., 2011-05-26 This volume is exemplary of evangelical scholarship at its best The theme is pertinent indeed basic to all expressions of Christianity and the contributors engage their subject with the passionate inquiry and critical acumen it deserves The essays are comprehensive in scope but unpredictable in conclusion displaying a diversity of perspective united only by common allegiance to the advancement of biblical understanding Anyone interested in biblical prophecy or a historical understanding of Jesus will find here a useful survey of the relevant materials and some surprising new insights Mark Allan Powell Trinity Lutheran Seminary Israel s Messiah is a very timely helpful work on one of the more important topics for our day In fairly short compass it manages to cover nearly everything the student will want to know about the development of the messianic idea in Judaism and the early church It is a must reading Grant R Osborne Trinity Evangelical Divinity School There has been a notion circulating in certain circles of New Testament scholarship that the concept of a messiah was of little significance in early Judaism This volume helps dispel that notion and in the process gives us some keen insight into how the messianic material in the New Testament fits into the larger matrix of Old Testament and early Jewish messianic thought Highly recommended Ben Witherington III Asbury Theological Seminary The complexities of biblical scholarship are all too often hidden from most students of the Bible This collection of essays however opens up contemporary issues concerning the concept of the messiah The main authors and respondents offer helpful and insightful presentations on the messiahship of Jesus Christ The format of essays and responses enriches the volume by permitting the reader to weigh differing viewpoints on the vitally important topic Here we have constructive critical evangelical scholarship of the highest quality T D Alexander Union Theological College Belfast Ireland Richard S Hess Ph D Hebrew Union College and M Daniel Carroll R Ph D University of Sheffield are professors of Old Testament at Denver Seminary Covenant: G-D's plan for Israel in the last days Baruch Battelstein, 2005 Lo I will send you Elijah the prophet before the coming of the great and awesome day of the Lord that he may turn the heart of the fathers back through the children and the heart of the children back through their fathers Malachi 3 23 24 Are you ready for the great and awesome Day of the Lord Do you know and recognize with understanding how the horrendous events that will take place shortly on this earth are going to impact your life and those around you Perhaps you are one watching from afar thinking it will not come near me No one will be able to escape Are you ready Like a tsunami racing across the ocean events are taking place today that in our minds only a few short years ago we could not in fact would not even dare conceive yet they have come to pass Events and changes that are happening seemingly in the blink of an eye This book has been written with a pen of a ready writer The author has brought forth in clarity God s plan for the spiritual and physical redemption of His people His land and Jerusalem His plan as revealed in the Tanach Bible is unfolding right before our very eyes The time is very near when the God of Israel will bring His people into the bond of the covenant a new covenant into which the whole house of Israel will enter and they will be His people and He will be their God However there will be much tribulation during this time known as the Day of the Lord not only for the Jewish people themselves but also for all nations and peoples of the world The Salvation of the Remnant in Isaiah 11 Gerald Emem Umoren,2007-10 As a response to this situation this dissertation which scored a summa grade on presentation to the Biblical section of the Faculty of Theology of the Pontifical University of St Thomas Rome is basically an exegetico theological inquiry into the meaning and possible implication of Is 11 11 12 which proposes the salvation of the remnant

One Day Nearer Steve Miller, 2023-10-10 365 Days of Keeping Watch and Finding Hope The absolute certainty of Christ's return is proclaimed all through the Bible God has given us many prophecies about this wonderful event to fill us with hope In a world that is descending deeper into evil and darkness Bible prophecy is God's way of assuring us that ultimately goodness and righteousness will prevail One Day Nearer is an invitation to let the great truths and promises found in Bible prophecy encourage you As you read the 365 daily devotions within you will see God's love power and wisdom on display in all that He has done and will do at Christ's first and second comings learn what it means to live wisely in these last days and set your mind on things that are above discover the many ways God is committed to sustaining you today and will bless you in the future The more we take God's prophetic promises to heart the more we will live each day with an eternal perspective one that enables us to persevere through life's challenges live in anticipation of Christ's return and rejoice in the wonders of heaven and eternity
