UNDERSTANDING THE REALM OF THE HOLY SPIRIT SOLOMON HAILU, 2023-12-03 The realm of the Spirit is the Holy Spirit's atmosphere where he operates freely and independently The Holy Spirit is the reason for the existence of the realm of the Spirit The realm of the Spirit cannot exist apart from the Holy Spirit The realm of the Spirit cannot be brought into existence by any other means One must encounter the Holy Spirit to access the realm of the Spirit The Holy Spirit must dwell in us before the realm of the Spirit dwells in us Therefore we ought to pursue the Holy Spirit himself to experience the realm of the Spirit A believer has to build a relationship with the Holy Spirit to access the realm of the Spirit Being born again is the first step to access the realm of the Spirit The realm of the Spirit is a supernatural realm which cannot be examined by our physical senses human intellect religious rituals and scientific studies Science is looking for natural evidence to prove supernatural reality However such scientific attempts to understand and explain spiritual realities through natural observation is simply incongruous and totally insufficient Science fails to recognize the fact that spiritual realities can only be understood by the Spirit of God The book provides many Biblical examples of manifestations of the realm of the Spirit and how believers can walk in the realm of the Spirit

Ecumenical Perspectives on the Filioque for the 21st Century Myk Habets, 2014-06-19 The volume presents a range of theological standpoints regarding the filioque With some contributors arguing for its retention and others for its removal still others contest that its presence or otherwise in the Creed is not what is of central concern but rather that how it should be understood is of ultimate importance What contributors share is a commitment to interrogating and developing the

central theological issues at stake in a consideration of the filioque thus advancing ecumenical theology and inter communal dialogue without diluting the discussion Contributors span the Christian traditions Roman Catholic Protestant Eastern Orthodox and Pentecostal Each of these traditions has its own set of theological assumptions methods and politics many of which are on display in the essays which follow Nonetheless it is only when we bring the wealth of learning and commitments from our own theological traditions to ecumenical dialogue that true progress can be made It is in this spirit that the present essays have been conceived and are now presented in this form The Making of a Leader Frank Damazio,1988 In his

insightful book Damazio lays out for the serious student a broad discussion of what it means to be responsible for a group of followers **Messages for Building Up New Believers (1)** Watchman Nee,1994-09-01 After Watchman Nee resumed his ministry in 1948 he fellowshipped several times with the brothers about the critical need to provide believers with a spiritual education As a goal he wanted to provide basic teachings to every brother and sister in the church so that they could have a solid foundation of the truth and express the same testimony among the churches Messages for Building Up New Believers Volumes 1 3 contains fifty four lessons for new believers which Watchman Nee released during his workers training in Kuling These chapters are rich in content and all inclusive in scope The truths are basic and crucial This three volume series begins with a message given by Watchman Nee at a co workers meeting in July 1950 concerning the meeting for the building up of new believers It covers the importance of this type of training the main points to take care of and some practical suggestions

A New Christian Manifesto: Pledging Allegiance to the Kingdom of God Bob Ekblad,2008 *Receiving Healing from the Courts of Heaven* Robert Henderson,2018-03-20 When we understand what Jesus did on the cross we can take the activity of the cross and overcome every accusation against us Overcoming Spiritual Blindness James P. Gills,2012-06-28 All too often our modern society lacks both sight and insight resulting from a refusal to see the reality of creation Such lack of recognition and appreciation for the Creator is spiritual blindness Yet the fruits and evidence of His love and wisdom are clearly demonstrated everywhere we look Author Dr James Gills a world renowned ophthalmologist with a deep love of the Bible writes about spiritual blindness with stunning clarity and relevance This book illustrates a powerful biblical theme often repeated throughout the Scriptures the analogy between the physical and the spiritual realms regarding blindness and sight From Isaiah s vision of a day when God s Messiah would be a light for the Gentiles to open eyes that are blind to the fulfillment of the prophecy when Paul was sent to the Gentiles to open their eyes and turn them from darkness to light and from the power of Satan to God Overcoming Spiritual Blindness emphasizes the power and work of the Holy Spirit What the surgeon does for cataracts that hinder sight in the physical eye the Holy Spirit does for the cataracts of the heart Overcoming Spiritual Blindness exposes obstructions to spiritual sight that cloud the lens of the soul Such cataracts include pride misguided concepts of money preoccupation with work distorted views of sex and a critical spirit The description of the cataract of bitterness and an unforgiving spirit gives such powerful insight that the reader must gain a new perspective of

total forgiveness The list of spiritual cataracts is vast and painfully relevant highlighting the need for spiritual surgery to those who do not realize they are blind
