Whitis, 2021-03-15 Stuart Baron a humble Los Angeles trucking executive endures a near death experience He moves his family from an affluent suburb to an Alabama catfish farm with hopes of quenching a midlife crisis Together with Tabitha his spell binding wife and Winchester his precocious five year old son he rewrites Murphy s law of catfish farming Their adaption to the Deep South and the ensuing culture shock is overshadowed by a daunting legacy involving a Mexican drug cartel In the climatic finale the Baron family a quirky DEA agent and a colorful cast of good ol boys make for a powerful romp of old fashioned justice in the backwoods of west Alabama **My Life as a Deaf Gay Man and Other Stories** Peter Beach Morier, 2012-08 Preface The Inner Man By Margaret A Pitts Peter B Morier who is deaf and gay knows why he exists I met him at Chestnut Lane an assisted living facility for deaf and blind people while he was doing court ordered community service He was living in the past and present and he also hoped that there would be a future for him because at that point his future was uncertain He does not like to waste time Peter has given his life to serving justice rather than adding to the numerous injustices and inequalities and the never ending violence and viciousness that the world contains At one point Peter had thought that he would not make a difference But he realizes that he was wrong to feel that way Furthermore other people have said that he has indeed made a difference He never regretted the commitment he made Peter shared his feelings with me and at this point in his life he is ready to keep moving forward He has written this book with two goals He wants to remove the stigmas that have been wrongfully placed on his life and give credibility to the Deaf and gay perspective My name is Margaret Pitts and I reside in Gresham Oregon I am Peter s ghostwriter and he also considers me to be his adopted sister One part of Peter s book is one of the saddest yet most joyful stories ever printed It is the story of how Peter found peace again overcoming his fears with a newfound trust and transforming his life It is truly a wonderful story to read and very inspiring Peter has been praised for managing to tell such a difficult story How painful it must have been for him to look back at those difficult times and transcend them It is a wonderfully strong story an epic journey about hope strength justice and overcoming a multitude of adversities It is a true test of human spirit and should inspire everyone to reach their highest potential in life no matter what physical psychological or emotional obstacles are placed in his or her way Peter is one of the most remarkable and multitalented human beings I know I am proud to be his sister Motion Picture Story Magazine , 1953 *The Kelly Incident* Anna Karyl, 2004 On a hot August night in 1955 a salt of the earth farm family and some friends in rural Kentucky were terrorized for hours by something that came from the sky something they couldn t explain They were frightened nearly to death by something the government seemed almost desperate to explain away or cover up Sent on what she thought was a fool s errand to expose a fraud an independent minded young reporter from St Louis is plunged head first into mystery intrigue and conspiracy discovering more than she expected far more than she had ever dreamed possible gargoyles like alien

creatures unlike anything reported before or since A top down government clamp down denied everything and seemed to make the very witnesses disappear into thin air haunted eye witnesses willing to risk everything even their sanity to tell a story not even they are sure they can believe Fantastic Yet it s all true This fast paced riveting novel was written by a native of the small Kentucky town that became the focus of wonder mystery and denial a relative of the people intimately involved in this most dramatic of all documented Close Encounters The Kelly Incident is based on a true story a classic in the annals of Ufology You can find a reference to this bizarre alien encounter in any major book on UFOs because the details are unique Though the event was investigated by authorities at every level of government this close encounter has never been explained
