Redating Matthew Mark And Luke A Fresh Assault On The Synoptic Problem:

Redating Matthew, Mark and Luke John Wenham, 2020-07-20 This groundbreaking study poses a solution to what one scholar has called one of the most difficult research problems in the history of ideas the Synoptic problem The phenomenon and mystery of three similar but different Synoptic Gospels has for centuries challenged some of the best minds of academia and the church How can we explain the differences and similarities among Matthew Mark and Luke Which Gospel was written first To what extent did the Evangelists depend on oral tradition written sources or each other John Wenham courageously opposes the reigning two document theory that Mark was the first Gospel with Matthew and Luke independently using Mark and a lost source of sayings of Jesus labeled Q Through careful argument and analysis he seeks to defend an alternative theory that satisfactorily accounts for what he argues is some degree of structural dependence but nevertheless a surprising degree of verbal independence among the Synoptics This brave new revisioning of the writing of the Synoptics redates Matthew Mark and Luke prior to A D 55 Insightful and provocative *Redating Matthew Mark and Luke* offers a fresh look at a hard problem as well as an interesting perspective on the inner workings of the early church It is a book to be reckoned with and sure to stir up scholarly controversy

Redating Matthew, Mark and Luke John William Wenham, 1991 **Rethinking the Synoptic Problem** David Alan Black, David R. Beck, 2001-10-01 The problematic literary relationship among the Synoptic Gospels has given rise to numerous theories of authorship and priority The primary objective of *Rethinking the Synoptic Problem* is to familiarize students with the main positions held by New Testament scholars in this much debated area of research The contributors to this volume all leading biblical scholars highlight current academic trends within New Testament scholarship and updates evangelical understandings of the Synoptic Problem

Christology and the Synoptic Problem Peter M. Head, 1997-07-03 This book makes a major contribution to the ongoing debate about the synoptic problem especially concerning the question of which gospel was written first The scholarly consensus developed over two hundred years of discussion has favoured Markan priority and the dependence of both Matthew and Luke upon Mark In an ongoing contemporary revival of the Griesbach hypothesis some scholars have advocated the view that Mark used conflated and abbreviated Matthew and Luke The author explores the role played by arguments connected with christological development in support of both these views Deploying a comparative redaction critical approach to the problem Dr Head argues that the critical basis of the standard christological argument for Markan priority is insecure and based on anachronistic scholarly concerns Nevertheless in a thorough going comparative reappraisal of the christological outlooks of Matthew and Mark the author finds decisive support for the hypothesis of Markan priority arguing that Matthew was a developer rather than a corrector of Mark

Rhetoric and the Synoptic Problem Mike Duncan, 2022-05-16 Mike Duncan argues that the Farrer Hypothesis is the best working solution to the Synoptic Problem in New Testament studies by way of rhetorical theory as he sees the Synoptic Problem as less about source and textual criticism

and more as a writing problem that concerns how and why they were composed The book's six chapters feature case studies of different aspects of gospel rhetoric such as how the different post resurrection accounts interact with each other and how the apostles are portrayed from gospel to gospel These chapters form a collective argument that the synoptic gospels are competing rhetorical narratives about Jesus with the authors of Luke and Matthew reacting to previous gospels with the goal of superseding the previously composed versions of Jesus's life However Duncan acknowledges that the Farrer Hypothesis has special difficulties and cannot be pushed beyond an educated guess that the Synoptic Problem remains an unsolvable problem due to a lack of evidence and lost original context and that it is only a philosophical acceptance of the inaccessibility of a solution that paradoxically allows a frank and unsentimental view of the alternatives

The Synoptic Problem and Statistics Andris Abakuks, 2014-10-20 See How to Use Statistics for New Testament Interpretation The Synoptic Problem and Statistics lays the foundations for a new area of interdisciplinary research that uses statistical techniques to investigate the synoptic problem in New Testament studies which concerns the relationships between the Gospels of Matthew Mark and Luke There are pote

A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's

redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1:1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long-awaited Messiah Matt 11:2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

The Relationship Between John the Baptist and Jesus of Nazareth Daniel S. Dapaah, 2005-02-17 What was Jesus relationship with John the Baptist Did Jesus baptize people like John Where did Christian baptism come from In this book Dr Dapaah looks at these and other important questions coming up with some intriguing answers His well written work offers thought provoking insights into the questions of the historical Jesus and I very warmly commend it David Wenham Dean and Lecturer Wycliffe Hall Oxford University
