Redcoat Renegades:

Redcoat Renegades Doug Hawkins,1998 When Kit Carson arrives in the rich fur trapping country of the Flatheads he finds unexpected enemies waiting for him A renegade British fur agent has been stirring the local tribes into a war of vengeance against the Americans including their new captive Kit Suddenly it falls to Kit to stop the war before it starts or become the first casualty Redcoat David Crookes,2010 **Redcoat 1812** John Nixon,2012-08 When James FitzGibbon dons the British army s redcoat little does he know that he will be sent to backwoods Upper Canada just prior to a war that will shape the North American continent FitzGibbon s memoire details his experiences during the War of 1812 from his service as adjutant to heroic General Isaac Brock to his own use of deception during the Battles of Stoney Creek and Beaver Dams through the bloody conflicts at Crysler s Farm Lundy s Lane and Fort Erie where his attitudes change His story reveals how outnumbered defenders are able to repel an American invasion and their resistance gives life to a new nation Canada Redcoat 1812 is an action filled tale of leadership valour duty and sacrifice that blends the best elements of The Book of Negroes and The Red Badge of Courage Redcoats' Revenge Col. David Fitz-Enz, USA (Ret.),2008-11-30 What if on September 11 1814 the United States had lost the close run battle that Winston Churchill called the most decisive of the War of 1812 With a victory at Plattsburgh would the British have eventually been able to regain control of their former colonies Only one fleeting moment on Lake Champlain might have been needed to forever alter the young country s history and return it to the grip of King George III Redcoats Revenge brings the most successful field commander in history the Duke of Wellington to North America in 1814 A coalition of eight European countries has recently defeated Napoleon With the emperor s threat to England eradicated Wellington releases the most powerful military juggernaut for service in the Western Hemisphere His audacious plan sends him and his avenging veteran redcoats plunging straight south from Lake Champlain toward New York City In Washington the streets crackle with tension at the news of British ships on the Chesapeake The White House is promptly evacuated and the capital left undefended when a diversionary force approaches the city and chokes off Baltimore President James Madison must now decide which of his generals is capable of successfully facing off with the Iron Duke No friend of the tyrannical Maj Gen Andrew Jackson Madison finally agrees that he may be the only commander with any hope of matching Wellington Redcoats Revenge is a vivid montage of the personalities and battles real and quite possible of the War of 1812 With its clever and compelling premise this exciting alternate history will enthrall readers and reveal just how close the United States was to becoming a British colony once again *Redcoat-Bluecoat* Norman Davis,2003-06-11 Disillusioned with Cornwallis s scorched earth policy in South Carolina and to win the love of the passionately patriotic Media Gant DeVoe Tory Sergeant Buck McCalister turns his coat and becomes a spy for General Francis Marion the Swamp Fox As the war draws to a close with Media s love still in the balance McCalister is sent to capture the notorious Nehemiah Youngblood his former commanding officer and the last Tory Militia Colonel still fighting in

South Carolina But to get to Youngblood McCalister must first confront his bitterest enemy Tory Lieutenant Zachariah Trae

Ghost Town Stories of the Red Coat Trail Johnnie Bachusky, 2011-02-01 The Red Coat Trail of southern Saskatchewan and southeastern Alberta runs near the route of the North West Mounted Police's famous 1874 March West Today this lonely highway passes through a windswept land of ghostly abandoned towns Johnnie Bachusky takes readers back to the heyday of these towns which sprang up as settlers travelled west during the last great land rush The Roaring Twenties brought bumper harvests but also bootleggers and bank robbers fortunes were won and lost in high stakes poker games The Great Depression devastated the region as disease drought dust storms and grasshoppers took their toll History comes to life in these exciting true stories from an account of a 1920s bank robbery in Manyberries to the tales of a boisterous Govenlock rancher who hunted with Buffalo Bill Cody and Wild Bill Hickok **Renegade Revolutionary** Phillip Papas, 2014-04-11 Honorable

Mention for the 2015 Book Award from the American Revolution Round Table of Richmond Honorable Mention for the 2015 Fraunces Tavern Museum Book Award In November 1774 a pamphlet to the People of America was published in Philadelphia and London It forcefully articulated American rights and liberties and argued that the Americans needed to declare their independence from Britain The author of this pamphlet was Charles Lee a former British army officer turned revolutionary who was one of the earliest advocates for American independence Lee fought on and off the battlefield for expanded democracy freedom of conscience individual liberties human rights and for the formal education of women *Renegade Revolutionary The Life of General Charles Lee* is a vivid new portrait of one of the most complex and controversial of the American revolutionaries Lee's erratic behavior and comportment his capture and more than one year imprisonment by the British and his court martial after the battle of Monmouth in 1778 have dominated his place in the historiography of the American Revolution This book retells the story of a man who had been dismissed by contemporaries and by history Few American revolutionaries shared his radical political outlook his cross cultural experiences his cosmopolitanism and his confidence that the American Revolution could be won primarily by the militia or irregulars rather than a centralized regular army By studying Lee's life his political and military ideas and his style of leadership we gain new insights into the way the American revolutionaries fought and won their independence from Britain **Redcoats** Stephen Brumwell, 2006-01-09 In

the last decade scholarship has highlighted the significance of the Seven Years War for the destiny of Britain's Atlantic empire This major 2001 study offers an important perspective through a vivid and scholarly account of the regular troops at the sharp end of that conflict's bloody and decisive American campaigns Sources are employed to challenge enduring stereotypes regarding both the social composition and military prowess of the redcoats This shows how the humble soldiers who fought from Nova Scotia to Cuba developed a powerful esprit de corps that equipped them to defy savage discipline in defence of their rights It traces the evolution of Britain's American Army from a feeble conservative and discredited organisation into a tough flexible and innovative force whose victories ultimately won the respect of colonial Americans By

providing a voice for these neglected shock troops of empire Redcoats adds flesh and blood to Georgian Britain's sinews of power Among the Powers of the Earth Eliga H. Gould, 2012-02-13 The Revolution's aspiration was summed up by the phrase life liberty and the pursuit of happiness Yet the American founding was also a bid for inclusion in the community of nations According to Eliga Gould America aspired to diplomatic recognition under international law and the authority to become an Atlantic colonizing power itself *Universal Sound Westerns, 1929-1946* Gene Blottner, 2024-10-17 After Fox released *In Old Arizona* the first feature length western with sound in 1929 Universal president Carl Laemmle decided that Universal's westerns should follow suit Beginning that same year with the release of *The Wagon Master* starring Ken Maynard up until 1946 when the studio merged with International Pictures Universal Pictures captivated audiences with its sound westerns Individual entries for the approximately 180 feature films and serials released by Universal during that period are presented here Each entry includes the film's title release date alternate title cast credits songs location of filming running time source if the film was an adaptation plot synopsis commentary from the author and from the actors and directors representative excerpts from reviews and a tag line from the original advertising Also provided is a chronological listing of Universal's short western films and a chronological listing of Universal's sound westerns
