Redemptive History And Biblical Interpretation:

Redemptive History and Biblical Interpretation Geerhardus Vos,1991-05 **Redemptive History and Biblical Interpretation** Geerhardus Vos,1981-01 *Theology, History, and Biblical Interpretation* Darren Sarisky,2015-01-29 The Christian Bible serves as the sacred scripture of the Christian community It is read regularly by many people around the world today as it has been for centuries But how should one interpret this text This reader presents a variety of perspective on how to relate historical and theological considerations when approaching the Bible It encourages students and scholars to ponder how historical and theological categories shape one s view of three crucial realities the text of the Bible the human subject who reads the text and the nature of the exchange between the two in the practice of reading As historical and theological categories are applied to these realities are they mutually exclusive or can they be combined in some way This reader encourages students and scholars to explore these important questions by bringing together a selection of some of modernity s most influential discussions of the issues as well as some of the present day s most distinguished attempts to weigh in on the debate **Biblical Hermeneutics** Stanley E. Porter,Beth M. Stovell,2012-04-25 This book presents proponents of five approaches to biblical hermeneutics and allows them to respond to each other The five approaches are the historical critical grammatical Craig Blomberg redemptive historical Richard Gaffin literary postmodern Scott Spencer canonical Robert Wall and philosophical theological Merold Westphal views **A Layperson's Guide to Biblical Interpretation** Luke Brad Bobo,2016-01-15 Interpreting an ancient book like the Bible can be an intimidating task Hopefully this book will demystify or make less complicated the task of Biblical interpretation for the layperson or seminarian by the use of a handy and memorable acronym SCAR where S means sitting with the text to listen to the Biblical author s words over and over again where C means the literary and cultural historical contexts where A means analysis and finally where R means God s Redemptive Remedy Readers are treated to some accessible theory behind Biblical interpretation in Part 1 and examples in Part 2 where SCAR is applied directly to two Old Testament and two New Testament texts God has revealed himself on the pages of Scripture He has revealed himself because he wants to be jealously and desperately known so my prayer for you is that this small book along with the True Biblical Interpreter the Holy Spirit will greatly and patiently escort you in this endeavor so that you fall more in love with our beautiful and gracious God who knows and loves you intimately And may your growing and maturing love for him manifest itself in your unwavering obedience to him *Introducing Covenant Theology* Michael Horton,2009-04-01 Since biblical times history is replete with promises made and promises broken Pastors and teachers know the power of the covenant and they know that understanding the concept of covenant is crucial to understanding Scripture They also know that covenant theology provides the foundation for core Christian beliefs and that covenants in their historical context hold significance even today But to laypeople and new Christians the eternal implications of cutting a covenant with God can be complicating God of Promise unwinds the intricacies of covenant theology

making the complex surprisingly simple and accessible to every reader With keen understanding careful scholarship and insight Michael Horton leads all believers toward a deeper understanding of crucial covenant concepts **Johannes**

Cocceius and the Exegetical Roots of Federal Theology Brian J. Lee, 2009-08-19 Lee bedient sich der historischen Exegese um zu erklären wie sich die reformierte Bundestheologie entwickelt hat Diese exegetische Methode zeigt die Schwächen aktueller dogmatischer Erklärungen zum Ursprung der Bundestheologie auf und liefert dabei neue Einsichten zur Lehre vom Bund Der reformatorische Wende hin zu den Quellen warf neue Fragen zu der Bedeutung der biblischen Begriffe vom Bund berith und diatheke auf und führte zu der Entwicklung einer eher technischen lateinischen Terminologie die zwischen foedus testamentum und pactum unterschied In diesem Kontext erlangte auch die Beziehung zwischen den Testamenten wieder mehr Bedeutung Hebr 7 10 versammelte diese verschiedenen Lehrmeinungen um sich die im Laufe der Zeit zu einem dezidierten theologischen Bundestopos wurden Der Hebrerkommentar von Johannes Cocceius von 1659 spiegelt beide Interpretationsanliegen wider Er bedient sich typisch federaler Terminologie die erst im Laufe des 16 Jahrhunderts Eingang in den Sprachgebrauch der Theologen gefunden hatte Cocceius betont sowohl eine testamentarische Kontinuität als auch den soteriologischen Bruch er spricht von zwei Formen der Rechtfertigung eine vor und eine nach Christus bei der Untersuchung der lateren Hebrerkommentars von Cocceius sticht die hohe Bedeutung der testamentarischen Beziehungen in Cocceius Denken hervor Dadurch stellt sich heraus dass seine Bundestheologie stärker als bislang angenommen in den Entwicklungen des 16 Jahrhunderts wurzelt Ferner treten die zentralen Kontinuitäten in der reformierten Bundestheologie stärker hervor **Out of Egypt: Biblical Theology and Biblical Interpretation** Zondervan, 2011-03-01

Biblical theology attempts to explore the theological coherence of the canonical witnesses no serious Christian theology can overlook this issue The essays in the present volume illustrate the complexity and richness of the conversation that results from attentive consideration of the question In a time when some voices are calling for a moratorium on biblical theology or pronouncing its concerns obsolete this collection of meaty essays demonstrates the continuing vitality and necessity of the enterprise Richard B Hays George Washington Ivey Professor of New Testament The Divinity School Duke University USA This volume on biblical theology jumps into the fray and poses the right kind of questions It does not offer a single way forward Several of the essays are quite fresh and provocative breaking new ground Bray Reno others set out the issues with clarity and grace Bartholomew others offer programmatic analysis Webster Bauckham others offer a fresh angle of view Chapman Martin The success of this series is in facing the challenge of disarray in biblical studies head on and then modeling a variety of approaches to stimulate our reflection Christopher Seitz Professor of Old Testament and Theological Studies St Andrews University UK *Cornelius Van Til's Doctrine of God and Its Relevance for Contemporary Hermeneutics* Jason B. Hunt, 2019

Cornelius Van Til's Doctrine of God and Its Relevance for Contemporary Hermeneutics seeks to answer the question What does Van Til have to do with hermeneutics It is argued that some of the most relevant concerns in the field of contemporary

hermeneutics are similar to those addressed by Van Til in the area of apologetics Van Til's approach involved a self-conscious consistency between method and theology proper in order to reason according to the Christian worldview found in Scripture Just as one's apologetic method should be consistent with the theology revealed in the Bible so also should one's hermeneutic This work not only argues that Van Til has an important place in the hermeneutical discussion but also demonstrates his place in terms of the main contours in his doctrine of God In doing so certain influences on evangelical hermeneutics are considered according to consistency with theology proper Lastly a Van Tillian hermeneutic is applied to the often debated issue concerning the New Testament use of the Old Testament

Kingdom through Covenant (Second Edition) Peter J. Gentry, Stephen J. Wellum, 2018-09-20 Kingdom through Covenant is a careful exposition of how the biblical covenants unfold and relate to one another a widely debated topic critical for understanding the narrative plot structure of the whole Bible By incorporating the latest available research from the ancient Near East and examining implications of their work for Christology ecclesiology eschatology and hermeneutics scholars Peter J Gentry and Stephen J Wellum present a thoughtful and viable alternative to both covenant theology and dispensationalism This second edition features updated and revised content clarifying key material and integrating the latest findings into the discussion
