Redigging The Wells

Clarence Dalrymple

Redigging The Wells:

Digging the Wells of Revival Lou Engle, 2011-07-28 Do you know that just beneath your feet are deep wells of revival Are you aware that you are standing on bottomless geysers and founts of the anointing and mandates of our spiritual forefathers and mothers that are just waiting be released afresh to you God is calling us as instruments today to unstop the wells and reclaim the spiritual inheritance of our nation This same God who visited America in the Great Awakening the Azusa Street Revival the Jesus Movement the Charismatic Outpouring and more wants to again honor His eternal covenants with the men and women of faith who have gone before us God is ready to loose revival fires and miracles to the spiritual descendants of people like Jonathan Edwards Henrietta Mears Aimee Semple McPherson Charles Finney William Seymour and Frank Bartleman But who will contend for the mantle they wore Will you As America stands on the brink of the judgement of God for her sins revival is our most glorious hope This book is a prophetic call from the heart of a pastor in Los Angeles who calls his city his country and you to renew covenant with God reclaim our glorious roots and believe for the greatest revival the world has ever known

Redigging the Wells of Our Spiritual Forefathers Tim Ranyak, 2013-03-18 Redigging the Wells of Our Spiritual Forefathers is an incredibly detailed and potent book that addresses the need for each believer to revisit real faith as demonstrated through great men and women of the past and down through the ages This book uncovers how faith in God was in operation through past revivals revivalists and even the men and women of faith in the Bible From great national revivals to the Acts of the Apostles to the walk of Abraham Isaac and Jacob this book will spark a desire in the believer to dare to believe God again as God has not changed only man has through the pages of time Jesus is the same yesterday today and forever He is that eternal well that we can tap into and receive an impartation of faith that will bring forth miracles right here in our midst in our everyday lives

The Wells Monroe E. Hawley, 1976

Redigging the Wells of Revival Clarence Dalrymple, 2017-10-02 Redigging the Wells of Revival is a vital message to the church today This book addresses the need for each believer to search their heart and discover if anything lacks in their personal relationship with God Hope and help for those with a spiritual deficiency is offered between the pages of this book Redigging the Wells of Revival uncovers how faith in God operated through past revivals revivalists and even the men and women of faith in the Bible From great national revivals to the Acts of the Apostles to the walk of Abraham Isaac and Jacob this book will spark a desire in the believer to dare to believe God again Man has changed through the pages of time but God has not Jesus is the same yesterday today and forever He is that eternal well that we can tap into and receive an impartation of faith that will bring forth miracles right here in our midst in our everyday lives This is a message that encourages those who want to restore their spiritual heritage to move forward with a right attitude to pick themselves up and begin seeking God afresh after dealing with setbacks and disappointments It s good to look back at the historical awakenings and mighty moves of God s Spirit that shook nations and the world But none of us can thrive recounting yesterday s achievements We have to seek God

and experience a fresh anointing and move of the Holy Spirit Isaac had to redig the wells of Abraham and so we must redig the wells of revival to reclaim the spiritual inheritance of our spiritual forefathers As the patriarchs of faith had to find their relationship with God we must also press forward to a deeper walk with the Lord Rediscover the power of faith in God to discover God's perfect will You will see how God's plan is to show His power and unveil His glory to the inhabitants of this earth Your participation will not be to boost your ego but to be a part of the Bigger Plan by allowing God's presence to be revealed and manifested through your life It was never God's intent for man to lose that relationship with Him But I thank the Lord that He finishes what He started with the early church of the Book of Acts God is no respecter of persons but He is a respecter of faith and integrity I pray that as you read this book that you will allow the Holy Spirit to nudge you and cause a fresh desire to prompt you to experience a freshness of the Holy Spirit There is more than what you have experienced in your past Clarence Dalrymple has experienced first hand the power of prayer and seeking God He knows the importance of knowing and praying over our spiritual heritage and witnessing the power of God as people seek God earnestly for revival His desire is to see a fresh move of the Holy Spirit within the church The Seven-Fold Spirit of God Keith

Miller, 2020-04-21 A Fresh Discovery of the Holy Spirit The Bible reveals that there are many dimensions to the Holy Spirit's character personality and power Unfortunately most believers live in a tragically limited experience of the Spirit's role But there is more Keith Miller has operated in the Holy Spirit's power for The Zondervan Pastor's Annual 2008 T.
