Rediscovered Ellington:

The Trumpet John Wallace, Alexander McGrattan, 2012-01-31 In the first major book devoted to the trumpet in more than two decades John Wallace and Alexander McGrattan trace the surprising evolution and colorful performance history of one of the world's oldest instruments. They chart the introduction of the trumpet and its family into art music and its rise to prominence as a solo instrument from the Baroque golden age through the advent of valved brass instruments in the nineteenth century and the trumpet's renaissance in the jazz age. The authors offer abundant insights into the trumpet's repertoire with detailed analyses of works by Haydn, Handel, and Bach and fresh material on the importance of jazz and influential jazz trumpeters for the reemergence of the trumpet as a solo instrument in classical music today. Wallace and McGrattan draw on deep research, lifetimes of experience in performing and teaching the trumpet in its various forms, and numerous interviews to illuminate the trumpet's history, music, and players. Copiously illustrated with photographs, facsimiles, and music examples throughout. *The Trumpet* will enlighten and fascinate all performers and enthusiasts. Publisher description

DuBois to Tiger Woods **Before he Kills (A Mackenzie White Mystery—Book 1)** Blake Pierce, 2016-05-19 From #1 bestselling author Blake Pierce comes a heart-pounding new mystery series. In the cornfields of Nebraska, a woman is found murdered, strung up on a pole, the victim of a deranged killer. It doesn't take long for the police to realize a serial killer is on the loose and that his spree has just begun. Detective Mackenzie White, young, tough, smarter than the aging chauvinistic men on her local force, finds herself called in, grudgingly, to help solve it. As much as the other officers hate to admit it, they need her young brilliant mind, which has already helped crack cold cases that had left them stumped. Yet even for Mackenzie, this new case proves an impossible riddle, something the likes of which she and the local force have ever seen. With the FBI called in, together, an intense manhunt ensues. Mackenzie, reeling from her own dark past, her failed relationships, and her undeniable attraction to the new FBI agent, finds herself battling her own demons as her hunt for the killer takes her to the darkest places of her mind. As she delves into the killer's mind, obsessing over his twisted psychology, she finds that evil truly does exist. She only hopes it will not be too late to extricate herself from it as her entire life collapses around her. As more bodies turn up dead and a frantic race against time ensues, there is no way out but to find him before he kills again. A dark psychological thriller with heart-pounding suspense, *BEFORE HE KILLS* marks the debut of a riveting new series and a beloved new character that will leave you turning pages late into the night. Book 2 in the Mackenzie White Mystery series will be available soon.
