Love Endures All Lisa Smith Akaba, 2023-01-24 *Love Endures All* is a novel written to encourage anyone who's been broken down to the core who's ever hit rock bottom who ever felt used and never felt like they were good enough to encourage you that God is love and he is with you even when you feel alone like you're by yourself remember the Lord is with you Everything you've been through or are going through He's with you Everything is a test to

prepare you to mature you to make you stronger to allow you to walk like Jesus Christ our Lord and to bring glory to his name So no matter what it looks like or feel like keep that love in your heart with love you can endure anything you can endure all things Don't give up because you're a child of God and he loves you he sees you and he died for you That alone should let you know how much God loves you and you are enough Don't worry about what people say or think about you Believe what God says about you because he chose you so choose him Believe what the Lord says about you when he created you he said It is good So you have to believe that *The Present Preacher* Liz Shercliff, Matt Allen, 2021-09-30 Good preaching depends on being attentive to God to the Bible to the congregation to the context to what influences and shapes the preacher This practical confidence building guide is for all who want to develop their preaching by homing in on that which points to God in the now Encouraging preachers in the ways that will make authentic connections with others it demonstrates that preaching in today's culture requires preachers to show up and be present in person rather than speak in role or act as religious spokespersons who take no responsibility for their message Based on the authors own training of ordinands it offers Insights on how to develop the habit of noticing God in the world Strategies for opening up and finding fresh meaning in familiar Bible texts Ways of understanding what influences your congregation and your own theology Sample sermons that embody these principles **Finding Myself in Thee** Jacqueline Faye Kennedy-Steen, 2004-01-30 Finding Myself in Thee is a book of short stories and poetry inspired by God with the help of many people who asked me to write and create for specific occasions The short stories are practical revelations of the natural correlating with the spiritual Each day that I wrote a story I consulted the Lord about what to write and I asked for divine intervention It not only touches the heart but meant to move you into a new realm of life in him Finding Myself Again Brad Otto, 2022-10-11 In the summer of 2020 gold medalist Simone Biles pulled herself from the Olympic competition because she knew that she wasn't mentally in a good place She was criticized belittled and told to suck it up Brad Otto a Lutheran pastor was in awe of how she handled it as he once found himself in a similar place with a similar lack of support In this book he highlights his struggles with mental health which have included trips to emergency rooms a stay at a mental hospital and a search to find inner peace and healing He reveals that as a pastor he felt as though he had to conform to a certain persona and mental illness did not align with what he was meant to convey Often the church failed to support him as he worked toward recovery The author observes that since we can't see our mental health we often ignore it As people around us can't see it either we have an excuse not to deal with it Join the author as he reveals how he's battled to find mental health in an often unforgiving world
