

REDISCOVERING THE ORIGINAL CHRIST TEACHINGS

The background of the entire image is a vibrant, abstract painting. It features a central, brilliant yellow and orange light source, possibly representing the sun or a divine spark, which radiates outwards. Swirling around this light are various shades of blue, green, and teal, creating a sense of movement and energy. In the lower center, a group of about seven or eight figures are depicted from behind, standing in a circle and looking towards the central light. They appear to be holding hands or are connected by a thin, glowing line. The overall composition is dynamic and spiritual, with a focus on light and unity.

Rediscovering Jesus Tony Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it's not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world
