Reducing Suicide A National Imperative:

Reducing Suicide Institute of Medicine, Board on Neuroscience and Behavioral Health, Committee on Pathophysiology and Prevention of Adolescent and Adult Suicide, 2002-10-01 Every year about 30 000 people die by suicide in the U S and some 650 000 receive emergency treatment after a suicide attempt Often those most at risk are the least able to access professional help Reducing Suicide provides a blueprint for addressing this tragic and costly problem how we can build an appropriate infrastructure conduct needed research and improve our ability to recognize suicide risk and effectively intervene Rich in data the book also strikes an intensely personal chord featuring compelling quotes about people s experience with suicide The book explores the factors that raise a person s risk of suicide psychological and biological factors including substance abuse the link between childhood trauma and later suicide and the impact of family life economic status religion and other social and cultural conditions The authors review the effectiveness of existing interventions including mental health practitioners ability to assess suicide risk among patients They present lessons learned from the Air Force suicide prevention program and other prevention initiatives And they identify barriers to effective research and treatment This new volume will be of special interest to policy makers administrators researchers practitioners and journalists working in the field of mental health *Reducing Suicide* ,2002

Cognitive Behavioral Therapy for Preventing Suicide Attempts Craig J. Bryan, 2015-02-11 Cognitive Behavioral Therapy for Preventing Suicide Attempts consolidates the accumulated knowledge and efforts of leading suicide researchers and describes how a common cognitive behavioral model of suicide has resulted in 50% or greater reductions in suicide attempts across clinical settings Simple and straightforward descriptions of these techniques are provided along with clear explanations of the interventions rationale and scientific support Critically specific adaptations of these interventions designed to meet the demands and needs of diverse settings and populations are explained The result is a practical clinician friendly how to guide that demonstrates how to effectively reduce the risk for suicide attempts in any setting

Evidence-Based Practice in Suicidology Maurizio Pompili, Roberto Tatarelli, 2010-12-01 An innovative and long overdue book by the world s leading researchers and practitioners describing what really works in suicide prevention the evidence for particular approaches where the gaps are in our knowledge and how we can fill them Suicide rat *SAMHSA News* ,2002

The International Handbook of Suicide Prevention Rory C. O'Connor, Jane Pirkis, 2016-09-14 The International Handbook of Suicide Prevention 2nd Edition presents a series of readings that consider the individual and societal factors that lead to suicide it addresses ways these factors may be mitigated and presents the most up to date evidence for effective suicide prevention approaches An updated reference that shows why effective suicide prevention can only be achieved by understanding the many reasons why people choose to end their lives Gathers together contributions from more than 100 of the world s leading authorities on suicidal behavior many of them new to this edition Considers suicide from epidemiological psychological clinical sociological and neurobiological perspectives

providing a holistic understanding of the subject Describes the most up to date evidence based research and practice from across the globe and explores its implications across countries cultures and the lifespan **The Death Knell Called**

Depression Dr. Tobe Momah,2015-10-26 Modern Medicine often times ignores the spiritual and religious connections to many common and debilitating psychiatric illnesses Dr Tobe Momah offers useful insights on a mental disorder that is currently overburdening the medical arena and for which long term solutions are still being keenly sought Kimberley Gordon

Encyclopedia of Social Problems Vincent N. Parrillo,2008-05-22 From terrorism to social inequality and from health care to environmental issues social problems affect us all The Encyclopedia will offer an interdisciplinary perspective into these and many other social problems that are a continuing concern in our lives whether we confront them on a personal local regional national or global level **Suicide Among Racial and Ethnic Minority Groups** Frederick T.L. Leong,Mark M. Leach,2010-04-15

Suicide Among Racial and Ethnic Minority Groups pulls together cutting edge empirical research from general cultural diversity literature and applies it to suicide assessment treatment and prevention theory and practice By looking outside of the limited cross cultural studies done within suicidal populations the contributors all established experts in both multicultural counseling and suicidology expand the available empirical literature base in order to provide a deeper look into how culture can act as an important catalyst in suicidal intentions **A Culture of Caring** Theodora

Schiro,2020-02-20 As awareness grows about the alarming increase in youth suicide rates school leaders need information on suicide prevention and postvention Tragically the search often begins only after the school community has suffered the loss of a student Schools must start to be proactive and educate themselves about risk factors and prevention strategies Designed as a handbook for busy educators A Culture of Caring A Suicide Prevention Guide for Schools K 12 includes information about prevention intervention and postvention along with commentary from experts in the field Each chapter stands alone and does not have to be read in sequence Resources and descriptions of programs relevant to each chapter are organized by topic School leaders counselors and teachers can use the information to create their own plans or just glance through it to get ideas With this book any school community that takes suicide prevention seriously will have access the knowledge tools and resources to save lives
