Reference Library of Black America Harry A. Ploski, 1990

Reference Library of Black America Jessie Carney Smith, Joseph M. Palmisano, 2000 Presents information on all aspects of Afro American life including politics employment and income education religion literature performing arts science and medicine and sports

Racism and Resistance Franziska Meister, 2017-04-15 Even a cursory look at U S society today reveals that protests against racial discrimination are by no means a thing of the past What can we learn from past movements in order to understand the workings of racism and resistance In this book Franziska Meister revisits the Black Panther Party and offers a new perspective on the Party as a whole and its struggle for racial social justice She shows how the Panthers were engaged in exposing structural racism in the U S and depicts them as uniquely resourceful imaginative and subversive in the ways they challenged White Supremacy while at the same time revolutionizing both the self conception and the public image of black people Meister thus highlights an often marginalized aspect of the Panthers how they sought to reach a world beyond race by going through race A message well worth considering in an age of color blindness

Multicultural Information Quests Marie Rodgers, 2000-03-15 If you re searching for research activities or multicultural topics for a diverse student population this is the book for you Reproducible quizzes guide students through subjects that range from holidays and food to sports heroes and literature Cultural searches are related to Hispanics Native Americans African Americans Asian Americans and other U S immigrant groups For each quest the author provides an annotated reference list search questions and an answer key This is a fun and inspirational approach to building research skills while fostering an appreciation of diversity
