Reflecting Christ:

Reflecting Christ Ellen G. White, 2009-08 During her 70 year ministry the author spoke through her pen to young people to church members and to the world in the The Youth s Instructor the Review and Herald and The Signs of the Times Selections for this book have been drawn from these three periodicals as well as from her books and previously unpublished manuscripts and letters Foreword **In His Image** Michael J. Wilkins, 2020-04-06 A Disciple will be like his teacher Luke 6 40 What does it mean to be a follower of Jesus The ultimate goal of discipleship is to be like the Teacher to be like Jesus Himself Every Christian wants to understand what that means But even if we understand it is it possible Michael Wilkins asserts that it s not only possible it s a life that all Christians are called to not just a select few So why do we so seldom experience it As Wilkins points out even the first followers of Jesus had a hard time grasping what it meant to be His disciples Like them our difficulty often lies in not clearly understanding who Jesus is not recognizing the resources available to us as God s children or not believing who we are to be as Christ s followers But like the early disciples our lives can radically change If we want to follow Jesus we can become like Him Jesus takes us exactly as He finds us writes Wilkins and transforms us into His likeness So come learn what it means to walk with Jesus and reflect His image to the real world
