Reflection Of Fear:

Reflections of Love and Loathing M. R. Gutierrez, 2014-01-30 On a hot June day Liliana a brilliant young woman of Native American Hispanic and Anglo Saxon heritage is irresistibly drawn to a cowboy despondently leaning on his truck on the side of the highway as she drives home to Grants Reflections of Love and Loathing takes place in New Mexico where Liliana loses her loving parents when she is five Secret resources enable her abusive alcoholic grandmother Carla to keep her so Liliana is forced to live with the persistent stalking of a serial pedophile Joe who is her great grandfather When Terry sees her recklessly cross the highway to come to his aid he begins the wild ride into Liliana s life After meeting Carla and Joe he has his doubts about being with Liliana but soon he realizes that love binds him to her After driving Terry to his destination in Texas Liliana learns that Carla has accused her of killing Joe and flees in panic She wakes to find herself broken and alone her truck wrecked in a deep arroyo Only her love for Terry gives her the strength to fight for survival in the flashflood that threatens to finish her off and only Terry s mysterious link to her allows him to find and rescue her While she lies broken in the hospital Terry learns of the perversions and misuse of power that maintained multigenerational sexual abuse that destroyed the lives of three generations of women and dominated Liliana s life with Carla Then begins Liliana s true challenge As her body heals she will have to rise above the emotional damage caused by Carla and the nightmare mirror image of Joe that tempts her to drive Terry away rather than face her fears and believe that she is worthy of Terry s love The most difficult challenge of all

Reflections of Challenges and Triumphs Lincoln Wallace, 2010-12-23 In his powerful autobiography Reflections of Challenges and Triumphs first time author Lincoln Wallace offers an introspective glance into his life s journey from suffering to triumph Living an emotionally impoverished childhood filled with self abnegation and doubt Lincoln could have gone on a downward spiral Instead paying heed to his own inner voice and holding fast to his dreams he lifted himself out of the toxicity of negative beliefs and erroneous misconceptions about his personhood and his destiny which he ultimately discovered only he could define Latching on to his natural gift for the martial arts Lincoln learned the art of respectful self defense Through seeking and encountering the best part of himself he continuously reaches out as a guide and mentor to his admiring family members and students He especially wants the disenfranchised marginalized youth of our society to understand that they can lift themselves up even if circumstances aren t ideal or they don t have role models to emulate and even if they are told that they are not good enough Such heartless criticisms outright falsehoods were meted upon Lincoln by his mother who berated and downgraded him Nonetheless he pursued and achieved his objective of becoming someone enriching lives in the process I want kids to know that if I did it they can do it too What good is having experiences and gaining knowledge if lessons can t be shared the author observes His story demonstrates that no matter how downcast a heart may be hope inheres in self belief holding one s head high having faith in a brighter dawn and knowing with every breath that such will come

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him Reflections of the Christ Mind presents the most

important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today
