Reflections From The Rappahannock Record:

Reflections from the Rappahannock Record John Howard Farmer, 1995-01-01 **Chesapeake Reflections** J H Hall, 2011-09-15 One man celebrates and laments his family's connection to a disappearing paradise of natural wildlife and beauty on the shores of Chesapeake Bay Between the Indian and Dividing Creeks near the mouth of the Rappahannock River in Virginia's Chesapeake Bay sits a parcel of land called Bluff Point Like most bay front villages the bountiful resources and majestic landscape of this area that once sustained watermen and sportsmen alike have been depleted as over harvesting poaching pollution and continued development have taken their toll threatening the very legacy of its people J H Hall's family first settled on this land shortly after the Civil War where they maintained a tradition of farming fishing and crabbing throughout the twentieth century Hall's words flow as splendidly as the tides in this collection of personal reminiscences and local and natural history honoring the lives of the watermen before him and the uncertainty surrounding those today

Confederate Exceptionalism Nicole Maurantonio, 2022-09-30 Along with Confederate flags the men and women who recently gathered before the Virginia Museum of Fine Arts carried signs proclaiming Heritage Not Hate Theirs they said was an open and visible protest against those who attacked us ours flags our ancestors or our Heritage How Nicole Maurantonio wondered did not hate square with a heritage grounded in slavery How do so called neo Confederates distance themselves from the actions and beliefs of white supremacists while clinging to the very symbols and narratives that tether the Confederacy to the history of racism and oppression in America The answer Maurantonio discovers is bound up in the myth of Confederate exceptionalism a myth whose components proponents and meaning this timely and provocative book explores The narrative of Confederate exceptionalism in this analysis updates two uniquely American mythologies the Lost Cause and American exceptionalism blending their elements with discourses of racial neoliberalism to create a seeming separation between the Confederacy and racist systems Incorporating several methods and drawing from a range of sources including ethnographic observations interviews and archival documents Maurantonio examines the various people objects and rituals that contribute to this cultural balancing act Her investigation takes in official modes of remembering the Confederacy such as the monuments and building names that drive the discussion today but it also pays attention to the more mundane and often subtle ways in which the Confederacy is recalled Linking the different modes of commemoration her work bridges the distance that believers in Confederate exceptionalism maintain while situated in history from the Civil War through the civil rights era the book brings much needed clarity to the constitution persistence and significance of this divisive myth in the context of our time **Why Vietnam** Margaret Colbert Brown, 2025-03-30 Explores the complex reasons behind the USA's involvement in Vietnam analyzing political social and military factors The reasons behind the USA's involvement in Vietnam remain a subject of extensive debate Initially America supported the French until their defeat at Dien Bien Phu which then shifted to backing the South Vietnamese government due to fears of communism spreading throughout Southeast Asia Why

Vietnam delves into the myriad reasons for US involvement examining theories that date back to 1918 when Woodrow Wilson ignored Ho Chi Minh's plea for independence at the Treaty of Versailles through to Johnson's full commitment to the undeclared war which restrained the military to a defensive role in protecting South Vietnam instead of an offensive one that would send troops across the DMZ into Laos and Cambodia. The questions of why the USA became involved whether their involvement was justified and if the war was ever winnable have been fiercely debated for over 50 years. This book seeks to address these whys by providing a thorough examination of all contributing factors from presidential actions to foreign policy and the social and political climates of the war era. **Reflections**, 1976. Congressional Record United States. Congress, 1971. The Chesapeake Bay Crater Wylie Poag, Christian Koeberl, Wolf Uwe Reimold, 2012-12-06. Bangs have replaced whimpers and the geological record has become much more exciting than it was thought to be. Derek Ager 1993. *The New Catastrophism* Cambridge University Press Cambridge p. xix. Scientific and public interest in asteroids, comets and meteorite impacts has never been more intense than right now. Much of this interest stems from the fervent debates surrounding the causes of the Cretaceous-Tertiary mass extinctions and their possible relationships to a giant bolide impact in Mexico's Yucatan Peninsula. Recent spectacular impacts on Jupiter and several near misses of our own planet by Near Earth Objects have intensified professional and popular discussion of society's imperative need to understand the process and effects of bolide impacts. In the United States the scientific community and the public as well were startled to learn in 1994 that the largest impact structure in this country had been detected beneath Virginia's portion of the Chesapeake Bay. Seismic surveys and deep coring revealed a huge crater 85 kilometers in diameter and more than a kilometer deep stretching from Yorktown Virginia to 15 kilometers out onto the shallow continental shelf. Several of Virginia's major population centers including Norfolk Hampton and Newport News are located on the western rim of the crater and still experience residual effects of the original collision 36 million years after the impact took place. Exploration and documentation of the Chesapeake Bay impact structure has proceeded in three phases. **The Rebellion Record**, 1864. Vols 1-8 each in three divisions separately pagged: I Diary of events II Documents and narratives III Poetry rumors and incidents. Vol 9 in two divisions omitting Diary of events v 10-11 and supplement Documents only. **The Rebellion Record: June '63-Nov. '63** Frank Moore, 1864.
