Reflections On The Psalms:

Reflections on the Psalms Clive Staples Lewis, 1958 The Psalms were written as songs and should be read more in the spirit of lyric poetry than as doctrinal treatises or sermons C S Lewis then shares with his characteristic grace and lucidity reflections on both the form and the meaning of select passages *Reflections on the Psalms* Croft Steven, 2015-05-07

Following in the footsteps of the bestselling *Reflections for Daily Prayer* this special undated companion provides insightful commentary on the Psalms as they are arranged in the Common Worship Psalter Some of the most outstanding writers from across the Anglican church offer insightful informed and inspiring reflections on all 150 psalms **Summary of C. S.**

Lewis's Reflections on the Psalms Everest Media, 2022-09-12T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Psalms were written by many poets and at many different dates Some are allowed to go back to the reign of David while others are later than the Babylonian Captivity Nothing more needs to be said about chronology in a scholarly work but it is important in a book like this 2 The Psalms are poems and must be read as such They are not doctrinal treatises nor even sermons Those who talk of reading the Bible as literature often mean reading it without regard for its main point 3 The Psalms are not doctrinal treatises nor sermons They are poems and should be read as such They are not practical guides 4 This book is not an apologetic work I am not trying to convince unbelievers that Christianity is true I am writing for those who already believe or those who are ready to suspend their disbelief while reading *Notes and reflections on the Psalms* Arthur Pridham (author of *Notes and reflections on the Psalms.*), 1852 **Notes and**

reflections on the Psalms Arthur PRIDHAM (Author of "Notes and Reflections on the Psalms."), 1869 **A God Who Comes Near** Rhoda A. Carpenter, 2019-08-06 This book is written to reawaken awareness of both the beauty of the psalms and their ability to speak with relevance to our contemporary culture a generation in danger of losing the psalmist's voice It is written for those who may have felt marginalized by church or society whether from loss tragedy illness or misuse of power May this generation hear the voice of the psalmist pointing them to a God who desires honest expression who comes close to listen to their cries and points them to a deeper understanding of who he is and how he loves May the words of the psalmist lead them out of isolation and into authentic community The author's approach to the psalms begins with recognition of the intertwining of imagery with the literary structure of the poetry found in the psalms The imagery in the psalms comes from an earthy connection of the psalmist with the land of scripture Understanding the imagery allows the reader to see the psalms and receive the message It deepens the relevance of the psalms to speak into the myriad contexts in our present day multi cultural world Recognition of the religious and social dynamics of ancient Israelite life such as kingship Zion as a place of God's presence and the covenant relationship of a people with their God provide further clues to understanding the message of the psalms Along with the rich imagery present in the psalms this book explores the literary structure of the poetry in the psalms Recognition of key characteristics of Hebrew poetry allows the words to sing In every psalm a vivid echo

of ancient voices resounds building century upon century of expression reaching into the present If one reads carefully the melodies and message can be heard The music of the psalms breathe with life and relevance Psalms are filled with movement to hope and praise Yet they address the reality that life at times hurts The psalmist gives honest voice to pain and affirms God s presence in the darkest moments of life This book explores the importance of lament both individually and in community as a vehicle to healing and a deeper understanding of God s care The book closes with an examination of five select psalms that are representative of different types of psalms found in the psalter They were chosen because of personal relevance Through imagery structure and voice the psalms convey movement from honest expression to hope Hope leads to thanksgiving Praise resounds because of who God is and how he cares *Reflections on the Psalms* (Clive Staples) Lewis C. S.,2020-01-16 A repackaged edition of the revered author s moving theological work in which he considers the most poetic portions from Scripture and what they tell us about God the Bible and faith In this wise *Reflections on the Psalms* Clive Staples Lewis,1987 Practical Reflections on the Psalms J.
