Reflections On Growing Old:

Light of Faith George Appleton,1995-01-01

The Granny Who Stands on Her Head Ann Richardson,2021-11-22

Somewhere in the middle of my seventies I realised that I liked being old So begins this set of engaging stories and thoughts on growing older by someone with a vast range of life experience to share Part memoir and part reflection on the joys and challenges of modern life this book explores the nature of old age and how it compares to what came before The author argues that being older does not have to be feared Even better it can be fun This kaleidoscopic book offers a refreshing and often funny look at a wide range of issues Including the personal awkwardness of a loss of memory a new take on the nature of ambition and sex at the age of 90 It challenges head on many of the prevalent myths and taboos surrounding old age You may never look at old age in the same way again

Old Soul, Young Spirit Adolfo Quezada,2015-05-27 This book adopts an optimistic view of aging It does not prescribe It provides no magic nostrums for eternal youth Instead its author Adolfo Quezada a counselor of many years centers on the soul and the spirit If there is any instruction in Old Soul Young Spirit it is in helping you to explore a path to contentment in aging It does this by describing ideals the best way to think about such vital matters as loss fear uncertainty one's purpose death and of course love This is a short book but it is long on thought

Reflections on Old Age Cornelius F. Murphy Jr.,2015-04-07 The English writer E M Forster described old age as a seductive combination of increased wisdom and decaying powers to which too little intelligence is devoted This book is a response to that criticism It explains how old age has been considered throughout the ages by philosophers poets and other literary figures and explores how the extraordinary increase of life expectancy that began in the last century has been sustained by science and medicine Unfortunately the general public still prefers to keep the elderly out of sight and especially out of mind To overcome this marginalization I call for the emergence of a more inclusive humanism one that is welcoming to persons of all ages To overcome the pervasive isolation of the elderly requires a new dialogue across all the living generations Echoing the sentiments of Cicero in his classic study of old age I also call for a reflective maturity to develop among the elderly one that reaches deeply into themselves and increases their understanding of the world around them Spiritual maturity demands growth in virtue and charity in the advance of years A reaching out to all in the pursuit of justice and the common good is strongly recommended The book concludes with some reflections upon hopes for personal immortality as well as the qualities of divine justice and mercy

The Time of Your Later Life Dr Declan

Lyons,2018-06-18 The Time of Your Later Life is a guide to help older people explore new possibilities and write new life narratives in the process of growing older It is an interpretation of some of the key events of the year seen through the eyes of a middle ager who happens to work as a psychiatrist for older people and who actively aspires to be a thriving older person The book reminisces recalls reinterprets and explores the themes and circumstances of the year based on a journey through the seasons It consists of 52 essays one for each week of the year exploring ThemesFestivalsRitualsOpportunities

With observations and wry perceptions challenging the reader to do more and get more out of life The intended audience for this book is the 16 per cent of the Irish population aged 65 and older but also middle agers approaching this age category as well as friends family members and supporters of older people irrespective of age in other words all of us

Growing Old in Christ Stanley Hauerwas, 2003-06-20 One of the hallmarks of contemporary culture is its attitude toward aging and the elderly Youth and productivity are celebrated in today's society while the elderly are increasingly marginalized This not only poses difficulties for old people but is also a loss for the young and middle agers who could learn much from the elderly including what it means to grow old and die in Christ Growing Old in Christ presents the first serious theological reflection ever on what it means to grow old particularly in our culture and particularly as a Christian In a full orb'd discussion of the subject eighteen first rate Christian thinkers survey biblical and historical perspectives on aging look at aging in the modern world and describe the Christian practice of growing old Along the way they address many timely issues including the medicalization of aging the debate over physician assisted suicide and the importance of friendships both among the elderly and between the elderly and the young Weighty enough to instruct theologians ethicists and professional caregivers yet accessible enough for pastors and general readers this book will benefit anyone seeking faith based insight into growing old Contributors David Aers David Cloutier Rowan A Greer Stanley Hauerwas Judith C Hays Richard B Hays Shaun C Henson L Gregory Jones Susan Pendleton Jones Patricia Beattie Jung D Stephen Long M Therese Lysaught David Matzko McCarthy Keith G Meador Charles Pinches Joel James Shuman Carole Bailey Stoneking Laura Yordy
