Zeljko Šević

Reform Of The Socialist System In Central And Eastern Europe:

Reform of the Socialist System in Central and Eastern Europe Martin J. Bull, Mike Ingham, 2016-07-27 This book analyzes the reform of the socialist system in Central and Eastern Europe and the former Soviet Union Uniquely it adopts a multi disciplinary perspective which includes authors from both Western Europe and the former Communist world The volume contains analyses of the prospects for civil society economic reform and privatisation theories of economic transition and the role of the state political change and the persistence of former Communist parties the prospects for democracy in the former Soviet Union and gender aspects of labour market reform

Banking Reforms in South-East Europe Zeljko Šević, 2002-10-29 Sevic offers an accessible and closely argued account of financial sector reform processes in Southeast Europe Sevic's book is the result of an extensive research project on banking sector reform in the Southeast European transitional economies undertaken since late 1998 an extensive look at this timely volume will pay handsome dividends and could help devise successful business plans Jens Bastian Southeast European and Black Sea Studies The book will be a very agreeable reading to experts on the region Its comprehensive analysis emphasises past and current conflicts the recourse to currency board arrangements and the persisting asymmetries with reference to the functioning of the banking system in Central Europe Banking Reforms in South East Europe is a book that college students in banking and financial markets and banking analysts should read Bruno S Sergi South East Europe Review Banking Reforms in South East Europe gives a critical and detailed overview of banking system restructuring in the transitional countries of South Eastern Europe Albania Bosnia and Herzegovina Bulgaria Croatia Macedonia Romania and Yugoslavia and offers suggestions for future reforms

Health Reforms in Post-Communist Eastern Europe Tamara Popic, 2023-01-01 This book provides the first in depth study of healthcare reforms in post communist Eastern Europe Combining insights from comparative politics and public policy analysis it examines health reforms in Slovenia the Czech Republic and Poland between 1989 and 2019 The book argues that the post communist transformation of healthcare policy has entailed a process of policy learning and that the countries reform pathways were shaped by a series of initiatives aimed at applying market oriented policy ideas in healthcare The success of these initiatives has been influenced by three factors policy legacies political competition and institutional configurations The book offers a novel comparison of health reform in the region and policy changes more generally It will appeal to scholars and students of public policy health policy and European politics

Work, Employment and Transition Al Rainnie, Adrian Smith, Adam Swain, 2005-07-28 Since the late 1980s the experiences of work and employment in the former communist world have been profoundly transformed Work Employment and Transition brings together a series of essays by leading international scholars which highlights the varied and complex forms that work and employment restructuring are taking in the post soviet world and makes important theoretical contributions to our understanding of these transformations

The Enlarged European Union Peter Mair, Jan Zielonka, 2012-12-06 Focusing upon the emerging patterns of unity and

diversity in the enlarged European Union this study explores enlargement from the East and the impact this will have on the future identity of Europe **Pressures for Reform in the East European Economies** ,1989 *The Political Economy of Fiscal Reform in Central-Eastern Europe* Frank Bönker,2006-01-01 Frank Bönker has done a masterful job This is probably the best book available on this important subject and its significance is not limited to studies of postcommunist societies It has important theoretical implications for everyone interested in the Political Economy of Policy Reform perspective within the field of comparative political economy John L Campbell Slavic Review **The Transformation of Economies in Central and Eastern Europe** Alan H. Gelb,Cheryl Williamson Gray,1991 **Recent Reforms of the Urban Housing System in Central and East Europe** William C. Thiesenhusen,2000 **Small Transformations** János Mátyás Kovács,2003 East Central Europe is about to bring its welfare reforms to the European Union Nevertheless in the course of the Accession one could hardly fix the European standards of social policy or examine to what degree the newcomers may have approached them Evidently there has always been a variety of welfare regimes in the EU Moreover today's experts in post communist countries do not find stable policies and institutional arrangements in the West but rather another reform process the domestication of the classical welfare states True the general trends are not dissimilar partial retrenchment decentralization marketisation and privatisation of public welfare services as well as an upsurge of the voluntary sector are the main characteristic features of regulating welfare on both sides of the former Iron Curtain These issues are addressed by the contributors of this volume leading representatives of their professions in an unprecedented way In avoiding the convenient cliché
