Reform and Intellectual Debate in Victorian England, 1830-1880 David Skilton, Barbara Dennis, 1986-12-01 **Reform and Intellectual Debate in Victorian England** Barbara Dennis, David Skilton, 2016-07-01 First published in 1987 Readers of Victorian literature both poetry and prose are constantly aware of a powerful undercurrent of change political social and intellectual which determines the shape of the literature being produced Topics covered include parliamentary reform the Gentleman religious debate and secular thought education leisure and attitudes to the arts and the Woman Question This title will be of interest to students of history *Imagining Soldiers and Fathers in the Mid-Victorian Era* Susan Walton, 2017-11-30 Beginning with the premise that women's perceptions of manliness are crucial to its construction The author focuses on the life and writings of Charlotte Yonge as a prism for understanding the formulation of masculinities in the Victorian period Yonge was a prolific writer whose bestselling fiction and extensive journalism enjoyed a wide readership The author situates Yonge's work in the context of her family connections with the army showing that an interlocking of worldly and spiritual warfare was fundamental to Yonge's outlook For Yonge all good Christians are soldiers and Walton argues persuasively that the medievalised discourse of sanctified violence executed by upright moral men that is often connected with late nineteenth century Imperialism began earlier in the century and that Yonge's work was one major strand that gave it substance Of significance Yonge also endorsed missionary work which she viewed as an extension of a father's duties in the neighborhood and which was closely allied to a vigorous promotion of refashioned Tory paternalism The author's study is rich in historical context including Yonge's connections with the Tractarians the effects of industrialization and Britain's Imperial enterprises Informed by extensive archival scholarship Walton offers important insights into the contradictory messages about manhood current in the mid nineteenth century through the works of a major but undervalued Victorian author **The Longman Anthology of British Literature: The Romantics and their contemporaries** David Damrosch, 1999 The Longman Compact Anthology of British Literature is a concise and thoughtfully arranged survey of British literature Within its pages canonical authors mingle with newly visible writers English accents are heard next to Anglo Norman Welsh Gaelic and Scottish ones female and male voices are set in dialogue literature from the British Isles is integrated with post colonial writing and major works are illuminated by clusters of shorter texts that bring literary social and historical issues vividly to life Readers interested in British Literature **The Longman Anthology of British Literature** David Damrosch, 2000 The Compact Edition of the first new anthology of British Literature in 25 years The Longman Anthology of British Literature Compact Edition presents the varieties of British literature within the dynamic cultural landscape of the British Isles From the Middle Ages to the present the Compact Edition is available in a single volume for the one semester course or in two volumes A and B for the two semester course [Longman Anthology British Literature Volume 2](#) Addison-Wesley Longman, Incorporated, 1998-07 **The Victorian Period** Robin Gilmour, 2014-09-19

This is a thought provoking synthesis of the Victorian period focusing on the themes of science religion politics and art It examines the developments which radically changed the intellectual climate and illustrates how their manifestations permeated Victorian literature The author begins by establishing the social and institutional framework in which intellectual and cultural life developed Special attention is paid to the reform agenda of new groups which challenged traditional society and this perspective informs Gilmour s discussion throughout the book He assesses Victorian religion science and politics in their own terms and in relation to the larger cultural politics of the middle class challenge to traditionalism Familiar topics such as the Oxford Movement and Darwinism are seen afresh and those once neglected areas which are now increasingly important to modern scholars are brought into clear focus such as Victorian agnosticism the politics of gender Englishness and photography The most innovative feature of this compelling study is the prominence given to the contemporary preoccupation with time The Victorians time hauntedness emerges as the defining feature of their civilisation the remote time of geology and evolution the public time of history the private time of autobiography
