Race on the QT Adilifu Nama,2015-04-15 Known for their violence and prolific profanity including free use of the n word the films of Quentin Tarantino like the director himself chronically blurt out in polite company what is extremely problematic even when deliberated in private Consequently there is an uncomfortable and often awkward frankness associated with virtually all of Tarantino s films particularly when it comes to race and blackness Yet beyond the debate over whether Tarantino is or is not racist is the fact that his films effectively articulate racial anxieties circulating in American society as they engage longstanding racial discourses and hint at emerging trends This radical racial politics always present in Tarantino s films but kept very much on the quiet is the subject of *Race on the QT* Adilifu Nama concisely deconstructs and reassembles the racial dynamics woven into *Reservoir Dogs* *True Romance* *Pulp Fiction* *Jackie Brown* *Kill Bill Vol 1* *Kill Bill Vol 2* *Death Proof* *Inglourious Basterds* and *Django Unchained* as they relate to historical and current racial issues in America Nama s eclectic fusion of cultural criticism and film analysis looks beyond the director s personal racial attitudes and focuses on what Tarantino s filmic body of work has said and is saying about race in America symbolically metaphorically literally impolitely cynically sarcastically crudely controversially and brilliantly Quentin Tarantino and Philosophy K. Silem Mohammad,2010 In *Quentin Tarantino and Philosophy* seventeen professional thinkers

shamelessly exploit the cinematic achievement of Tarantino for all the steamy sensational metaphysics and epistemology they can wring out of it Are these eruptions of intelligent thought merely a cynical hypnotic manipulation of our cerebral cortexes Or can we somehow relate them to the human values that really matter pyrotechnic car chases Mexican standoffs and exploding heads Is the philosophers preoccupation with quoting other philosophers nothing more than incestuous indulgence Or are they somehow conveying a deeper point about the enduring validity of amputated ears and anal rape In the final analysis only you the viewer can decide What can Reservoir Dogs teach us about the evolution of co operation Is Beatrix s revenge in Kill Bill both justified and self destructive Can we agree completely on what has happened and disagree on whether it was a miracle How is Pulp Fiction s Vincent doomed because of his messy bathroom habits Does Grind house Death Proof reflect the epoch in which everything that actually occurs is unreal With Tarantino and Philosophy it s the little differences like having your Royale with cheese dissected by a grease monkey with a blowtorch It s so bad it s good
