Residence Hall Assistants In College:

Residence Hall Assistants in College M. Lee Upcraft, Guy T. Pilato, 1982-11-03 The Resident Assistant Gregory S. Blimling, Lawrence J. Miltenberger, 1984-01-01 **The Resident Assistant** Gregory S. Blimling, 2003 The Resident **Assistant** GREGORY. BLIMLING, Denise Baumann, 2019-02 Making a Difference Stephen Beers, Skip Trudeau, 2015-10-13 Are you ready to make a difference Resident assistants are key leaders on a Christian college campus They build a sense of community serve as peer counselors and embody the mission of the university Making a Difference shows how this journey of service can be a rewarding and even life changing journey Undergraduate Students as Members of the Residence Hall Staff Elizabeth A. Greenleaf, 1967 The Resident Assistant Gregory Blimling, 2010 The Law of Higher Education, 2 Volumes William A. Kaplin, Barbara A. Lee, 2006-08-18 This fourth edition of the indispensable guide to the laws that bear on the conduct of higher education provides a revised and up to date reference research source and guide for administrators attorneys and researchers The book is also widely used as a text for graduate courses on higher education law in programs preparing higher education administrators for leadership roles. This new edition includes new and expanded sections on laws related to religious issues alternative dispute resolution the college and its employees collective bargaining at religious and private colleges whistleblower and other employee protections personal liability of employees nondiscrimination and affirmative action in employment campus technology and computer networks disabilities student academic freedom freedom of speech and hate speech student organizations rights responsibilities and activities fees athletes rights USA patriot act and immigration status public institutions and zoning regulations regulation of research coverage of retaliatory and extraterritorial acts federal civil rights statues Evolving Landscape of Residential Education Samuel Kai Wah Chu, Kevin Kin Man Yue, Christina Wai-Mui Yu, Elaine Suk Ching Liu, Chun Chau Sze, Kevin Conn, Elsie Ong, Michelle Wing-tung Cheng, Jingyuan Fu, Shida Hou, 2022-05-03 This book examines the alignment of residential educational aims and university educational aims in order to provide guidance for implementing university specific residential educational aims Grounded in a new theoretical model of residential education Residential Education in university probes into how university students adopt transformative learning through residential halls in different universities By reviewing case studies experience sharing and residential hall models in renowned universities in Asia U K and USA respectively this book offers a wide perspective to assess different residential education models in practice and useful programs to promote students learning outcomes The detailed discussion on how to create learning environments and align educational aims of residence and university to maximize learning outcomes in different cultural contexts provides readers with insight into how the residential experience in university can be improved **Diversity Issues in American Colleges** and Universities Lamont A. Flowers, 2004 The primary objective of this book is to help higher education and student affairs graduate students as well as current higher education and student affairs professionals practice and refine thinking skills

needed to resolve diversity related issues and problems on college and university campuses Within each chapter the author has included case studies that address all of the different aspects of diversity and the following functional areas within higher education and student affairs academic advising administration admissions career services counseling and psychological services financial aid Greek affairs international education institutional research judicial affairs multicultural affairs orientation services residence life student activities student development in the two year college teaching and wellness and student health The case studies are designed to serve as a useful starting point to enable students and professionals to practice examining and thoughtfully articulating appropriate plans of action in response to the issues presented in each Specifically each case study is designed to help readers recognize and develop multicultural awareness and become competent users of multicultural knowledge and related skills This book may be used as a supplementary textbook or a stand alone text in undergraduate or graduate level courses training modules workshops and seminars designed to provide opportunities to learn how to communicate with persons from different cultural backgrounds In addition the text contains a number of research projects that students and researchers will find interesting and challenging including some that may be expanded to serve as dissertation projects and or research publications **Student Learning in College Residence Halls** Gregory S. Blimling, 2015-01-20 Add value to the student experience with purposeful residential programs Grounded in current research and practical experience Student Learning in College Residence Halls What Works What Doesn t and Why shows how to structure the peer environment in residence halls to advance student learning Focusing on the application of student learning principles the book examines how neurobiological and psychosocial development influences how students learn in residence halls The book is filled with examples useful strategies practical advice and best practices for building community and shaping residential environments that produce measureable learning outcomes Readers will find models for a curriculum based approach to programming and for developing student staff competencies as well as an analysis of what types of residential experiences influence student learning An examination of how to assess student learning in residence halls and of the challenges residence halls face provide readers with insight into how to strategically plan for the future of residence halls as learning centers The lack of recent literature on student learning in college residence halls belies the changes that have taken place More traditional age students are enrolled in college than ever before and universities are building more residence halls to meet the increased demand for student housing This book addresses these developments reviews contemporary research and provides up to date advice for creating residence hall environments that achieve educationally purposeful outcomes Discover which educational benefits are associated with living in residence halls Learn how residential environments influence student behavior Create residence hall environments that produce measureable learning outcomes Monitor effectiveness with a process of systematic assessment Residence halls are an integral part of the college experience with the right programs in place they can become dynamic centers of student learning Student Learning

in College Residence Halls is a comprehensive resource for residence hall professionals and others interested in improving students learning experience Group Development and Group Leadership in Student Affairs Wendy Killam, Adam Carter, Suzanne Degges-White, 2020-10-02 Group Development and Group Leadership in Student Affairs provides readers with an overview of basic group dynamics and techniques that are effective in higher education and student affairs settings Student affairs professionals frequently use group work and team projects that require them to engage undergraduate students in ways that are unlike the classroom or less formal social setting To help these individuals navigate their new roles this book will provide an overview of basic group dynamics and leadership skills that facilitate productive group functioning The book will be both a textbook that provides content regarding group dynamics group theory and group leadership and a workbook guidebook that provides information and scenarios that encourage readers to consider how the basic group principals can be applied in various areas of student affairs College Life through the Eyes of Students Mary Grigsby, 2014-08-12 The struggles and achievements of today's college students are thrown into stark relief in this fascinating account of how such students make meaning of their lives Author Mary Grigsby uses the voices of students themselves to discuss how they view adjust to and participate in the college student culture of a large midwestern university and to explore what they think of their educational experiences Topics include a look at a typical day on campus student subcultures and the lifestyles they engender whether college life conforms to the images and scenarios of popular culture and student approaches to making it through college Going to college has become the major coming of age experience for many people in the United States and Mary Grigsby has provided a compelling readable and up to date account of this formative period <u>Library of Congress Subject Headings</u> Library of Congress,2009 The Whole College Catalog about Drinking National Institute on Alcohol Abuse and Alcoholism (U.S.),1976 Lifespan Development in Context Tara L. Kuther, 2023-02-24 Award winning author Tara Kuther presents Lifespan Development in Context Second Edition a topically oriented edition of her bestselling text that provides a panoramic view of the many influences that shape human development Kuther's student friendly narrative illustrates how the places sociocultural environments and ways in which we are raised influence who we become and how we grow and change throughout our lives Three core themes resonate throughout each chapter and across each developmental domain and topic the centrality of context the importance of research and the applied value of developmental science Foundational theories and classic studies are woven together with contemporary research and culturally diverse perspectives for a full updated introduction to the field that is both comprehensive and concise Case studies real world applications and video examples ignite critical thinking and class discussion ensuring students have the tools they need to apply course concepts to their lives and future careers Working With Students in Community Colleges Lisa S. Kelsay, Eboni M. Zamani-Gallaher, 2023-07-03 Co published with This timely volume addresses the urgent need for new strategies and better ways to serve community colleges present and future students at a time of rapid diversification not

just racially and ethnically but including such groups as the undocumented international students older adult learners and veterans all of whom come with varied levels of academic and technical skillsThe contributing researchers higher education faculty college presidents and community college administrators provide thorough understanding of student groups who have received scant attention in the higher education literature They address the often unconscious barriers to access our institutions have erected and describe emerging strategies frameworks and pilot projects that can ease students transition into college and through the maze of the college experience to completion They offer advice on organizational culture on defining institutional outcomes on aligning shifting demographics with the multiple missions of the community college on strengthening the collaboration of student and academic affairs to leverage their respective roles and resources and on engaging with the opportunities afforded by technology Divided into three parts understanding today's community college campuses supporting today s community college learners and specialized populations and communities this book offers a vision and solutions that should inform the work of faculty administrators presidents and board members Handbook for College Women Carol Weinberg, 1994-07-01 Increasingly college is portrayed as posing as many perils for young women as it does opportunities and challenges The cover of The New York Times Magazine tells us that Crime Turns The Campus into an Armed Campr at the same time that dozens of schools experience painful racial upheavals Date rape eating disorders drugs and alcohol hate crimes the recent firestorm over political correctnessall have combined recently to make college seem a daunting even threatening experience This need not be so says Carol Weinberg and in The Complete Handbook for College Women she provides concrete incisive advice to help young women make the most of their college experience Away from home for the first time in an unfamiliar environment paired with a stranger as a roommate the college student faces a number of imposing academic and social challenges As an experienced college administrator who has spent over twenty years working with students at a range of colleges Weinberg is an ideally suited guide to help young women navigate their way through what may well be the most formative experience of their lives Written in a straight forward personable manner The Complete Handbook for College Women is must reading for both college bound women and students already at school as well as a valuable guide for administrators parents and anyone involved with higher education Issues discussed include first arrival and issues of independence and responsibility family ties and loneliness assertiveness and conflict resolution physical and emotional health eating disorders alcohol and drugs codependency sexuality sexual harassment sexual abuse rape and personal safety and the many components of living in a diverse environment such as ethnicity religion sexual orientation class disability age and appearance Table of Contents Introduction 1 Arrival Independence Freedom and Responsibility 2 Family Ties 3 Assertiveness and Conflict Resolution 4 Taking Care of Yourself 5 Eating Disorders 6 Alcohol and Drugs 7 Codependency 8 Sexuality 9 Sexual Harassment 10 Sexual Abuse Rape and Personal Safety 11 Living in a Diverse Environment 12 Ethnicity and Culture 13 Religion 14 Sexual Orientation 15 Socioeconomic
