**Randi Rashkover**

## **Resisting History Historicism And Its Discontents In German Jewish Thought:**

**Resisting History** David N. Myers, 2010-01-10 Nineteenth century European thought especially in Germany was increasingly dominated by a new historicist impulse to situate every event person or text in its particular context At odds with the transcendent claims of philosophy and more significantly theology historicism came to be attacked by its critics for reducing human experience to a series of disconnected moments each of which was the product of decidedly mundane rather than sacred origins By the late nineteenth century and into the Weimar period historicism was seen by many as a grinding force that corroded social values and was emblematic of modern society's gravest ills *Resisting History* examines the backlash against historicism focusing on four major Jewish thinkers David Myers situates these thinkers in proximity to leading Protestant thinkers of the time but argues that German Jews and Christians shared a complex cultural and discursive world best understood in terms of exchange and adaptation rather than influence After examining the growing dominance of the new historicist thinking in the nineteenth century the book analyzes the critical responses of Hermann Cohen Franz Rosenzweig Leo Strauss and Isaac Breuer For this fascinating and diverse quartet of thinkers historicism posed a stark challenge to the ongoing vitality of Judaism in the modern world And yet as they set out to dilute or eliminate its destructive tendencies these thinkers often made recourse to the very tools and methods of historicism In doing so they demonstrated the utter inescapability of historicism in modern culture whether approached from a Christian or Jewish perspective

**Moses Mendelssohn's Living Script** Elias Sacks, 2016-12-12 Moses Mendelssohn 1729-1786 is often described as the founder of modern Jewish thought and as a leading philosopher of the late Enlightenment One of Mendelssohn's main concerns was how to conceive of the relationship between Judaism philosophy and the civic life of a modern state Elias Sacks explores Mendelssohn's landmark account of Jewish practice Judaism's living script to use his famous phrase to present a broader reading of Mendelssohn's writings and extend inquiry into conversations about modernity and religion By studying Mendelssohn's thought in these dimensions Sacks suggests that he shows a deep concern with history Sacks affords a view of a foundational moment in Jewish modernity and forwards new ways of thinking about ritual practice the development of traditions and the role of religion in society

**Salvation Through Spinoza** David Wertheim, 2011-09-23 This study chronicles Spinoza's German Jewish popularity during the years of the Weimar Republic 1918-1933 explaining it from the political moral and intellectual paradoxes with which Weimar Germany confronted its Jews

**Revelation and Theopolitics** Randi Rashkover, 2005-01-01 *Revelation and Theopolitics* Barth Rosenzweig and the Politics of Praise overcomes false dichotomies between reason and faith spawned by modernity's emphasis on rationalism arguing that such errors are overcome by a theology of testimony exemplified in the thought of Karl Barth and Franz Rosenzweig Rejecting the neo-Kantian emphasis on moral self-reliance Barth and Rosenzweig present what Rashkover terms a theology of testimony to the God who loves through the event of divine election Moreover determined by their scriptural theologies of testimony Barth

and Rosenzweig present a parallel re interpretation of the Word of God that re enlivens the meaningful and non dogmatic character of Jewish and Christian religious life and strengthens them to provide a voice of cultural criticism and faithful witness in the context of the challenges posed by contemporary society      **Post-everything** Herman Paul,Adriaan van Veldhuizen,2021-07-17 This electronic version has been made available under a Creative Commons BY NC ND open access license Postmodern postcolonial and post truth are broadly used terms But where do they come from When and why did the habit of interpreting the world in post terms emerge And who exactly were the post boys responsible for this Post everything examines why post Christian post industrial and post bourgeois were terms that resonated not only among academics but also in the popular press It delves into the historical roots of postmodern and poststructuralist while also subjecting more recent post constructions posthumanist postfeminist to critical scrutiny This study is the first to offer a comprehensive history of post concepts In tracing how these concepts found their way into a broad range of genres and disciplines Post everything contributes to a rapprochement between the history of the humanities and the history of the social sciences

*The Cultures of Maimonideanism* James T. Robinson,2009 In the history of Jewish thought no individual scholar has exercised more influence than Maimonides 1138 1204 philosopher and physician legal scholar and communal leader This collection of papers originating at the 2007 EAJIS colloquium places primary emphasis on this influence not on Maimonides himself but the many movements he inspired Using Maimonideanism as an interpretive lens the authors of this volume representing a variety of fields and disciplines develop new approaches to and fresh perspectives on the peculiar dynamic of Judaism and philosophy Focusing on social and cultural processes as well as philosophical ideas and arguments they point toward an original reconceptualization of Jewish thought      **Why History?** Donald Bloxham,2020-07-09 What is the point of history Why has the study of the past been so important for so long Why History A History contemplates two and a half thousand years of historianship to establish how very different thinkers in diverse contexts have conceived their activities and to illustrate the purposes that their historical investigations have served Whether considering Herodotus medieval religious exegesis or twentieth century cultural history at the core of this work is the way that the present has been conceived to relate to the past Alongside many changes in technique and philosophy Donald Bloxham s book reveals striking long term continuities in justifications for the discipline      The Politics of Immortality in Rosenzweig, Barth and Goldberg Mårten Björk,2022-04-21 Highlighting the central importance of theological configurations of immortality and eternal life from 1914 1945 Mårten Björk explores the key writings of Franz Rosenzweig Karl Barth and Oskar Goldberg to situate their ideas in relation to the political turmoil of the period including the rise of social Darwinism nationalism and fascism The conversations happening among Christian and Jewish theologians and philosophers on the nature of immortality and eternal life during the period constitute what Björk calls a politics of immortality The speculative question of eternal life became a way to address the meaning of a good life in a period when millions of lives were lost to war camps and prisons This book

shows how theology was related to central political concepts and ideas of the era revealing how the question of immortality pursued by Rosenzweig Barth and Goldberg became a way to resist the reduction of life to race blood and soil By situating the exact political consequences of theological and metaphysical theories of immortality and eternal life Bj rk s discussion of Rosenzweig Barth and Goldberg confronts the perennial question on the relation between life and death and exposes the important connections between political theology and philosophical posthumanism *The Future of Illusion* Victoria Kahn,2014-01-13 In recent years the rise of fundamentalism and a related turn to religion in the humanities have led to a powerful resurgence of interest in the problem of political theology In a critique of this contemporary fascination with the theological underpinnings of modern politics Victoria Kahn proposes a return to secularism whose origins she locates in the art literature and political theory of the early modern period and argues in defense of literature and art as a force for secular liberal culture Kahn draws on theorists such as Carl Schmitt Leo Strauss Walter Benjamin and Hannah Arendt and their readings of Shakespeare Hobbes Machiavelli and Spinoza to illustrate that the dialogue between these modern and early modern figures can help us rethink the contemporary problem of political theology Twentieth century critics she shows saw the early modern period as a break from the older form of political theology that entailed the theological legitimization of the state Rather the period signaled a new emphasis on a secular notion of human agency and a new preoccupation with the ways art and fiction intersected the terrain of religion Elias Bickerman as a Historian of the Jews Albert I. Baumgarten,2010 Albert Baumgarten presents the biography of one of the most distinguished historians of the Jews in antiquity that demonstrates the important connections between his scholarship life and times The events of the twentieth century provide the context for the analysis of Bickerman s scholarly production Back cover *Emil Fackenheim's Post-holocaust Thought* Kenneth Hart Green,Martin D. Yaffe,2021-11-17 Recognized as one of the leading philosophers and Jewish thinkers of the twentieth century Emil Ludwig Fackenheim has been widely praised for his boldness originality and profundity As is well known a striking feature of Fackenheim s thought is his unwavering contention that the Holocaust brought about a radical shift in human history so monumental and unprecedented that nothing can ever be the same again Fackenheim regarded it as the specific duty of thinkers and scholars to assume responsibility to probe this historical event for its impact on the human future and to make its immense ramifications evident In *Emil Fackenheim s Post Holocaust Thought and Its Philosophical Sources* scholars consider important figures in the history of philosophy including Kant Hegel Heidegger and Strauss and trace how Fackenheim s philosophical confrontations with each of them shaped his overall thought This collection details which philosophers exercised the greatest influence on Fackenheim and how he diverged from them Incorporating widely varying approaches the contributors in the volume wrestle with this challenge historically politically and philosophically in order to illuminate the depths of Fackenheim s own thought **Nietzsche and Jewish Political Theology** David Ohana,2018-10-04 Nietzsche and Jewish Political Theology is the first book to explore the impact

of Friedrich Nietzsche's work on the formation of Jewish political theology during the first half of the twentieth century. It maps the many ways in which early Jewish thinkers grappled with Nietzsche's powerful ideas about politics, morality, and religion in the process of forging a new and modern Jewish culture. The book explores the stories of some of the most important Jewish thinkers who utilized Nietzsche's writings in crafting the intellectual foundations of Jewish modern political theology. These figures' political convictions ranged from orthodox conservatism to pacifist anarchism, and their attitude towards Nietzsche's ideas varied from enthusiastic embrace to ambivalence and outright rejection. By bringing these diverse figures together, the book makes a convincing argument about Nietzsche's importance for key figures of early Zionism and modern Jewish political thought. The present study offers a new interpretation of a particular theological position which is called heretical religiosity. Only with modernity and paradoxically with rapid secularization did one find heretical religiosity at full strength. Nietzsche enabled intellectual Jews to transform the foundation of their political existence. It provides a new perspective on the adaptation of Nietzsche's philosophy in the age of Jewish national politics and at the same time is a case study in the intellectual history of the modern Jewry. This new reading on Nietzsche's work is a valuable resource for students and researchers interested in philosophy, Jewish history, and political theology.

Karl Barth: Post-Holocaust Theologian?  
George Hunsinger, 2018-02-22

Karl Barth's attitude toward the Jews, despite some admittedly unfortunate elements, still has much to commend it, and the essays in this volume discuss this matter. The contributors examine numerous topics: the extent to which Barth compares favorably with recent post-Holocaust theologies; Barth's position on the Jews during the Third Reich; his critique of the German Christian Volkish church on ethical grounds. The discussion tackles Barth's dialectical "Yes to Israel's christological No," it unpacks his ground-breaking exegesis of Rom 9:11, as well as examines Barth's rejection of the 1933 Aryan Law that formed the basis for excluding baptized Jews from Christian communities during the Third Reich. The essays also examine Barth's later worries about *Nostra Aetate*, Vatican II's landmark Declaration on the Relation of the Church to Non-Christian Religions. This is followed by an in-depth explanation of how Barth's theology differentiated the question of religious pluralism from the church's relationship with Judaism. This inspiring volume concludes by taking up the neglected question of Barth's place in modern European history.

*Jewish Studies as Counterlife*  
Adam Zachary Newton, 2019-06-04

This book tells the story of a Jewish Studies that hasn't fully happened at least not yet. Newton asks what we mean when we say Jewish Studies and when we imagine it not as mere amalgam but as a project. Jewish Studies offers a unique perspective from which to view the horizon of the academic humanities because although it arrived belatedly, it has spanned a range of disciplinary locations and configurations from an origin story in nineteenth-century historicism and philology to the emancipatory politics of the Enlightenment to the ethnicity-driven pluralism of the postwar decades to more recent configurations within an interdisciplinary cultural studies. The conflicted allegiances with respect to traditions, disciplines, divisions, stakes, and stakeholders represent the structural and historical situation of the field as it comes into contact with

the humanities more broadly At once a literary and philosophical thinker Newton deploys a tableau of texts in concert with an ensemble of vivid elastic tropes not only to theorize Jewish Studies but also to reimagine it as an agent of that potency Jacques Derrida calls leverage a force multiplier for the field s multiple possibilities In refiguring a Jewish Studies to come the book intervenes in a broader discourse about the challenge of professing disciplinary knowledges while promoting transit across their boundaries Jewish Studies as Counterlife further amplifies Newton s career long articulation of the dialogic as the staging ground of ethical encounter

**Popes and Jews, 1095-1291** Rebecca Rist, 2016 In *Popes and Jews 1095-1291* Rebecca Rist explores the nature and scope of the relationship of the medieval papacy to the Jewish communities of western Europe Rist analyses papal pronouncements in the context of the substantial and on going social political and economic changes of the eleventh twelfth and thirteenth centuries as well the characters and preoccupations of individual pontiffs and the development of Christian theology She breaks new ground in exploring the other side of the story Jewish perceptions of both individual popes and the papacy as an institution through analysis of a wide range of contemporary Hebrew and Latin documents The author engages with the works of recent scholars in the field of Christian Jewish relations to examine the social and legal status of Jewish communities in light of the papacy s authorisation of crusading prohibitions against money lending and condemnation of the Talmud as well as increasing charges of ritual murder and host desecration the growth of both Christian and Jewish polemical literature and the advent of the Mendicant Orders *Popes and Jews 1095-1291* is an important addition to recent work on medieval Christian Jewish relations Furthermore its subject matter religious and cultural exchange between Jews and Christians during a period crucial for our understanding of the growth of the Western world the rise of nation states and the development of relations between East and West makes it extremely relevant to today s multi cultural and multi faith society

**Leo Strauss and the Politics of Exile** Eugene Sheppard, 2014-10-07 Born in rural Hesse Germany Leo Strauss 1899-1973 became an active Zionist and philosopher during the tumultuous and fractious Weimar Republic As Eugene R Sheppard demonstrates in this groundbreaking and engaging book Strauss gravitated towards such thinkers as Franz Rosenzweig Martin Heidegger and Carl Schmitt as he sought to identify and overcome fundamental philosophical political and theological crises The rise of Nazism impelled Strauss as a young Jewish migr first in Europe and then in America to grapple with and accommodate his thought to the pressing challenges of exile In confronting his own state of exile Strauss enlisted premodern Jewish thinkers such as Moses Maimonides and Baruch Spinoza who earlier addressed the problem of reconciling their competing loyalties as philosophers and Jews This is the first study to frame Strauss s political philosophy around his critique of liberalism and the problem of exile Sheppard follows Strauss from Europe to the United States a journey of a conservative Weimar Jew struggling with modern liberalism and the existential and political contours of exile Strauss sought to resolve the conflicts of a Jew unwilling to surrender loyalty to his ancestral community and equally unwilling to adhere to the strictures of orthodox observance Strauss saw truth and wisdom as transcending

particular religious and national communities as well as the modern enlightened humanism in which he himself had been nurtured In his efforts to navigate between the Jewish and the philosophical the ancient and the modern Berlin and New York Strauss developed a distinctively programmatic way of reading and writing between the lines Sheppard recaptures the complexity and intrigue of this project which has been ignored by those who both reject and claim Strauss s legacy     **The Waning of Emancipation** Guy Miron,2011-11-15 Explores the role of public memory and images of the past in the Jewish communities of Germany France and Hungary as they faced changing political and social conditions With the rise of Fascism in Europe and particularly the ascent of Germany s Nazi Party Jews in Germany and eastern and western Europe were forced to cope with an eroding civil and social status increasing daily limitations and a dark future on the horizon This reality looked very different from the recent past of emancipation in which Jewish citizens had enjoyed civic equality and the advance of social integration In *The Waning of Emancipation Jewish History Memory and the Rise of Fascism in Germany France and Hungary* author Guy Miron examines how Jewish spokespeople from three European communities Germany France and Hungary confronted these challenges and whether they coped by holding onto historical perceptions that materialized during the emancipation era or by adopting new views Miron demonstrates that pre Holocaust Germany France and Hungary make interesting case studies because of the divergence of the starting points for emancipation in each country their unique and complex political cultures both during the golden age of emancipation and after its decline and the distinct relationship each held between church and state In three sections Miron considers the three countries in turn with two chapters devoted to how each community came to terms with the crisis in relation to its internal diversity and political divisions To analyze the evolving Jewish public discourse in each country Miron consults numerous primary sources including articles and essays that appeared in Jewish journals and periodicals as well as literature mostly popular published by Jewish publishing houses Along the way Miron addresses wider questions of Jewish identity and self consciousness and the cultural memory of Jewish emancipation during the rise of Fascism Miron s examination of the range of Jewish responses to the waning of emancipation will contribute to the discourse on politics of representation of the past in each of the three countries and also draw attention to the internal diversity and political divisions within each Scholars of Jewish and European history will benefit from the careful research in this volume     *The Stakes of History* David N. Myers,2018-01-09 A leading scholar of Jewish history s bracing and challenging case for the role of the historian today Why do we study history What is the role of the historian in the contemporary world These questions prompted David N Myers s illuminating and poignant call for the relevance of historical research and writing His inquiry identifies a number of key themes around which modern Jewish historians have wrapped their labors liberation consolation and witnessing Through these portraits Myers revisits the chasm between history and memory revealing the middle space occupied by modern Jewish historians as they work between the poles of empathic storytelling and the critical sifting of sources History properly applied can both destroy ideologically rooted myths that breed

group hatred and create new memories that are sustaining of life Alive in these investigations is Myers s belief that the historian today can and should attend to questions of political and moral urgency Historical knowledge is not a luxury to society but an essential requirement for informed civic engagement as well as a vital tool in policy making conflict resolution and restorative justice

**Heidegger and Kabbalah** Elliot R. Wolfson,2019-10-01 While many scholars have noted Martin Heidegger s indebtedness to Christian mystical sources as well as his affinity with Taoism and Buddhism Elliot R Wolfson expands connections between Heidegger s thought and kabbalistic material By arguing that the Jewish esoteric tradition impacted Heidegger Wolfson presents an alternative way of understanding the history of Western philosophy Wolfson s comparison between Heidegger and kabbalah sheds light on key concepts such as hermeneutics temporality language and being and nothingness while yielding surprising reflections on their common philosophical ground Given Heidegger s involvement with National Socialism and his use of antisemitic language these innovative readings are all the more remarkable for their juxtaposition of incongruent fields of discourse Wolfson s entanglement with Heidegger and kabbalah not only enhances understandings of both but more profoundly serves as an ethical corrective to their respective ethnocentrism and essentialism Wolfson masterfully illustrates the redemptive capacity of thought to illuminate common ground in seemingly disparate philosophical traditions

**Secularism in Question** Ethan B. Katz,2015-07-16 Secularism in Question examines how twentieth century revivals of religion prompt a reconsideration of many issues concerning Jews and Judaism in the modern era Scholars of Jewish history religion philosophy and literature illustrate how the categories of religious and secular have frequently proven far more permeable than fixed

Yeah, reviewing a book **Resisting History Historicism And Its Discontents In German Jewish Thought** could increase your near associates listings. This is just one of the solutions for you to be successful. As understood, finishing does not recommend that you have fabulous points.

Comprehending as with ease as concurrence even more than additional will provide each success. next-door to, the proclamation as competently as acuteness of this Resisting History Historicism And Its Discontents In German Jewish Thought can be taken as capably as picked to act.

## **Resisting History Historicism And Its Discontents In German Jewish Thought Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Resisting History Historicism And Its Discontents In German Jewish Thought has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Resisting History Historicism And Its Discontents In German Jewish Thought has opened up a world of possibilities. Downloading Resisting History Historicism And Its Discontents In German Jewish Thought provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Resisting History Historicism And Its Discontents In German Jewish Thought has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Resisting History Historicism And Its Discontents In German Jewish Thought. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Resisting History Historicism And Its Discontents In German Jewish Thought. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Resisting History Historicism And Its Discontents In German Jewish Thought, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Resisting History Historicism And Its Discontents In German Jewish Thought has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Resisting History Historicism And Its Discontents In German Jewish Thought Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Resisting History Historicism And Its Discontents In German Jewish Thought is one of the best book in our library for free trial. We provide copy of Resisting History Historicism And Its Discontents In German Jewish Thought in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Resisting History Historicism And Its Discontents In German Jewish Thought. Where to download Resisting History Historicism And Its Discontents In German Jewish Thought online for free? Are you looking for Resisting History Historicism And Its Discontents In German Jewish Thought PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Resisting History Historicism And Its Discontents In German Jewish Thought. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should

consider finding to assist you try this. Several of Resisting History Historicism And Its Discontents In German Jewish Thought are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Resisting History Historicism And Its Discontents In German Jewish Thought. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Resisting History Historicism And Its Discontents In German Jewish Thought To get started finding Resisting History Historicism And Its Discontents In German Jewish Thought, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Resisting History Historicism And Its Discontents In German Jewish Thought So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Resisting History Historicism And Its Discontents In German Jewish Thought. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Resisting History Historicism And Its Discontents In German Jewish Thought, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Resisting History Historicism And Its Discontents In German Jewish Thought is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Resisting History Historicism And Its Discontents In German Jewish Thought is universally compatible with any devices to read.
