## **Resisting Writings Smu Studies In Composition And Rhetoric:**

**Resisting Writings (and the Boundaries of Composition)** Derek Owens, 1994 A pragmatic work that begins with analyses of experimental expository prose avant garde feminist poetics African American discourse hypertext and other innovative discourse influences and goes on to present a series of proposals intended for teachers theorists graduate students and administrators

**Teaching Writing** Christina Russell McDonald, Robert L. McDonald, 2002 Teaching Writing Landmarks and Horizons edited by Christina Russell McDonald and Robert L McDonald is designed to present an overview of some of the major developments in the establishment of composition studies as a field during the past thirty five years The essays are theoretically grounded but are focused on pedagogy as well Divided into two parts the first presents nine landmark essays selected and introduced by distinguished composition scholars and the second brings together eight new essays by emerging scholars

**Resisting Writings (and the Boundaries of Composition)** Derek Owens, 1994 A pragmatic work that begins with analyses of experimental expository prose avant garde feminist poetics African American discourse hypertext and other innovative discourse influences and goes on to present a series of proposals intended for teachers theorists graduate students and administrators

**Resources in Education**, 1994 *Design Discourse* David Franke, Alex Reid, 2010-10-06 Design Discourse Composing and Revising Programs in Professional and Technical Writing addresses the complexities of developing professional and technical writing programs The essays in the collection offer reflections on efforts to bridge two cultures what the editors characterize as the art and science of writing often by addressing explicitly the tensions between them Design Discourse offers insights into the high stakes decisions made by program designers as they seek to function at the intersection of the practical and the abstract the human and the technical

*Forthcoming Books* Rose Arny, 1993 **Subject Guide to Books in Print**, 1993 *Directory of American Scholars: English speech and drama*, 1999 *Rhetoric and Composition As Intellectual Work* Gary A. Olson, 2002 In response to those who insist that rhetoric and composition should remain only a service discipline editor Gary A Olson's *Rhetoric and Composition as Intellectual Work* demonstrates that it already is an intellectual discipline that for at least a quarter of a century the field has developed an impressive tradition of intellectual work in a remarkable assortment of subject areas *Rhetoric and Composition as Intellectual Work* suggests the diversity of intellectual projects that have and will continue to make rhetoric and composition more than a service to the university more than a field devoted solely to improving writing pedagogy and more than a preliminary to literary studies This collection of nineteen essays by some of the most distinguished scholars in the discipline illustrates that rhetoric and composition has much to contribute to the intellectual milieu of the contemporary university as the field continues to push its disciplinary borders and discover new sites of investigation

Publisher's description **The Longman Anthology of British Literature** David Damrosch, 2003 The goal of this anthology is to present a wealth of poetry prose and drama from the full sweep of the literary history of the British Isles and

to do so in ways that will bring out both the works original cultural contexts and their lasting aesthetic power Linguistics and Language Behavior Abstracts ,1993 **The Longman Anthology of British Literature: The Middle Ages** David Damrosch,2003 The Longman Anthology of British Literatureis the most comprehensive and thoughtfully arranged book on the market Approaching literature from a broad cultural perspective the anthology offers a rich selection of fiction drama and poetry by major British authors The second edition of The Longman Anthology of British Literatureincludes key major additions of important works an expanded illustration program and new translation of Beowulf Fresh and up to date introductions and notes are written by an editorial team whose members are all actively engaged in teaching and in current scholarship and one hundred illustrations show both artistic and cultural developments from the medieval period through the 18th Century Perspectives sections shed light on individual periods but are also positioned to link with surrounding works Companion readings provide additional context for and special insight into key readings For avid readers of British Literature
