**Resolving Conflicts between Human Rights** Stijn Smet, 2016-11-10 Under the influence of the global spread of human rights legal disputes are increasingly framed in human rights terms Parties to a legal dispute can often invoke human rights norms in support of their competing claims Yet when confronted with cases in which human rights conflict judges face a dilemma They have to make difficult choices between superior norms that deserve equal respect In this high level book the author sets out how judges the world over could resolve conflicts between human rights He presents an innovative legal theoretical account of such conflicts questioning the relevance of the influential proportionality test to their resolution Instead the author develops a novel resolution framework specifically designed to tackle human rights conflicts The book combines concerted normative theory with profound practical analysis firmly rooting its theoretical arguments in human rights practice Although the analysis draws primarily on the case law of the European Court of Human Rights the book's core arguments are applicable to judicial practice in general As such the book should be of great interest to academics postgraduate students and legal practitioners in Europe and beyond The book is

particularly suited for use in advanced courses on legal theory human rights law and jurisprudence      *Christian Marriage*  
David Michael Thomas, 2007 Thomas presents a positive view of Christian marriage grounded in sacramental living He  
reflects on how current theological cultural and economic perspectives influence and inform Christian marriage
