Patrick Vollmar

Resource Management For Individuals And Families With Infotrac:

Resource Management for Individuals and Families Elizabeth B. Goldsmith, 2000 RESOURCE MANAGEMENT FOR INDIVIDUALS AND FAMILIES applies modern management theory and evaluation to decision making and problem solving within the family unit The text applies principles of planning implementing and evaluating needs in household settings

Resource Management for Individuals and Families Elizabeth B. Goldsmith, 2013 Resource Management for Individuals and Families contains 14 well organized chapters divided into four parts to introduce students to the best of management thinking and practice The fifth edition offers a new interactive approach to teaching resource management through special features that are specifically designed to reflect the themes of choice and decision making supporting students interest and learning To engage the reader many chapters begin with a case or story from the news about families This edition continues to pay close attention to meeting the standards and criteria for the Certified Family Life Educator CFLE designation of the National Council on Family Relations NCFR *Renegade Kids, Suburban Outlaws* Wayne S. Wooden, Randy Blazak, 2001 Topics covered include exploring boundary between deviance and criminality in the lives of young people who are deeply involved in the youth culture show how youth culture is not a set of categories so much as it is a dynamic and creative response to the confusions of growing up in modern society **Introduction to Sociology (with InfoTrac)** Henry L. Tischler, 2001-12-06 This revised edition of Tischler s INTRODUCTION TO SOCIOLOGY continues a tradition of providing proven textbooks to students and professors at lower prices This value is enhanced with the inclusion of the built in study guide and practice tests The author threads two basic ideas through the text that sociology is a rigorous scientific discipline and that a basic knowledge of sociology is essential for understanding social interaction in many work and social settings Each chapter progresses from a specific to a general analysis of society each part introducing increasingly more comprehensive factors necessary for a broad based understanding of social organization **Resource Management for Individuals and Families**, 2015 *Collection Development and Management for 21st Century Library Collections* Vicki L. Gregory, 2019-07-03 Packed with discussion questions activities suggested additional references selected readings and many other features that speak directly to students and library professionals Gregory s Collection Development and Management for 21st Century Library Collections is a comprehensive handbook that also shares myriad insightful ideas and approaches valuable to experienced practitioners This new second edition brings an already stellar text fully up to date presenting top to bottom coverage of the impact of new technologies and developments on the discipline including discussion of e books open access globalization self publishing and other trends needs assessment policies and selection sources and processes budgeting and fiscal management collection assessment and evaluation weeding with special attention paid to electronic materials collaborative collection development and resource sharing marketing and outreach self censorship as a component of intellectual freedom professional ethics and other legal issues diversity and ADA issues preservation and the

future of the field Additional features include updated vendor lists samples of a needs assessment report a collection development policy an approval plan and an electronic materials license **Directory of Special Libraries and Information Centers** ,2009 **Marriages and Families** Karen Seccombe,Rebecca L. Warner,2004 In this fresh more structural alternative to other texts for the marriage and family course Seccombe and Warner provide a comprehensive look at close relationships and the family in just 15 chapters Examining close relationships and families by placing them in social context the authors offer a unique emphasis on the structural and relational aspects of the family with a focus on family resilience The text weaves together a macro view social structural analysis of close relationships with the macro an individualist view The authors demonstrate the interaction of theory and methodology in family studies in Chapter 2 and blend cutting edge research and practical applications throughout Among the highlights of this first edition are the exceptionally thorough exploration of the topics of singlehood and cohabitation in Chapter 7 and the unique six chapter core 8 13 that focuses on all aspects of parenthood and the challenges and crises that families face today The authors emphasis on family resilience and how families can be strengthened is reflected in the Constructing Strong Families boxes that appear throughout the text These features encourage students to apply groundbreaking research on what makes a family strong to their own families and in the concluding chapter Looking Ahead Helping Families Flourish which examines the factors that successful families regardless of ethnicity culture or social class consistently exhibit Resources in Education ,1994

Library & Information Science Abstracts ,1998 **Current Catalog** National Library of Medicine (U.S.),1993 **The Library Journal** ,1998-07 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Irm-Soc** Brym,Lie,2004-03
