Responding To Probation And Parole Violations:

Responding to Probation and Parole Violations Dale G. Parent, 1995-11 Reports on a growing practice in American corrections developing policies that guide discretionary responses to probation and parole violations Includes topics on reason for the increasing numbers of violators and absconders detection changes of types of offenders on probation and parole trends in responding to violations improved management practices responses to absconders efforts to locate absconders and more Tables **Responding to Parole and Probation Violations**, 2001 **Responding to Probation and Parole Violations** Dale G. Parent, 1994 **Responding to Parole and Probation Violations** National Institute of Corrections U, Madeline M Carter, 2025-05-22 This handbook discusses policy responses to probation and parole violations that enhance the effectiveness of supervision while also improving community safety Chapters include Critical issues in violations an overview The importance of vision mission goals and core values Collaboration a central ingredient for success Developing baseline information Supervision Developing tools to make the policy work Increasing available choices to violation response Outcome based interventions Monitoring the impact of the policy And tangible outcomes This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Responding to Probation and Parole Violations, 1994 Policy-driven Responses to Probation and Parole Violations Peggy B. Burke, 1997 *Prosecutors Perspective*, 1987 **The Oxford Handbook of Sentencing and Corrections** Joan Petersilia, Kevin R. Reitz, 2015 This handbook surveys American sentencing and corrections from global and historical views from theoretical and policy perspectives and with attention to a number of problem specific issues Crime and Public Policy James Q. Wilson, Joan Petersilia, 2012-06-01 Crime in the United States has fluctuated considerably over the past thirty years as have the policy approaches to deal with it During this time criminologists and other scholars have helped to shed light on the role of incarceration prevention drugs guns policing and numerous other aspects to crime control Yet the latest research is rarely heard in public discussions and is often missing from the desks of policymakers This book accessibly summarizes the latest scientific information on the causes of crime and evidence about what does and does not work to control it Thoroughly

revised and updated this new version of Crime and Public Policy will include twenty chapters and five new substantial entries. As with previous editions each essay reviews the existing literature, discusses the methodological rigor of the studies, identifies what policies and programs the studies suggest, and then points to policies now implemented that fail to reflect the evidence. The chapters cover the principal institutions of the criminal justice system: juvenile justice, police, prisons, probation, and parole; sentencing; how broader aspects of social life inhibit or encourage crime; biology; schools; families; communities; and topics currently generating a great deal of attention: criminal activities of gangs, sex offenders, prisoner reentry, changing crime rates. With contributions from trusted leading scholars, Crime and Public Policy offers the most comprehensive and balanced guide to how the latest and best social science research informs the understanding of crime and its control for policymakers, community leaders, and students of crime and criminal justice.

Handbook of Evidence-Based Substance Abuse Treatment in Criminal Justice Settings Carl Leukefeld, Thomas P. Gullotta, John Gegrich, 2011-08-28

Get high. Become addicted. Commit crimes. Get arrested and be sent to jail. Get released. Repeat. It's a cycle often destined to persist in large part because the critical step that is often missing in the process is treatment geared toward ensuring that addicts are able to reenter society without the constant threat of imminent relapse. The Handbook of Evidence-Based Substance Abuse Treatment in Criminal Justice Settings probes the efficacy of corrections-based drug interventions, particularly behavioral treatment. With straightforward interpretation of data that reveals what works, what doesn't, and what needs further study, this volume navigates readers through the criminal justice system, the history of drug treatment for offenders, and the practical problems of program design and implementation. Probation and parole issues, as well as concerns specific to special populations such as women, juvenile offenders, and inmates living with HIV/AIDS, are also examined in detail. The Handbook's wide-ranging coverage includes biology and genetics of the addicted brain; case management for substance-abusing offenders; integrated treatment for drug abuse and mental illness; evidence-based responses to impaired driving; monitoring technology and alternatives to incarceration; the use of pharmacotherapy in rehabilitation. This must-have reference work is a comprehensive and timely resource for clinicians, researchers, and graduate students across a variety of disciplines, including clinical psychology, criminology, and criminal justice counseling and educational policy makers.

Perspectives on Community-Based Corrections Justin C. Medina, Jillian L. Eidson, 2024 A concise introductory text for students wishing to gain insight on the complexities of community based corrections **In a Box** Merry Morash, 2024-02-13

In a Box draws on the experiences of more than one hundred Michigan women on probation or parole to analyze how court state and federal policies hamper the state's efforts at gender responsive reforms in community supervision. Closely narrating the stories of six of these women, Merry Morash shows how countervailing influences keep reform oriented probation and parole agents and the women they supervise in a box. Supervisory approaches that attempt to move away from punitive frameworks are limited or blocked by neoliberal social policies. Inspired by the interviewees' reflections on their own experiences, the book offers recommendations for truly effective reforms within and outside the justice system.

Community Corrections Robert D. Hanser, 2009-02-19 Aimed at undergraduate courses in criminal justice that offer modules in community corrections, probation and parole, this text covers the necessary topics in community corrections but with a more practical approach than other texts. Subjects covered include the history of probation and parole, arguments for and against the treatment of offenders, the point and purpose of community corrections and jail facilities and detention centers. The book offers a unique perspective given the author's expertise with both special needs populations and in the comparative fields. It is supported by an online study site and instructor's resource materials.
