Responsibility To Protect The Report Of The International Commission On Intervention And State Sovereignty:

The Responsibility to Protect International Commission on Intervention and State Sovereignty, International Development Research Centre (Canada), 2001 Responsibility to Protect Research bibliography background Supplementary volume to the Report of the International Commission on Intervention and State Sovereignty **The Responsibility to Protect** International Commission on Intervention and State Sovereignty, 2001 **Is R2P a Legal Norm?** Dareen H. Aboul Naga, 2024-09-09 Many ask if R2P is legally binding or not By following the development of R2P from 2000 2022 and governments interactions with it throughout those years internationally regionally and nationally a perspective is given regarding its development as a norm within international law The state practice and opinio juris of countries from different regions representing varying perspectives and the application of R2P throughout those years provide the reader with insights on where R2P stands after more than 20 years of being part of the international fora *The Responsibility to Protect* SONJA GROVER, 2018-03-08 This book presents the views of various international law and human rights experts on the contested meaning scope of application value and viability of R2P the principle of the Responsibility to Protect R2P refers to the notion that the international community has a legal responsibility to protect civilians against the potential or ongoing occurrence of the mass atrocity crimes of genocide large scale war crimes ethnic cleansing and crimes against humanity R2P allows for intervention where the individual State is unable or unwilling to so protect its people or is in fact a perpetrator The book addresses also the controversial issue of whether intervention by States implementing R2P with or without the endorsement of the United Nations Security Council constitutes a State act of aggression or instead is legally justified and not an infringement on the offending State s sovereign jurisdiction The adverse impact on global peace and security of the failure to protect civilians from mass atrocity crimes has put in stark relief the need to address anew the principle of responsibility to protect and the feasibility and wisdom of its application and this book is a significant contribution to that effort This book was originally published as a special issue of the International Journal of Human Rights **The Responsibility to Protect, Second Edition** Sonja Grover, 2025-02-26 This book presents the views of various international law and human rights experts on the contested meaning scope of application value and viability of R2P the principle of the Responsibility to Protect R2P R2P refers to the notion that the international community has a legal responsibility to protect civilians against the potential or ongoing occurrence of the mass atrocity crimes of genocide large scale war crimes ethnic cleansing and crimes against humanity R2P allows for intervention where the individual State is unable or unwilling to so protect its people or is in fact a perpetrator The book also addresses the controversial issue of whether intervention by States implementing R2P with or without the endorsement of the United Nations Security Council constitutes a State act of aggression or instead is legally justified and not an infringement on the offending State s sovereign jurisdiction The adverse impact on global peace and security of the failure to protect civilians from mass atrocity crimes has put in stark relief the need to address anew the

principle of responsibility to protect and the feasibility and wisdom of its application and this book is a significant contribution to that effort This second edition comes with an updated Introduction and a new Afterword making it an invaluable resource for scholars policymakers human rights advocates and students of law and international relations seeking to deepen their understanding of a principle that is vital to safeguarding human rights in our world today This book was originally published as a special issue of the International Journal of Human Rights

The UN Security Council Members' Responsibility to Protect Andreas S. Kolb, 2017-12-04 This book examines the hard legal core of any of the Responsibility to Protect R2P concept with regard to the commitment to take collective action through the UN Security Council It addresses the question of whether public international law establishes a duty on the part of the individual Security Council members to collectively take the necessary action to prevent atrocities genocide crimes against humanity war crimes and ethnic cleansing To this end it offers an interpretation of provisions in multilateral conventions such as the undertaking to prevent genocide in Article 1 of the Genocide Convention and the undertaking to ensure respect for the Geneva Conventions in common Article 1 of the 1949 Geneva Conventions analyses the UN Charter framework for Security Council action and explores whether the recognition of the international responsibility to protect has prompted the emergence of a new norm for general international law

Responding to Mass Atrocities in Africa Raymond Kwun-Sun Lau, 2021-12-14 This book explores the relationship between the Responsibility to Protect R2P and the International Criminal Court ICC challenging the assumption that they are always mutually reinforcing or complementary and examining instead the many tensions which arise between the immediate imperative of saving lives and the more long term prospect of punishing perpetrators and preventing future conflicts through deterrence Around the world audiences in the mid 1990s watched the mass atrocities unfolding in Rwanda and Srebrenica in horror and disbelief Emerging from these disasters came an international commitment to safeguard and protect vulnerable communities as laid out in the R2P principle and an international responsibility to punish perpetrators with the establishment of the ICC The book provides context independent proposals for resolving contradictions between the two principles suggesting that focusing on timing and sequencing in invoking international R2P and ICC actions could facilitate the easing of tensions Drawing on examples from Uganda Kenya and Darfur the book applies International Relations concepts and theories in order to deepen our understanding of international responses to mass atrocities Ultimately the book concludes that a Protection First Justice Later sequence approach is necessary for managing the tension and facilitating more effective and consistent international responses This book makes an important contribution to discussions and debates surrounding international responses to genocide and mass atrocities It will be of special interest to scholars students and policymakers in International Relations Global Governance African Studies International Development Human Rights and International Criminal Law

The Responsibility to Protect, 2001 *The Oxford Handbook of the Responsibility to Protect* Alex Bellamy, Tim Dunne, 2016-06-23 The Responsibility to

Protect R2P is intended to provide an effective framework for responding to crimes of genocide ethnic cleansing war crimes and crimes against humanity It is a response to the many conscious shocking cases where atrocities on the worst scale have occurred even during the post 1945 period when the United Nations was built to save us all from the scourge of genocide The R2P concept accords to sovereign states and international institutions a responsibility to assist peoples who are at risk or experiencing the worst atrocities R2P maintains that collective action should be taken by members of the United Nations to prevent or halt such gross violations of basic human rights This Handbook containing contributions from leading theorists and practitioners including former foreign ministers and special advisors examines the progress that has been made in the last 10 years it also looks forward to likely developments in the next decade

Reimagining the International Legal Order Vesselin Popovski, Ankit Malhotra, 2023-07-24 International law is usually conservative with lawyers and judges emphasizing consistency stability and predictability as the major advantages of the law Legal scholars often prefer not to challenge the status quo to suggest amendments or to reform institutions advocating simply to focus on the implementation of the laws that already exist This collection stands different It shares the authors discomfort with the present legal order and some of its institutions and courts and dives into either a corrective or a profound reimagination of these so that they can better address rising global challenges Leading experts in their areas present their new and cutting edge perspectives Divided into six parts the volume paints a vast yet solid thematic landscape of unique and critical approaches The book invites and allows for a deep engagement with a wide range of opinions from across the world It enables a free and courageous reimagining of the international legal order detached from the endless feasibility skepticism The work will be fascinating reading for students academics and researchers working in the areas of International Law and International Relations

International Intervention and State-making Selver B. Sahin, 2015-07-16 This book analyses the changing dynamics of sovereignty resulting from contemporary international state building interventions It aims to highlight how the exercise of exceptional forms of power by intervening agencies impacts on the sovereign capacity of intervened states Drawing upon in depth analyses of three case studies Kosovo East Timor and the Kurdistan Regional Government the book shifts the focus of the debate to the nature of contemporary intervention as an act of statemaking and argues that foreign intervention changes the dynamics of political power upon which sovereignty is structured At the same time it reveals how intervention reproduces the imposed conditions of international state making thus permanently internalising external regulatory mechanisms International intervention in other words becomes the constitutive element of governance in the newly created state This book will be of much interest to students of statebuilding war and conflict studies global governance security studies and IR

Protecting the Global Civilian from Violence Timo Kivimäki, 2021-05-10 This book reveals why the UN is more successful than unilateral great powers in protecting civilians from violence and focuses on the discourse development and consequences of UN peacekeeping Analysing statistics of state fragility and fatalities of violence it reveals

that the UN has managed to save tens of thousands of lives with its peacekeeping a surprising statistic given the media consensus about the UN's powerlessness and inefficiency Using computer assisted discourse analysis of resolutions from the UN Security Council 1993-2019 the book offers data that describe the character and development of UN approach to the protection of civilians from violence It then links the data to the statistics of conflict fatalities and state fragility to reveal by means of qualitative and quantitative analysis when where how and why the UN has been successful at protecting civilians Two reasons for the UN's success are highlighted in the book as being statistically most significant First the organization offers local ownership to peaceful solutions by considering conflicting parties as the primary agents of protection Second the UN approach is much less power oriented than unilateral approaches by the great powers protection for the UN does not mean deterrence or destruction but rather support for local protectors of civilians However strong great power influence on such operations tends to weaken UN's ability to save lives This book will be of much interest to students of humanitarian intervention peacekeeping human rights and International Relations in general

International Peacekeeping: The Yearbook of International Peace Operations Harvey Langholtz, Boris Kondoch, Alan Wells, 2004-11-01 International Peacekeeping is devoted to reporting upon and analyzing international peacekeeping with an emphasis upon legal and policy issues but is not limited to these issues It is recognized that in today's world there is a wealth of information available from the internet and through other sources It is therefore the goal of this Yearbook to make this information available in one publication which both organizes and records events over the course of a year through analytical articles a chronicle primary documents and a bibliography Topics include inter alia peacekeeping peace war conflict resolution diplomacy international law international security humanitarian relief humanitarian law and terrorism The Yearbook is of scholarly quality but is not narrowly theoretical It provides the interested public diplomats civil servants politicians the military academics journalists NGO employees and serious citizens with a document of record comment and a starting point for further research on peacekeeping and related topics This is achieved not only by the provision of basic documents on CD ROM such as Security Council Resolutions and Reports of the UN Secretary General but also by expert commentaries on world events Peacekeeping is treated in a pragmatic light seen as a form of international military cooperation for the preservation or restoration of international peace and security Attention is focused not only on UN peacekeeping operations but other missions as well This Yearbook is the continuation of the journal International Peacekeeping

International Law and Sexual Violence in Armed Conflicts Chile Eboe-Osuji, 2012-08-27 Beginning with an attempt at understanding evil doing during armed conflicts from both the general perspective and the particular angle of sexual violence itself this book explores ways of shoring up international legal protection of women from sexual violence in armed conflicts

The International Criminal Court and the Responsibility to Protect Stefano Marinelli, 2022-07-28 This book examines the parallel development and interaction between the International Criminal Court ICC and the doctrine of the Responsibility to Protect

RtoP assessing this relationship over time and through case studies of Darfur Libya and Syria The similarities and connections between the doctrine and the Court have been highlighted by UN bodies the organs of the Court and scholars yet their relationship and common impact on international law have been less explored This book fills this gap in presenting an overview of how the development of RtoP and the ICC affect various branches of international law The research shows that while the doctrine and the Court experienced significant implementation problems in their first decades of life they nonetheless have the potential to contribute to the historical evolution of international law in combining their values of promoting international peace and protecting human rights This interdisciplinary study will be useful for scholars of international law and international relations It will also be beneficial to persons working for international organisations and for civil society organisations focused on the activity of the ICC and on the development of RtoP **The Irish Yearbook of International Law, Volumes 4-5, 2009-10** Fiona de Londras, Siobhán Mullally, 2012-05-28

The Irish Yearbook of International Law is intended to stimulate further research into Ireland's practice in international affairs and foreign policy filling a gap in existing legal scholarship and assisting in the dissemination of Irish thinking and practice on matters of international law On an annual basis the Yearbook presents peer reviewed academic articles and book reviews on general issues of international law Designated correspondents provide reports on international law developments in Ireland Irish practice in international fora and the European Union and the practice of joint North South implementation bodies in Ireland In addition the Yearbook reproduces documents that reflect Irish practice on contemporary issues of international law Publication of the Irish Yearbook of International Law makes Irish practice and *opinio juris* more readily available to Governments academics and international bodies when determining the content of international law In providing a forum for the documentation and analysis of North South relations the Yearbook also make an important contribution to post conflict and transitional justice studies internationally As a matter of editorial policy the Yearbook seeks to promote a multilateral approach to international affairs reflecting and reinforcing Ireland's long standing commitment to multilateralism as a core element of foreign policy **The Human Security Agenda** Ronald M. Behringer, 2012-12-20

Middle power states such as Canada or Denmark are often thought of as followers of great powers rather than significant actors in global security Challenging this view this book highlights how middle powers have in fact showed great leadership by developing a human security agenda that focuses on countering threats to human beings rather than to nation states The work examines how coalitions of middle powers have performed through five case studies the formation of the Multinational Standby High Readiness Brigade for United Nations Operations SHIRBRIG the realization of the Ottawa Mine Ban Treaty the establishment of the International Criminal Court the regulation of the legal trade in small arms and light weapons and the adoption of the Responsibility to Protect R2P principle Furthermore the book explores how the human security initiatives were shaped by the middle powers choices of diplomatic strategy and how they were affected by the reactions of the hegemonic United States

The Human Security Agenda will appeal to those studying international relations and global security as well as foreign policy and international organizations

Sustainable Development, International Criminal Justice, and Treaty

Implementation Sébastien Jodoin, Marie-Claire Cordonier Segger, 2013-06-24 This book provides a serious and timely perspective on the relationship between two important and dynamic fields of international law *International Law in Disaster Scenarios* Flavia Zorzi Giustiniani, 2020-09-30 The book identifies the main international concepts and rules that are of special relevance in disaster settings and critically analyses how they are implemented in such contexts It shows that although the crucial and growing importance of disaster response has resulted in a complex framework of international obligations it is nonetheless guided by certain general principles values In particular through an in depth analysis of sovereignty international cooperation and solidarity and their manifestations in disaster contexts the book assesses the concrete scope and nature of the obligations of the state affected by the disaster and those of the international community respectively Considerable attention is devoted to the applicable legal framework governing disaster response in mixed situations of disaster and armed conflict and to the main problems and operational challenges entailed by the involvement of foreign military personnel and assets in disaster response The book s overall objective is to provide an authoritative overview of the development core issues and challenges in international law with regard to disaster scenarios and to serve as a valuable and comprehensive reference guide *The Responsibility to Protect* Jared Genser, Irwin Cotler, 2012 The Responsibility to Protect provides a comprehensive view on how this contemporary principle has developed and analyzes how to best apply it to current humanitarian crises

~~Responsibility To Protect The Report Of The International Commission On Intervention And State Sovereignty~~
Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Responsibility To Protect The Report Of The International Commission On Intervention And State Sovereignty free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Responsibility To Protect The Report Of The International Commission On Intervention And State Sovereignty free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Responsibility To Protect The Report Of The International Commission On Intervention And State Sovereignty free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Responsibility To Protect The Report Of

Responsibility To Protect The Report Of The International Commission On Intervention And State Sovereignty

~~The International Commission On Intervention And State Sovereignty.~~ In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Responsibility To Protect The Report Of The International Commission On Intervention And State Sovereignty any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Responsibility To Protect The Report Of The International Commission On Intervention And State Sovereignty Books
